LETTER OF TRANSMITTAL

To the Board of Selectmen
and Citizens of Thomaston:

It is with pleasure that I submit this annual report of the activities and financial transactions of Thomaston for the year ending January 31, 1962.

Upon reflecting over the past year, one may justifiably conclude that 1961 was marked with continuing progress along lines of growth, development, and economy. Credit for the numerous achievements during this past year rightfully belongs to the Board of Selectmen, Budget and Planning Committee, department heads, and the many civic minded citizens who gratuitously donated their time, work, etc. for the benefit of the inhabitants of Thomaston.

In our report we have attempted to be as explicit as possible; however, we realize that many questions will remain unanswered and for that reason we wish to remind every taxpayer that the town office is open to citizens who wish to drop in to ask questions and make suggestions. A breakdown of expenditures in more detail will gladly be given to any resident desiring such.

We would like to thank all citizens who have been cooperative in promoting the welfare of Thomaston.

Respectfully submitted,

THOMAS L. LaPOINTE
Town Manager

TOWN MANAGER'S REPORT

Probably at no other time has the citizens of Thomaston been confronted with such an aggregation of imposing problems.

We are faced with a much needed school construction project, estimated to cost \$547,000; the State Water Improvement Commission informs us that we are violating the water classification of the St. George River and need to build a sewer treatment plant, of which our share of the cost would be approximately \$150,000; the town is increasingly called upon to provide more services; we are requested to purchase a new fire truck, etc.

Consequently, we hope that every voter will voice his opinion either on the floor or at the polls on town meeting day. It is only through everyone's cooperation that the will of the majority shall prevail.

Thomaston ended the year in very sound financial condition. Examination of our departmental expenditures will reveal that most of our accounts were closed with unexpended balances. In several instances we had to overdraw some accounts out of necessity; however, overdrafts were few and small, and in comparing our unexpended balances as opposed to overdrafts, we have a net unexpended gain of \$10,946. Our net unappropriated surplus is now the sum of \$26,759.45. This represents an increase of \$3,642.18 over the previous year. Our outstanding long term indebtedness at the close of the year stood at \$48,916.30; slightly less than one-third of our total borrowing capacity.

In our proposed budget for 1962, we have tried to apply economy but at the same time provide a reasonable program for this fiscal year. The proposed appropriations amount to \$236,823.58 as compared to last year's appropriations of \$234,256.85, an increase of \$2,566.73. The proposed appropriations includes the \$9,500 balance needed to purchase the fire truck as called for in Article 42. (If the higher price truck is voted to be purchased add the increase accordingly). Last year \$13,190 was transferred from surplus, and it is recommended that \$8,050 be transferred this year, a decrease of \$5,140.

The overall proposed appropriations and transfers from surplus call for a net decrease of \$2,573.27 over last year.

Tax collection during the fiscal year ending January 31, 1962, was in excess of 95% of the commitment. This compares favorably with previous years; however, it could be higher. A greater number of taxpayers should make an effort to pay before the books close; also, more people should avail themselves of the conveniences of our tax coupon plan.

During 1961, a total of 18 court summonses were served on persons owing delinquent personal and poll taxes. This action was taken as a last resort after repeated requests had proven to be futile. Some delinquent taxpayers responded favorably by making arrangements to pay on an installment basis; some are still paying, others ignored the requests and were, consequently, compelled to pay sheriff and court fees in addition to their tax. In all fairness to the people who pay on time, these collection efforts will be continued however unpleasant the task may be.

Several meetings of the Board of Selectmen, merchants and myself were held to discuss and formulate plans to add additional parking space to the town business area. Since no appropriation existed for such a project, we solicited the cooperation of the merchants in regard to defraying the initial cost. Contributions were most generous and, as a result, we now have, as you well know, a public parking lot.

In order to add to the new parking facilities, the town voted at a special town meeting held November 27, 1961, to authorize the Board of Selectmen to transfer from surplus an amount not to exceed \$1,000 to purchase the so-called "Rifle Club Lot," which was owned by the American Legion. The First National Bank has also purchased a parcel of land situated in the rear of Woodcock's Block and the 25 foot strip of land situated on the west side of said block. The bank has in turn offered to deed this property (See Article 60) to the town to enable us to have a one-way outlet from the lot and also to have a fenced sidewalk for the school children. We feel that the parking lot offers a solution to an imposing problem and hope that Articles 60 and 61 will have passage.

At our 1961 town meeting the amount of \$5,040 was appropriated as the town's share of State Aid money for the construction of West Meadow Brook Bridge; however, we were informed that the State would not match our four unit appropriation during 1961, since the proposed construction had been classified as new construction,

and four unit matching applied to reconstruction projects only; consequently, a special town meeting was held July 12, 1961, to authorize the Board of Selectmen to borrow the State's share, two units, in anticipation of receipt of the amount of \$2,520, which the State had apportioned Thomaston but could not expend during 1961. The selectmen were also authorized to borrow \$500 to defray land acquisition expenses at this same town meeting. The aforementioned action fulfilled our obligations relative to the financing of the project, and, thus, the State was enabled to proceed in drawing up the bridge plans; however, the construction could not be started during 1961 as was planned, because time didn't permit the State to do so.

We are informed that construction will start early this spring. The structure will be of sectional galvanized corrugated metal plate arch on low concrete abutments. Under present conditions, the estimated cost, excluding land acquisition, is \$27,200, divided: State, \$7,969.60; County, \$8,160.00; Town and State Aid joint fund, \$11,070.40.

Looking back at some of the major accomplishments of 1961, we have:

1. Rebuilt approximately 0.30 miles of State Aid Road on Water and Wadsworth Streets and installed underground drainage in these areas. (Final work to be done by the town and state this spring)
2. Extended Dexter street by constructing and rough grading approximately 1200 feet of new road.
3. Began construction of a new business area parking lot.
4. Widened and partially resurfaced approximately 800 feet of Hyler Street.
5. Tar surfaced avenues 9 and 10 of the Thomaston Cemetery.
6. Repaired all major sidewalk defects.
7. Constructed a 40 foot long and 26 foot wide annex to the town garage.
8. Installed a new dropped acoustical tile ceiling in the Banquet Hall.

9. Purchased a parcel of land known as the "Rifle Club Lot" from the Williams-Brazier Post American Legion, to widen Starr Street and to provide additional space for the new parking lot.
10. Purchased shore front property known as the "Public Landing Lot," from E. Roger Morse and Basil F. Day, to be used as a public boat landing.
11. Closed our books with 95.33% of the 1961 taxes collected.
12. Repaired and renewed Dunn Street underground drainage.

Looking ahead to 1962, we hope to:

1. Construct West Meadow Brook Bridge.
2. Start on a proposed long range sidewalk reconstruction program.
3. Complete the construction of the new parking lot; construct a parking lot outlet and fenced sidewalk on the west side of Woodcock's block.
4. Install manholes where we feel the sewer lines extend beyond a distance which we are equipped to clean. Two are recommended on Thatcher Street and one on Fish Street.
5. Install new lights in Banquet Hall.
6. Complete the Hyler Street improvement project.
7. Improve the Public Landing Road.
8. Improve the business area lighting.

Respectfully submitted,

T. L. LaPOINTE

Notice To Veterans Desiring Exemptions

No exemptions on polls and estates shall be allowed in favor of any person who is not a legal resident of the State; and provided that any male or female veteran, or blind person, who desires to secure exemption shall, on or before the first day of April, notify in writing the assessors of the cities, towns and plantations in which he or she resides, and furnish proof of entitlement. Such notification once made need not be repeated in subsequent years.

Chapter 92, Section 6, Revised Statutes 1954.

All male residents over the age of 70 years desiring exemption from poll tax, shall notify the assessors in writing prior to April 1, 1962.

Registered Voters:

At the General Election on November 8, 1960, there were 1,084 votes cast out of a total of 1,472 registered voters on that date.

At the special referendum election held October 10, 1961, a total of 60 votes was cast.

Respectfully submitted,

VIRGINIA H. PUTNAM
Town Clerk

REPORT OF TREE WARDEN

The work done on town shade trees for 1961 was as follows:

Elms pruned	42
Maples pruned	40
Other species pruned	3
Elms removed	3
Maples removed	1
Weak trees cabled	4

The Mall trees were sprayed twice, and all the street elms were sprayed once.

Each elm that was climbed was examined for Dutch elm disease symptoms. None was found. This fact is indicative that Thomaston's program of elm tree care over the past years is paying off, as the disease is fast spreading over the state.

Clean, healthy elms is the best deterrent to the disease, so the program should continue.

Respectfully submitted,

HARRY A. GOODRIDGE
Tree Warden

REPORT OF POLICE CHIEF

To the Town Manager and the Board of Selectmen:

Gentlemen:

The report of the police department for the fiscal year is hereby submitted. The number of arrests has decreased from last year from 56 to 39, which would indicate that the crime rate is on the decrease, but such is not the case. We have found that many of the cases that we used to take to court could be handled better by the police officers and make a better understanding with the public. I also believe that there is better control over our younger group by their parents. I feel that we have had a very good year and that only a very few cases have been left unsolved.

I have requested that the police department be given its own telephone. At the present time we have had an extension on the Town office phone which is not working out as it should. We are not listed in the telephone book and only a few people know how to contact us if they should need assistance. The cost of the telephone would be minor compared to the value that we would receive from it.

Accidents have been one of our main problems. We do have a lot of accidents in a small area. I requested that the speed be dropped from 35 to 25 at Creek Hill and the State has never changed it. It is requested that some thought be given to installing a traffic light at Main, Beechwood and Knox Street. At the present time we have the drive-in bank in the back of the block and only one entrance and that is out and in on Beechwood Street and if the school is built in that area this will cause a lot more traffic than we have at the present time. If this light is installed I would suggest that a line be run to the fire station and a switch to operate the light in case that the fire trucks have to come onto Main street in response to a fire call. Your police department has requested that we be allowed ten days sick leave per year.

I would like to thank the teachers at Green Street School for a job well done on our school boy and girl patrol. I know that they have spent many hours on this project. This department would like to express its appreciation to the other departments that have

assisted us in our enforcement. Our civil defense unit under the command of Robert Allen is doing a fine job. They have completed the basic course in police work, also sixteen weeks of first aid, taking the basic and advanced courses and some of the group has taken the instructors course. At the present, twelve of the unit are taking the radiological course in monitoring for fallout. Our activities for the year are as follows:

Arrests for the year 39:

Disturbing the peace	7
Assault and battery	2
Imprudent driving	2
Cruelty to animals	1
Operating after suspension	1
Non-support	3
Drunken driving	3
Leaving scene of accident	2
Intoxication	2
Failure to stop for uniformed officer	1
Reckless driving	1
Failure to show license & registration	1
Intoxication in motor vehicle	1
Intoxication on highway	1
Hitch hiking	1
Operating without a license	1
Larceny of car radio	1
Malicious mischief	3
Simple larceny	3

Total fines assessed by the State for the above \$810. Of this amount the town received from these fines \$96.

Complaints answered 140

Accidents investigated 28 Total damage value \$6160.

Parking tickets issued 125, as follows: Warning 26; courtesy 52; 47 paid tickets.

Warning cards issued 34. Defect cards issued 67.

Dogs disposed of 12.

I wish to take this opportunity to express our appreciation to the officers and the people of Thomaston for the support we have had in the past years. With this support it is a pleasure to work with you.

Respectfully submitted,

ALFRED H. TEEL
Chief of Police

REPORT OF BUDGET AND PLANNING COMMITTEE

The Thomaston Budget and Planning Committee held twelve meetings during the past year with an average attendance of twelve members.

Officers elected for the year were: James H. Mayo, Chairman; Arthur B. Anderson, Vice Chairman; and Margaret M. Stone, Sec.

Kendrick Dorman, A. Mason Johnson, Jr. and Woodrow Wilson represented the Committee on the Knox County Regional Planning Committee.

Walter Calderwood was our delegate to the Mid-Coast Route 1 Association.

Serving on this committee gives a citizen a knowledge of problems in local government and how they are solved. It is a wonderful way to serve your town.

We wish to extend our thanks to the town officials and all others who assisted us in our deliberations on the articles that appear in this year's warrant.

Respectfully submitted,
JAMES H. MAYO; Chairman
ARTHUR B. ANDERSON,
Vice Chairman
MARGARET M. STONE,
Secretary

As chairman for the past year, I would like to thank Mrs. Margaret M. Stone for her work on the committee. She has been both a member and the secretary for the past twelve years. Congratulations and many thanks to "Peg" for a job well done.

James H. Mayo

REPORT OF CHIEF OF FIRE DEPARTMENT

To the Town Manager and Board of Selectmen of Thomaston:

I have the honor to submit herewith the report of the Department for the year ending January 31, 1962.

During this period the Department responded to a total of 109 calls as compared to 89 of the previous year. Of this number 14 were for assistance to other towns. Classifications of calls as follows: Buildings 7; chimneys 6; grass and brush 5; range and power burners 9; electrical 5; automotive 11; rubbish 1; emergency 25 and miscellaneous 40.

Of the 95 local calls an estimated damage of only \$50.00 was incurred, a record of which the Department and the citizens of the town may feel a justifiable pride. Some damage to the tank truck which was covered by insurance resulted at an out of town fire. No injuries were received by the personnel.

ADDITIONS AND IMPROVEMENTS: A worn out siren was replaced on the ladder truck; a second 1 1/2 inch combination fog nozzle, a Beacon warning light and 500 feet of 1 1/2 inch hose added to the tank truck. Repairs were made to the Buffalo including the installation of an alternator which appears to have eliminated the battery trouble we have experienced over a period of years. Further repairs on this truck are indicated. Changing the alarm whistles to the radio tower and the elevation to a point higher than adjacent buildings appears to have improved their range, but, an electrical heating element to prevent freezing is yet to be installed.

DRILLS: A series of three State Forest Fire drills conducted by the State Forest Fire Warden have been concluded with a total of 22 drills being held during the year. We also participated in the Knox County Firemen's Association field day held in So. Thomaston.

STATION ACTIVITY: Our facilities were used the past year by the Red Cross, Chamber of Commerce, Civil Defense, Senior Washington Club, Brownie Scouts, Coast Guard Auxiliary and the Senior Citizens' Club, the latter having been organized by our Ladies' Auxiliary and proving very successful. The October meeting of the

Knox County Mutual Aid Association and the Knox County Firemen's Association were also held with us. Weymouth Grange and Williams-Brazier Post A.L. joined us in co-sponsoring the annual Christmas party for school children. The Department participated in the Memorial Day and 4th of July observances.

APPROPRIATIONS AND RECOMMENDATIONS: Our budget for the ensuing year shows a reduction over the previous year, but, may have to be augmented should the proposed increase in hydrant rental be approved by the Maine Public Utilities Commission. We most strongly urge the purchase this year of a new 750 gal. Pumper with a 500 gallon water tank as we feel that the Buffalo, now 25 years of age, is no longer dependable as a first line piece of equipment, particularly for use beyond the hydrant district where pumping from draft is necessary. The elimination of the 37 year old McCann and purchase of a new truck was recommended by the Underwriter's at the completion of their survey in 1960 and would improve the Department tremendously. Attention is called to the fact that the cost over and above the \$2,000. raised each year would be only that of financing which is being more than offset each year by the advance in the cost of trucks.

We conclude this report by expressing our appreciation to the Town Officials and citizens who have cooperated with us the past year.

Respectfully submitted,

EDWIN A. ANDERSON
Chief of the Department

REPORT OF OVERSEER OF THE POOR

	Appropriation and Credits	
Town Poor	\$ 2,691.90

Other Town Poor	3,743.37	
Surplus Commodities	<u>774.76</u>	
		<u>10,007.72</u>
Unexpended Balance Jan. 31, 1962		\$ 193.55
AID TO DEPENDENT CHILDREN		
Appropriated		\$1,500.00
Expended		<u>1,191.92</u>
Unexpended Balance Jan. 31, 1962		\$ 308.08

The Surplus Food is distributed to eligible recipients once each month. Standards of eligibility and commodity allocation are prescribed by the State. The town's only pecuniary responsibility is freight cost. You will note that the Surplus Food account shows an overdraft; this was occasioned by the fact that the program was extended last April from seven types of commodities to a total of twelve. The bulk of the increase consisted of heavy canned goods resulting in higher freight cost.

The following was distributed during fiscal year 1961:

ANNUAL REPORT

Butter	2176 lbs.	Dry Beans	2456 lbs.
Dry Milk	7290 lbs.	Canned Pork	1536 cans
Lard	2784 lbs.	Chopped Meat	1246 cans
Corn Meal	4150 lbs.	Rolled Oats	1296 lbs.
Flour	10900 lbs.	Peanut Butter	918 lbs.
Rice	1952 lbs.	Powdered Eggs	984 cans

Respectfully submitted,
T. L. LAPOINTE
Overseer of the Poor

REPORT OF PUBLIC HEALTH NURSE

Days worked in Thomaston	38
Teacher-Nurse Conferences	46
Total home visits made to 94 patients	226
Meetings held with Health Council	5
School health examination clinics	10
260 students were examined by Dr. Spear	
Immunization clinics in schools	5
243 immunizations given by school physician	
Child Health Conferences	5
68 infants and preschools given service by Dr. Hochschild	
Completed immunizations and boosters:	
Polio - 121	Smallpox - 135
Diphtheria-Tetanus - 66	Whooping Cough - 31

The general purpose of public health nursing is to help people and the community as a whole to achieve and maintain optimal health. Your public health nurse carries out this purpose by giving preventive, therapeutic, and rehabilitative services to individuals and families in their homes; through health services in schools; and through organized community programs for prevention of illness and promotion of health.

Health Council members have worked closely with the nurse in all of the programs. Without their untiring support these programs could not possibly be carried through by the public health nurse working alone with the doctors. Mrs. Vernal Wallace is the new chairman. Mrs. George Newbert has worked hard as school health committee chairman again this year. Mrs. Buzynski has served as Child Health Conference Chairman and Mrs. Hocking has assumed responsibility for getting the audiometer testing done in all the schools. The Public Health Nurse does the follow-up on students showing defective hearing as well as the other follow-up of patients in the home as a result of known health problems.

The programs have been completed on schedule and have gone smoothly because of the deep interest and cooperation of the Health Council, school personnel, and town officials. For this I am truly grateful.

MRS. ADA W. AMES
Public Health Nurse

HEALTH COUNCIL

The Health Council was organized in Sept. 1960, as a volunteer group to aid the Public Health Nurse Mrs. Ada Ames more adequately care for the health needs in Thomaston. Many people have joined together to work as helpers in the School Health program, the Child Health clinics at the Federated and Baptist churches, for Pre-school children and babies.

The Health Council has sponsored and supplied workers for the following, also:

1. Adult Polio Clinics.
2. With the school board worked for the purchase of an Audiometer. After the purchase, trained mothers tested the ears of every child in school, and of any adult desiring it. At the present time any adults desiring hearing tests can call Mrs. Darold Hocking and it will be done for them free of charge. Mrs. Ames also does Audiograms for Dr. Pratt's patients.
3. The Health Council participated in the Diabetic Detection Drive.
4. The Health Council provided a list of nurses available to the town, for bedside nursing. Any family needing a nurse can get one by contacting the town office.
5. A successful blood typing program was carried out with Dr. Hunter, the pathologist from Knox Hospital. A list of donors is available at the hospital, and also the town office, where relatives have access to the list to procure donors.
6. Health Council is sponsoring a Supply Closet for the use of the sick. Items already available are Toilet Chair, Wheel Chair, and crutches. Still needed are bed pans, fracture pans, hospital bed, bed rest, enema outfit, bed board, male and female urinal, and walkers. People having these articles to lend, may contact Mrs. Vernal Wallace and register them with her. Those having the articles and not wishing to give them to the town, but willing to lend them in time of need, are urged to contact Mrs. Wallace. If you have any of the articles and wish to donate them permanently to the town supply closet, please contact Mr. LaPointe at the town office. Articles may be borrowed at any time by any family in town needing them, to be returned when no longer needed, by contacting either the town office or Mrs. Wallace.

DOLLY WALLACE, Chm.
SYBEL MILLS, Secretary
Thomaston Health Council

THOMASTON PUBLIC LIBRARY

Income from the Library trust funds for the year ending Jan. 31, 1961, was as follows:

Public Library Fund	\$3,146.83
Library Book Fund	3,697.21
Emma E. Counce Fund	<u>827.62</u>
	\$7,671.66

Operating expenses for the year were as follows:

Salaries	2,741.20
Janitor	440.10
Rent	720.00
Lights	131.40
Insurance	205.84
Supplies and Equipment	613.68
Books purchased	2,225.57
Magazines	260.35
Newspapers	<u>75.50</u>
Rebinding	27.55
Library Association Dues	2.00
Miscellaneous	<u>89.49</u>
	\$7,532.68

Mrs. Florence Gardiner terminated her services on April 1, 1961, and was succeeded by Mrs. Ruby Morrison. Mrs. Alice Buck is her assistant. They make an excellent team. Miss Diane Smith is the trainee.

A representative from the staff of the State Library has been of considerable assistance to them in their work.

The library is being used constantly by the school children, and Mrs. Morrison and Mrs. Buck make every effort to be of assistance to them. It is the intent of the Book Committee to supply the reference books which are needed in their school work.

During the year books to a value of approximately \$1,000 have been purchased and placed in the schools on a loan basis.

Under the will of Miss Christine E. Moore, a member of the Board of Trustees and Book Committee for many years, the library has received her entire collection of books, which have already been moved to the library rooms. A book plate, showing Miss Moore as donor, will be placed on the flyleaf of each book. The library is also named, together with the Baptist Church and the Home for Little Wanderers, Waterville, as residuary legatee of her estate, which is considerable.

The Trustees have met quarterly and are in touch at all times with library operations. Any suggestions that will lead to more efficient operation will be appreciated.

Requests for wanted books will be welcomed.

RICHARD O. ELLIOT
President

HARRIET R. WILLIAMS
Secretary

Board of Trustees

LIBRARIAN'S REPORT

I herewith submit the report of the Thomaston Public Library for the year ending March 1, 1962.

Number of books in Library March 1, 1961	15,372
Added by purchase	471
Purchased and loaned to schools	178
Added by gift	<u>225</u>
	874
Total number of books in the library	16,246
Volumes circulated March 1, 1961 to March 1, 1962	14,015
Largest circulation on February 3, 1962	156
Smallest circulation on June 29, 1961 and August 10, 1961	23
Average daily circulation	68.4
Cards issued to March 1, 1961	5,999
New Cards issued	158
Total Number of Cards issued to March 1, 1962	6,157

Respectfully submitted,

RUBY B. MORRISON
Librarian

CONVEYANCE

Albert Anderson	Joe Richards
-----------------	--------------

There were several changes in the teaching staff when school opened in September.

Mr. Ross Holt, Jr. assumed the duties of High School Principal in August of last year. Mr. Holt received his B. A. degree from Colby College in 1953 and his Master of Education degree from the University of Maine in 1957. He has taught in both Maine and New York and prior to coming to Thomaston was Principal of Patten Academy.

Mrs. Shirlene Hoch filled the vacancy caused by the resignation of Gene Wilbur. Mrs. Hoch, a native of Rockport, received her B. S. in Education from the University of Maine in June of 1961.

Mr. Claude Belanger replaced Roger Bickford in the French and Driver Education departments. Mr. Belanger was graduated from St. Francis College in Biddeford in 1960 with a B. A. degree. He had one year of teaching experience prior to coming to Thomaston.

A new part time position was created at the High School with the appointment of Henry D. Lunn as part time Guidance Counselor. Mr. Lunn received his B. S. in Education from the University of Maine. He would have received his Master of Education degree last summer but chose, instead, to attend the Guidance Institute under the National Defense Education Act. He has had three years of teaching experience in secondary schools.

Only one new teacher was needed in the elementary grades. Mr. P. Lermond Rowe filled the vacancy created by the resignation of Peryl Robinson. Mr. Rowe received his B. S. and Masters degrees from Bates College. He has taught in all grades, one through eight, has served as both teaching and supervising Principal and came back to Maine after retiring from a Superintendency in Massachusetts.

The housing situation in the schools is rapidly becoming acute. The Lura Libby school is operating at capacity by sending one fourth grade to Green Street. Next year we will have one fourth, two fifths, and one sixth grade at Green Street. The following year, however, there will be two divisions of fifth and sixth. This means that there will be either one division of fourth, or one division of sixth for which no class room will be available. In the fall

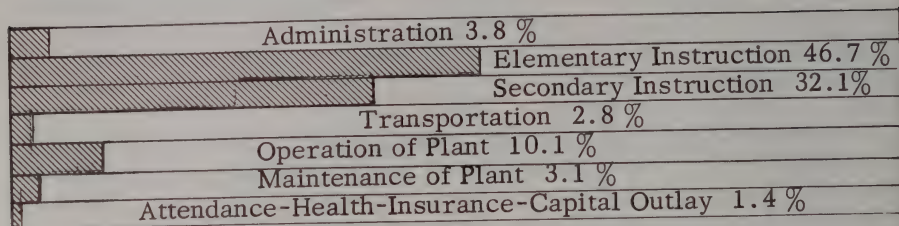

of '62 approximately 50 eighth graders will be moving into high school, replacing 25 June graduates. Based upon present enrollment figures the fall of 1964 will see 195 Thomaston students in high school, as compared to 155 at present. This does not include any tuition students.

The original plan of building a gymnasium and 4 class rooms adjacent to the present high school was abandoned for many reasons. The most important of these, I believe, was that in looking to the future the committee realized that this plan would not be adequate and it would be impossible to add on due to lack of space. The plan of building a new high school, which comes before you at the annual town meeting, offers many important advantages. To begin with, there is ample room on the 30 acre lot for any conceivable future expansion, either in building construction or recreational improvement. The present high school could become a grammar school housing the 5th, 6th, 7th and 8th grades. The present gym would make possible a physical education program for these grades which will no doubt be required in the very near future. There would also be room available for a special education class. The present Green Street school could be closed. The second division of the 4th grade would remain at Lura Libby as all food preparation would be carried on in the kitchen facilities of the new high school making it possible to convert the present kitchen into a classroom.

The curriculum at the high school would be planned to meet the minimum requirements for accreditation.

Although the proposed school budget for next year is about \$2000.00 more than last years', the amount requested is over \$10,000.00 less than last year. The reason for this is that we came out this year with over a \$6,000.00 balance due to careful management by your school committee. We also received more subsidy than was expected due to changes made by the last legislation.

How your school dollar was spent in 1961.

Instruction includes the following:

Teachers salaries, Substitutes pay, Textbooks, Audiovisual material, Driver Education Expenses, and all teaching supplies.

The per pupil operational costs as released by the State Department of Education for the school year ending June 1961 are:

Elementary - \$245.54 Secondary - \$420.57

State Average Secondary - \$424.66

Many things go into the making of a good school system. Among these are: the cooperation and backing of the citizens, good teachers, coupled with pupils with a desire for knowledge, and adequate facilities. What is sometimes overlooked are the services performed by the janitors, bus drivers and hot lunch personnel. I would like to take this opportunity to say a word of appreciation to the people who render these services. Our schools are, I believe, outstanding by the way of cleanliness. Our bus drivers are conscientious and are well aware of the responsibility that rests on their shoulders. The hot lunch program is operated most efficiently, both from an economic and nutritional standpoint.

I also want to express my thanks to the school committee, school personnel, town officers and citizens for their cooperation and assistance during the past year.

Respectfully submitted,

C. LEROY BARKER

THOMASTON SCHOOL DEPARTMENT

REPORT OF THE PRINCIPAL OF THOMASTON HIGH SCHOOL

To the superintendent of schools, the school board and the citizens of Thomaston:

We began the 1961-62 school year at Thomaston High School with 284 students in the building. They were distributed as follows: Twelfth grade, 30 - Eleventh grade, 42 - Tenth grade, 47 - Ninth grade, 71 - Eighth grade, 46 - and Seventh grade 48.

Conditions are crowded, particularly upstairs where the High School program is concentrated. More classrooms are needed. This year it has been necessary to hold a small language class in a closet. Lighting, heating and ventilation are inadequate in such a situation.

To keep pace with the changing times our school should present a wider offering of courses. The holding power of our school could

be increased by adding a course in home economics. A physical education program would add balance to our over-all program.

Three extremely important ingredients of a modern high school are

- 1) Science laboratory
- 2) Library
- 3) Gymnasium

Thomaston High School is weak in each of these areas. The science laboratory is equipped for only a handful of students; we have no school library; our gymnasium facilities are about the worst in the Knox-Lincoln League.

Each of the above mentioned improvements would have to be realized before Thomaston High School could become an accredited high school. Many Maine communities our size have attained accreditation. Many others are in the process of attaining this goal.

The Guidance services of Mr. Henry Lunn, who has been in Thomaston three days per week and the secretarial assistance of Mrs. Lawrence Hill, five half days a week, have materially aided our program this year.

I am proud of the efforts and progress made by the high school faculty. Repeatedly they have shown a desire to do that which is best for the youth of Thomaston. I also appreciate the fine work and cooperation of Arthur Gamage and Albert Anderson.

Neither our in-school program nor our extra-curricular program could prosper without the support of the citizens of Thomaston. For this support we are extremely grateful.

Respectfully submitted,

ROSS S. HOLT, JR.

Report of Knox County Regional Planning Commission

The past year has been a busy year for your Knox County Regional Planning Commission. We have held

12 Regular meetings	6 Trips to DED at Augusta
5 Special meetings	6 Trips to the James W. Sewall Co.
6 Committee meetings	at Old Town, Maine.

The Commission membership is made up of two regular members and one alternate member from each of the fifteen participating towns in the County.

Your Knox County Regional Planning Commission has been at work for the past two and one half years. Many of you have raised the question, "What are they doing?". This report is intended to answer this specific, and we hope, many other inquiries our people have. You have asked us to carry on this program. We are now reporting to you.

PURPOSE OF THE KNOX COUNTY REGIONAL PLANNING COMM.

Basically - united we stand; divided we fall - is something that is very apt to apply here. If each community were to carry on its own planning program and try to carry it out, not only would it be costlier, but the conflicts that could arise without area considerations could result in no-plan action. It is therefore our job in representing each Town, to prepare plans for the most efficient transportation and highway system, the economical, orderly and attractive arrangement of land uses. We must look towards the provisions of community and regional facilities such as schools, hospitals, parks, sewer systems and the overall general welfare of our county.

We, by state statute and in our by-laws, are required to prepare a comprehensive regional plan. We can plan for and advise our member communities. We can work with the State and Federal Government and correlate our community's plans for better highway and industrial development programs. You, as municipalities, must take action. We will guide you and help you.

OUR PAST ACTIVITIES

The Knox Industrial and Development Association in 1959 sponsored and supported the introduction of regional planning on a county-wide basis. This effort has resulted in the appropriation of funds

in Town Meetings of fifteen communities within Knox County and participation of the county itself. The Knox County Regional Planning Commission contracted with the State and The Federal Government for a Comprehensive Planning Study in three phases. The first phase, which is now completed, was primarily concerned with an inventory study of existing conditions in Knox County. With the aid of the Selectmen and interested citizens in the member communities along with our consultants and the commission, facts and local data pertinent to future planning was gathered and evaluated. The first phase report has clearly defined the course future planning must take. We are now engaged on the second phase of a comprehensive plan which deals with our resources, agriculture, forest, recreational, mineral and ore reserves and grades. There will also be a study made of the present markets for utilization with projections as to future markets and changing technology, also a study of the most economical methods of transportation of the various commodities to market. Fisheries will be studied.

We have held meetings with the State Highway Commission regarding improvements to our highways and can report very excellent cooperation from the State Highway Commission. This will be very apparent with improved construction next summer. Now that Knox County has been declared an area eligible for Area Redevelopment consideration, our duties have not only increased, but are causing us to speed up this worthwhile program and give greater assurance to implement our plans for a better future for Knox County. ..

OUR PLANS AHEAD

As the Knox County Regional Planning Commission we are charged with the responsibility of preparing an "Overall Economic Development Program" by the Area Redevelopment Administration. This program closely follows our comprehensive plan, which means that we must begin our third phase planning this year. The third phase concerns such things as,

1. Land use analysis.
2. Facilities and utilities, schools, public buildings, sewers, water facilities, etc.
3. A study of Knox County and its economy, present and future.
4. Problems and plans for solutions.
5. Area objectives and development programs.
6. Master plan for the region.
7. Recommended action program to carry out the plan.

With the task ahead, your Planning Commission is aware of the need for a full time, trained, person to carry out the aims and objectives of a regional program involving the future of our County. As part of the present planning program we are therefore proposing a budget item, to be matched by State and Federal assistance, to avail us the opportunity to fill such a planning position.

It is our opinion that this would be the most economical and most desirable way to carry on the planning program. We need a full-time, well qualified planner on the job so that we will derive the greatest possible benefit from our planning dollars.

We wish to extend to all the Towns, State Departments, our Consultants and all of the many people who have helped in past planning, a most sincere Thank You.

With the same cooperation from all the area Towns in the future, as we have had in the past, we can indeed see a more prosperous and brighter future for the Knox County Region.

Respectfully submitted,

KENNETH F. WILSON, Chm.
Knox County Regional Planning
Commission

STATE OF MAINE

State Department of Audit

Augusta

February 28, 1962

Board of Selectmen
Thomaston, Maine

In accordance with Chapter 90-A, Revised Statutes of 1954, an audit has been conducted of the financial records of the Town of Thomaston for the fiscal year ended January 31, 1962.

The examination was made in accordance with generally accepted auditing standards that pertain to governmental accounting. The audit analysis was on a basis consistent with that of the preceding year, and included such tests of the accounting records and other auditing procedures as were considered necessary in the circumstances.

The financial and statistical sections incorporated in this report, subject to the accompanying comments, present the results of the Town's financial operations for the period indicated.

Respectfully submitted,

MICHAEL A. NAPOLITANO
State Auditor

MAN:lf

COMMENTS
TOWN OF THOMASTON
February 1, 1961 to January 31, 1962

An audit of the financial records of the Town of Thomaston has been completed for the fiscal year ended January 31, 1962. The audit consisted of an examination of the records maintained under the supervision of the Town Manager and municipal officials.

The operations for the year showed a gain of \$17,695.06, which was accounted for as follows:

Actual Revenue Over Estimate	\$ 6,748.56
Departmental Balance Lapsed	<u>10,946.50</u>
Gain For Year	<u>\$17,695.06</u>

The actual revenue amounted to \$21,448.56, as compared with an estimate of \$14,700.00 for the year. The additional revenue was received principally from excise taxes.

The overlay and various unexpended departmental balances, particularly in general government and highway accounts, were the major factors contributing to the net unexpended departmental balance lapsed.

* * * * *

The following comments pertain to the accompanying financial statements and to the scope of audit.

ASSETS The general fund cash balance of \$33,857.22 consisted of \$31,707.90 in demand deposits, \$2,099.32 in time deposits and petty cash of \$50.00.

At January 31, 1962 the general cash was on deposit in the First National Bank of Portland, Thomaston, Maine. Petty cash was on hand.

Accounts receivable totaling \$1,150.19 included for the most part reimbursable expenditures made for State and other municipalities' welfare recipients and an amount due from an individual for a previous year sewer installation.

Taxes receivable amounted to \$11,322.19, of which \$10,646.40 represented current year accounts. The remaining balance of \$675.79 was for uncollected accounts dating from 1958.

Tax liens and tax acquired property amounted to \$3,149.37 and \$2,257.98 respectively.

LIABILITIES, RESERVES AND SURPLUS The short term loans of \$1,433.95 issued for various purposes, accounts payable of \$85.19 and payroll deductions of \$175.72 due governmental agencies represented the general fund liabilities at January 31, 1962.

The appropriation accounts showed a net unexpended balance of \$19,540.80, representing various operating account balances and an overdraft that are carried forward to the ensuing year in accordance with legal requirements and/or customary practice.

Other reserves totaling \$3,741.84 included prepaid taxes, an amount due trust funds and an uninvested capital reserve fund. The reserves also include a highway equipment fund established by charging various operating accounts for use of equipment. The earnings derived from this source were deposited in a local bank.

The unappropriated surplus amounted to \$26,759.45, an increase of \$3,642.18 for the year. The change was occasioned principally by the net unexpended departmental balance lapsed and the excess of actual revenue over estimate, less authorized transfers for various purposes.

DEBT FUND The debt fund, incorporated in the balance sheet as a separate fund, reflects the outstanding fire station, school and school bus notes of \$28,916.30 and school construction bonds of \$20,000.00. These obligations mature during the ensuing years with varying rates of interest.

TRUST AND RESERVE FUNDS Trust funds totaled \$297,979.50 at January 31, 1962. This amount represented principal accounts of \$265,965.96, unexpended income of \$31,859.54 and a gain of \$154.00 on sale of securities. These funds are invested in various type securities and/or deposits in the First National Bank of Portland, Thomaston, Maine and the Maine Savings Bank, Portland, Maine. New cemetery perpetual care funds of \$3,550.00 received during the year were invested.

Securities of the Library and Library Book Funds are contained in a safe deposit box in the First National Bank of Portland, Thomaston, Maine. The library trustees, who are not bonded, and the town treasurer have access to the securities.

The school bus and fire truck capital reserve funds amounted to \$1,000.00 and \$6,167.92 respectively at the close of the fiscal year.

The Nurse Association reserve fund of \$1,620.68 and the capital reserve funds were on deposit in the Rockland Savings Bank, Rockland, Maine.

DEPARTMENTAL ACCOUNTS The departmental operating accounts showed an increase of \$16,197.58 in funds by taxation, as compared with the preceding year. Larger assessments for highway and education accounts were the major factors contributing to the increase.

The departmental balances carried forward to the ensuing year increased \$4,890.20, as compared with the balances at the start of the year. The change occurred principally in the education account.

GENERAL Estimated revenues to be derived from excise taxes, bank stock tax and railroad and telegraph tax were used to reduce the 1961 tax levy as authorized by the townspeople.

Transfers from surplus and the issuance of short term loans for various purposes also were voter authorized.

It also was voted by the townspeople to transfer the prior year highway equipment fund to the general highway account to purchase a new truck.

SCOPE OF AUDIT

The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Count of cash was made and reconciled to date of audit and records were checked to determine the accuracy of recording cash transactions.

Cash accounts were verified by reconciliation of bank statements furnished by the depositories or by direct bank confirmation. Verifications were utilized, on a test basis, to determine the correctness of recorded assets and liabilities.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period. Canceled bonds, notes and bond coupons also were examined.

Excise tax collections were verified with copies of receipts retained by the collector. Trust and reserve fund transactions and investments were checked. Education account balances were

checked with the Superintendent of Schools. Surety bond coverage was reviewed.

In our opinion, subject to the foregoing comments, the accompanying statements and supporting information present fairly the financial position of the Town at January 31, 1962, and the results of its operations for the year then ended.

Farewell to the "Old Church on the Hill". It has been a landmark in Thomaston since 1796. Ships were guided up the "Georges" by it's spire; many of our ancestors worshiped here, as did General Knox and other Revolutionary notables.

A sign on it's door today states it to be unsafe, this in accordance with State Engineers' orders. This spring it will be demolished because there are no funds to repair it, and no doubt one hundred years from now the generation will say, we failed in historic preservation as was the case of the original "Montpelier", the home of Knox.

With regret, we bid farewell to this historic landmark. The loss is ours !

TOWN WARRANT

State of Maine

To: THOMAS L. LaPOINTE, a constable of the Town of Thomaston, in the County of Knox, GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Thomaston in said County, qualified by law to vote in town affairs to meet and assemble at Watts Hall in said town on Monday, the twenty-sixth day of March, A.D. 1962, at 10:00 o'clock in the forenoon, then and there to act upon the following articles, namely:

Article 1. To choose a moderator to preside at said meeting.

Article 2. To choose the following municipal officers:

Selectman for three years (1)

Member of School Committee for three years (1)

Assessor for three years (1)

Town Clerk for one year

Members of the Budget and Planning Committee

For three years (4)

For one year (3)

Members of the Park Commission for three years (3)

All other necessary Town Officers and Committees.

Article 3. To hear the report of the municipal officers and take such action as may be desirable.

Article 4. To see if the town will vote to carry forward the unexpended balances as shown in their respective accounts:

d. Interest on High School Auditorium Notes	73.12
e. School Bus Note	1,000.00
f. Interest on School Bus Notes	44.38

\$7,467.50 Recommended

Article 11. To see if the town will vote to raise and appropriate the following amounts for highway purposes:

a. General Highway Maintenance	\$7,200.00
b. Winter and Spring Roads	7,400.00
c. Tar Surface Treatment	5,500.00
d. Sidewalk Reconstruction	1,000.00
\$20,100 Recommended by appropriation	
1,000 Recommended from Surplus for Sidewalks	

Article 12. To see what sum, if any, the town will vote to raise and appropriate for the improvement of Hyler Street:

\$2,000 Recommended from Surplus

Article 13. To see what sum the town will vote to raise and appropriate for care of trees within the limits or adjacent to the town ways, care of the mall, and School Walk:

\$2,150 Recommended from Surplus

Article 14. To see what sum of money the town will vote to raise and appropriate for Health and Sanitation, including sewer maintenance and street cleaning.

\$1,825 Recommended

Article 15. To see what sum, if any, the town will vote to raise and appropriate for rental of dump, to be paid to the City of Rockland.

\$1,000 Recommended

Article 16. To see what sum, if any, the town will vote to raise and appropriate for the operation of the Town Health Council, and Public Health Nurse.

\$860 Recommended

Article 17. To see what sum, if any, the town will vote to raise and appropriate to pay loans authorized at special town meetings as follows:

July 21, 1961 Land acquisition Meadow Brook Bridge	\$500.00
Sept. 27, 1961 Land Option Roxbury Street	100.00
Sept. 27, 1961 Town Expense Supplement	500.00
Nov. 27, 1961 Purchase of Fire Truck Tires	333.95
	<u>\$1,433.95</u>

\$1,433.95 Recommended

ANNUAL REPORT

Article 18. To see if the town will vote to raise and appropriate the sum of \$150 to be used for the control of contagious disease.
\$150 Recommended

Article 19. To see what sum of money the town will vote to raise and appropriate for Public School purposes:

Account 100 - Administration	\$7,197.00
Account 200 - Instruction	135,761.00
Account 300 - Attendance	50.00
Account 400 - Physician	150.00
Account 500 - Transportation	5,890.00
Account 600 - Operation of Plant	19,400.00
Account 700 - Maintenance of Plant	8,000.00
Account 800 - Insurance	2,210.00
Account 1200 - Capital Outlay	1,000.00
	<hr/> \$179,658.00
Estimated Receipts	51,869.07
Necessary Appropriation	<hr/> \$127,788.93

Recommended

Article 20. To see what sum, if any, the town will vote to raise and appropriate for the purchase of a new school bus:
\$6,500 Recommended

Article 21. To see if the town will vote to approve and enter into the proposed Lease Agreement with the Maine School Building Authority, which has been authorized by resolution of the Authority duly adopted on February 16, 1962, and which provides for financing the construction of a new 250 pupil high school, built and equipped to meet the minimum standards for accreditation, with room for additional classrooms should the need arise, to be located on a thirty acre lot owned by the town known as the Jordan Lot, by the issuance of revenue bonds of the Authority under the provisions of the Maine School Building Authority Act (Chapter 405, Public Laws of 1951, as amended) in the amount of \$547,000.00 and, if necessary, in an additional amount not exceeding 10% of such amount, and for the payment by the town of annual rentals sufficient to pay the interest on and the principal of such bonds, or any bonds issued by the authority to refund such bonds, a pro rata part of the administrative expenses of the Authority and the premiums on insurance, all pursuant to the provisions of the Lease Agreement, and to authorize the execution of such Lease Agreement for and on behalf of the Town by its Treasurer.

Recommended

voted

Article 22. To see if the town will vote to transfer and convey to the Maine School Building Authority the property referred to in Article 21 hereof, and to authorize the Treasurer for and in behalf and in the name of the Town and under its corporate seal to execute and deliver a warranty deed thereof to said Authority.

Recommended

Article 23. To see if the town will vote to authorize the School Planning and Building Committee to make a more detailed study of the possibility of an Area High School with the Town of Warren and possibly other surrounding towns.

Recommended

Article 24. To see if the inhabitants of the town will vote to accept deeds of conveyance from Aurelia Calway-Jones, Lucia E. Dunham, Edwin P. Jordan, Henry D. Jordan and Beckwith Jordan, whereby the Jordan lot, so called, may be used for school purposes in addition to park and recreational purposes as originally provided by the late Mary A. Jordan.

Recommended

Article 25. To see what sum of money the town will vote to raise and appropriate for Public Welfare purposes:

a. Support of Town Poor	\$2,300.00
b. Veterans' Aid, Aid to the Blind, Old Age Assistance and Supplemental Aid	1,900.00
c. Aid to Dependent Children	1,500.00
d. Surplus Food	800.00

\$6,500 Recommended

Article 26. To see if the town will vote to raise and appropriate the sum of \$19.20 for installation of a 1000 lumen street light to be located at "Walker's Corner", by residence of William C. Burge, as requested by petition.

Recommended

Article 27. To see if the town will vote to raise and appropriate the sum of \$19.20 for installation of a 1000 lumen street light to be located on the Oyster River Road near the residence of Woodrow Wilson, as requested by petition.

Recommended

Article 28. To see if the town will vote to raise and appropriate the sum of \$19.20 for the installation of a 1000 lumen street light to be located on the Old County Road by the residence of Arthur Wotton, as requested by petition.

Recommended

Article 29. To see if the town will vote to raise and appropriate the sum of \$3,312.60 necessary to cover the street lighting services furnished to the town for the current year, under a contract with Central Maine Power Company.

\$3,312.60 Recommended

Article 30. To see if the town will vote to improve the Main Street business area street lighting system as follows: Remove five 6000 lumen units, one 2500 lumen unit and install six 22,000 lumen units; and to raise and appropriate the sum of \$238.50 for the same.

Recommended

(There is no charge for fixtures; the only additional cost is for an increase in power. The request of \$238.50 is based on ten months of fiscal year 1962 at \$23.85 per month).

Article 31. To see if the town will vote to improve the lighting system in the new parking lot area as follows: Remove two 1000 lumen units and replace the same with two 2500 lumen units.

\$21.00 Recommended

Article 32. To see if the town will vote to authorize the Selectmen and Town Treasurer to obtain a temporary loan or loans to pay any bills contracted by Civil Defense in case of emergency.

Recommended

Article 33. To see what sum of money the town will vote to raise and appropriate for Police Protection of persons and property.

\$7,618 Recommended

Article 34. To see what sum of money the town will vote to raise and appropriate for its share of the cost of Group Life Insurance, as provided by Chapter 451 of the Public Laws of 1955.

\$500 Recommended

Article 35. To see what sum of money the town will vote to raise and appropriate for Workmen's Compensation, Fire, Liability,

Blanket Bond, Property Damage, and Collision Insurance for the protection of the town:

a. Workmen's Compensation	\$434.00
b. Liability and Property Damage	601.00
c. Fire, Buildings and Contents	958.00
d. Blanket Bond	200.00
e. Collision	188.00

\$2,381 Recommended

Article 36. To see if the town will vote to allow the use of Watts Hall for school children's activities free of charge, under adult supervision, exclusive of athletics, and to raise and appropriate the sum of \$500 to be used for heating and janitor service.

\$500 Recommended

Article 37. To see if the town will vote to authorize the Board of Selectmen to utilize the income from Watts Block to be used for maintenance and repairs on said block.

Recommended

Article 38. To see what sum, if any, the town will vote to raise and appropriate for maintenance and improvement of parks:

\$300 Recommended as follows:

(\$75 Skating Area; \$225 General Park Maintenance)

Article 39. To see what sum, if any, the town will vote to raise and appropriate for Memorial Day Exercises and Decorating Servicemen's Graves:

\$150 Recommended

Article 40. To see what sum, if any, the town will vote to raise and appropriate to pay its share of the cost of the Social Security Plan:

\$1,500 Recommended

Article 41. To see what sum of money the town will vote to raise and appropriate for the Fire Department as follows:

Heat	\$800.00
Electricity and Water	350.00
Telephones	605.00
Insurance	525.00
Maintenance Trucks & Station	775.00

ANNUAL REPORT

Snow Removal, Hydrants	75.00
Repairs Engines 1, 5 & Generator	475.00
Hydrant Rental	5,835.00
Salary, Chief	520.00
Salary, Deputy	150.00
Salary, Assistant	125.00
Volunteers	1,350.00
Station Attendants	2,450.00
Station Note & Interest	3,596.50
\$17,631.50 Recommended	

Article 42. To see what sum, if any, the town will vote to raise and appropriate, or to authorize the Board of Selectmen and Treasurer to borrow, for the purchase of a 750 gallon pumper fire truck. Said amount, if authorized by borrowing, to be repaid by the issuance of a series of notes payable at the best rate of interest obtainable over a period of time as the town officers may select.

(Budget Committee recommends the purchase, five members recommend the purchase of a \$17,500 truck and five members recommend the purchase of a \$25,000 truck.)

Article 43. To see if the town will vote to authorize the Board of Selectmen and Treasurer to transfer the amount of \$6,000 plus accrued interest from the Fire Truck Purchase reserve account, and to transfer \$2,000 from Surplus, said amounts to be used to defray part of the cost of the Fire Truck as described in Article 42 if said article has passage.

Recommended

Article 44. To see if the town will vote to raise and appropriate a sum of money to be held in reserve fund for the future purchase of a new Fire Truck:

\$2,000 Recommended from Surplus
Not recommended if Articles 42 and 43
have passage.

Article 45. To see what sum, if any, the town will vote to raise and appropriate for its share of the support of Knox County Regional Planning:

\$425 needed to appropriate; not recommended

Article 46. To see whether or not the town will vote to raise and appropriate the sum of \$150 to be paid the Thomaston Chamber of Commerce to be expended and used for advertising and promoting the advantages and attractions of the Town of Thomaston.

\$150 Recommended

Article 47. To see whether or not the town will vote to raise and appropriate the sum of \$200 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages, and attractions of the State of Maine in accordance with the provisions of Chapter 91, Section 108 of the Revised Statutes of 1954.

\$200 Recommended

Article 48. To see if the town will authorize the Board of Assessors to apply the revenue from the Bank Stock Tax, Railroad and Telegraph Tax, and Excise Tax to reduce the tax rate.

Recommended

Article 49. To see what sum, if any, the town will vote to raise and appropriate to help in the support of the Knox County General Hospital.

\$828 Recommended

Article 50. To see if the town will vote to raise and appropriate the sum of \$200 to be used to mow the grass on the hill in front of Knox Memorial, "Montpelier." (Requested by petition)

\$100 Recommended

Article 51. To see whether or not the town will vote to raise and appropriate the sum of \$25 to be paid to the Mid-Coast Route One Association to be expended and used for advertising and promoting the advantages and attractions of the coastal region.

\$25 Recommended

Article 52. To see if the town will vote to establish a reserve fund under the provisions of Public Laws of 1957, Chapter 405, Section 17, with a capital improvement account for the financing of future highway equipment acquisition or replacement.

Recommended

Article 53. To see if the town will vote to permit any business not included within the exemptions listed in the Public Laws of 1961, Chapter 362, to remain open for business on the days set forth in said Chapter.

Recommended

Article 54. To see if the town will vote to increase the Superintending School Committee from a three member to a five member committee under the provisions of Chapter 41, Section 45, of the Maine Revised Statutes as amended in 1961.

Recommended

Article 55. To see if the town will vote to increase the Board of Assessors from three members to a five member board under the provisions of Chapter 90A, Section 36, Subsection 4-A, of the 1954 Maine Revised Statutes.

Recommended

Article 56. To see what sum of money, if any, the town will vote to raise and appropriate for the operation of a supervised playground. (Requested by petition \$550)

Recommended by Selectmen

Not recommended by Budget Committee

Article 57. To see what sum, if any, the town will vote to raise and appropriate for the improvement of the Thomaston Public Landing road. (Requested by petition - \$1000)

\$1000 Recommended

Article 58. To see what sum, if any, the town will vote to raise and appropriate for the improvement of Ludwig-Green Street Drainage.

\$900 Recommended from Surplus

Article 59. To see what sum, if any, the town will vote to raise and appropriate for the extension of the Beechwood Street Sewer. Said work to be done under the condition that expense of excavating and backfilling be defrayed by Mr. William Allen as agreed upon. (Requested by petition. The proposed extension is from the Arthur Henry to the William Allen residence.)

\$1,100 Recommended

Article 60. To see if the town will vote to accept a certain lot or parcel of land from The First National Bank of Portland subject to the conditions specified in the original deed, dated December 19, 1961, and bounded and described as follows: Beginning in the northerly line of Main Street, at the southwest corner of the land of Ora Woodcock; thence north, 148.5 feet; thence east, 39 feet, to the Rifle Club Lot; thence north, 50 feet; thence west by land of the Town of Thomaston, 87 feet, more or less to the land of the Orient Association; thence south, 198.5 feet, to Main Street; thence easterly by said street, 25 feet, to the place of beginning.

Recommended

Article 61. To see what sum, if any, the town will vote to raise and appropriate for the improvement of the new parking lot and for the construction of a one-way outlet and fenced sidewalk from said lot:

\$1,600 Recommended

Article 62. To see if the town will vote to reserve unto itself the right to use a certain lot or parcel of land purchased from the American Marietta Company and consisting of a quarry lot situated on the easterly side of Dwight Street, exclusively for cemetery purposes. (Deed recorded in Book 391, Page 498, Knox Registry of Deeds)

Recommended

Article 63. To see what sum, if any, the town will vote to raise and appropriate to have work done regarding the filling of an open ditch, 780 feet in length, more or less, and extending from the Mr. Hazen Cook residence to the Mrs. Cora Robinson residence. (Requested by petition)

Not recommended

No estimated amount is shown, since it was impossible to get a cost appraisal due to deep snow at the time the petition was received and this report went to press. No recommendation is made, because this is a State Aid street, and it is believed that this should be done on a fund matching basis. No state matching funds are available for road work during 1962. It is suggested that this project be undertaken when the matching funds are available.)

ANNUAL REPORT

The Registrar of Voters hereby gives notice that he will be at the Town Office during the week previous to the election (March 19 through March 24) for the purpose of correcting the list of voters.

The Selectmen hereby give notice that the polls shall be open for voting purposes for a period of at least four hours on the day of said meeting, and that the polls will be opened at ten o'clock or as soon thereafter as may be possible in the forenoon of the day of said meeting and that the polls will not be closed earlier than six o'clock in the afternoon of said day.

The Business Meeting will be held at seven-thirty o'clock in the evening of said day.

Given under our hands this twelfth day of March, A.D. 1962.

LETTER OF TRANSMITTAL

To the Board of Selectmen
and Citizens of Thomaston:

Due to the fact that my appointment as Manager of your town became effective as of January 7, 1963, the credit for what merit this report deserves, belongs to Miss Harriet Williams, the board of selectmen, the Budget and Planning Committee, and all other officers who have cooperated with me to the fullest in helping me prepare this report.

Looking over the records and from listening to conversations here in the Town Office, I would say that you have had a successful and progressive year.

I am convinced that your board of selectmen is very thorough; all matters brought to their attention at their meetings, and no decisions are made until the facts are considered.

We have tried to put as much information as possible into this report. We realize there will be some questions unanswered, but we will be glad to answer any questions to the best of our ability if you will inquire at the Town Office.

I would like to thank all the officers and the office help for their assistance in helping me make this report.

Respectfully submitted,

H. E. A. DUNPHY
Town Manager

TOWN MANAGER'S REPORT

We are still confronted with many problems in regard to town affairs. The school problems have not as yet been completely settled.

We are faced with a sewer project. In regards to this project, we are in the process of securing an engineering concern to make a survey in regards to construction cost. Up to the present time we have interviewed two engineering concerns but have not contracted for the survey.

In the warrant there is an article in regard to photographing, mapping and revaluation of the town. This calls for a \$2000.00 expenditure by the town. You will derive from this project a complete system which will consist of aerial photos, maps, and a card system showing each and every parcel of land in the town, each parcel will be revalued and bounded and present day valuation will be determined. It would seem that more would be gained in regard to equalization with this project rather than revaluation but they tie in together and you can't have one without the other.

Our financial condition is not too much changed from a year ago. At the beginning of the year we had an unappropriated surplus of \$26,759.45. Our surplus now is \$15,653.18 which represents a decrease of \$11,106.27. This decrease will be absorbed when we pay two notes in the amount of \$11,425.45, which will automatically revert back to surplus. Our outstanding long time indebtedness at the end of the year stands at \$38,916.30 a decrease of \$10,000.00 from last year.

From a tax commitment of \$237,227.49, \$228,403.08 has been collected. Percentage wise this compares favorably with previous years. If a greater number of tax payers would make an effort to pay and more people would use the tax coupon plan, our percentage of collected taxes would be higher. We have collected 96.22% this year.

Due to weather conditions our winter and spring road account is considerably overdrawn. The public demands more in regard to winter roads and snow removal each year. Since I arrived here in the month of January, we have had only one weekend that the snow removal equipment and crews have not been out. This,

understand, is unusual and accounts for overdraft in this account. This is the only account in which we had a serious overdraft.

Looking over the records the following projects were completed.

1. Constructed and completed West Meadow Brook bridge.
2. Constructed 1000 feet of sidewalks from state prison warden's residence to Harry Merriman's residence on West Main Street.
3. Completed construction of new parking lot.
4. Installed manholes on Thatcher Street.
5. Installed new lights in Banquet Hall.
6. Completed Hyler Street project. There is still more work to be done on this street in regard to drainage.
7. Completed the public landing road.
8. Business area lighting was improved.
9. State Aid Road on entrance of Beechwood Street is nearly completed. Base has been built to grade. Sidewalks have been completed. It will be surface treated as soon as weather permits.
10. Constructed and completed Beechwood Street sewer extension from William Allen to Arthur Henry residence.

Looking ahead to 1963 depending on action taken at town meeting we hope to:

1. To continue our sidewalk reconstruction program.
2. Complete Beechwood State Aid project as soon as weather permits.
3. Do further improvement on Hyler Street in regard to drainage.
4. Reconstruct drainage on Georges Street.
5. Reconstruct drainage on School Street.

Respectfully submitted,

H. E. A. DUNPHY
Town Manager

On March 15, 1963, Governor Reed signed the bill creating the Georges Valley Community School District. Therefore, Articles 53 and 54 have been added to the warrant. As the warrant had been sent to the printer prior to the Governor signing the bill, these two articles do not appear in the Town Report. The date of the signing of the warrant has been changed to March 18, 1963, from March 11, 1963, as shown in the report.

Article 53: To vote by secret ballot on the following question, "Shall an Act entitled 'An Act to create the George Valley Community School District' be accepted?"

Article 54: To see if the town will vote to authorize the district to assume full responsibility for the following listed indebtedness now outstanding under lease between the town of Thomaston and the Maine School Building Authority.

The lend-lease agreement of the town of Thomaston with the Maine School Building Authority.
Total amount \$587,000.
Year Principal Payments - 20 years \$29,350.
Plus interest on unpaid balance at 3.7%.

Notice To Veterans Desiring Exemptions

No exemptions on polls and estates shall be allowed in favor of any person who is not a legal resident of the State; and provided that any male or female veteran, or blind person, who desires to secure exemption shall, on or before the first day of April, notify in writing the assessors of the cities, towns and plantations in which he or she resides, and furnish proof of entitlement. Such notification once made need not be repeated in subsequent years.

Chapter 92, Section 6, Revised Statutes 1954.

All male residents over the age of 70 years desiring exemption from poll tax, shall notify the assessors in writing prior to April 1, 1963.

Intoxication	1
Inadequate muffler	2
Operating unregistered vehicle	1
Imprudent Driving	1
Property damage value	\$4,240.00

Respectfully submitted,

SHERWOOD BUTLER
Chief of Police

REPORT OF BUDGET AND PLANNING COMMITTEE

The Thomaston Budget and Planning Committee held fifteen meetings during the past year with an average attendance of twelve members.

Officers elected for the year were: Woodrow Wilson, Chairman, Arthur B. Anderson, Vice Chairman; and John N. Morrison, Secretary.

During the year this Committee has moved forward on the solution of the sewage disposal problem by appointing a committee to confer with the Water Improvement Commission. This resulted in a recommendation to the citizens of the town by the Budget and Planning Committee that they approve an engineering study for future action. The town by its vote at a special town meeting approved that this study be made.

A committee on revaluation was also appointed during the year. This committee recommended that a revaluation be made and an article has been recommended for approval by the citizens at the up coming town meeting.

Walter Calderwood was our delegate to the Mid-Coast Route I Association.

Serving on this committee gives a citizen a knowledge of problems in local government and how they are solved. It is a wonderful way to serve your town.

We wish to extend our thanks to the town officials and all others who assisted us in our deliberations on the articles that appear in this year's warrant.

Respectfully submitted,

WOODROW WILSON,
Chairman
ARTHUR B. ANDERSON,
Vice Chairman
JOHN N. MORRISON,
Secretary

REPORT OF CHIEF OF FIRE DEPARTMENT

To the Town Manager and Board of Selectmen of Thomaston:

I have the honor to submit herewith the report of the Department for the year ending January 31, 1963.

During this period the Department responded to a total of 101 calls as compared to 109 of the preceding year. Of this number 8 were for assistance to other towns. Classification of calls is as follows: Buildings 9; chimneys 7; automotive 4; oil 14; electrical 7; grass and brush 11; rubbish 2; emergency 13 and miscellaneous 34.

Of the 93 local calls an estimated damage of \$570 was incurred. One slight injury was reported and no damage to equipment.

ADDITIONS AND IMPROVEMENTS: The new American-La-France 750 gallon pumper was placed in service replacing the 1925 McCann pumper which was sold. A new Beacon warning light was installed on the Buffalo, repairs made to the motor and a new muffler added. Repairs were made to the pump on the tank truck and new muffler and tail pipe installed. Minor repairs were made to the ladder truck. The hose truck was converted for use as a forestry and utility unit. Protection of the Lura Libby School and the business blocks on the north side of Main Street was improved by the tying in with the 10 inch main to the hydrant at the rear of the Masonic building.

STATION ACTIVITY: Our facilities were used the past year by the Chamber of Commerce, Red Cross, Young Adults' Club, Brownie Scouts, High School Washington Club and other organizations. The annual Christmas party for school children was held in cooperation with Williams-Brazier Post. The Department participated in the July 4th celebration and took part in the Knox County Firemen's Association field day in Camden and the Waldoboro Day celebration. The October meeting of the Knox County Mutual Aid Association was held in our station.

APPROPRIATIONS AND RECOMMENDATIONS: Our budget shows a slight increase over the previous year excluding the amount raised for the purchase of the new truck, but, is due largely to the increase in hydrant rates, higher insurance premiums and the purchase of hose. Repainting of the outside of the station is recommended and some repairs to the wiring. Some consideration should be given to the establishment of a reserve fund for the eventual replacement of the tank truck which is now 14 years old.

I conclude my report by expressing my appreciation to the Town Officials and citizens who have cooperated with us the past year.

Respectfully submitted,

EDWIN A. ANDERSON
Chief of the Department

Expended	<u>1,786.95</u>
Overdraft Jan. 31, 1963	286.95

The Surplus Food is distributed to eligible recipients once each month. Standards of eligibility and commodity allocation are prescribed by the State. The town's only pecuniary responsibility is freight cost.

The following was distributed during fiscal year 1962:

Butter	1787 lbs.	Dry Beans	2044 lbs.
Dry Milk	5485 1/2 lbs.	Chopped Meat	1488 lbs.
Lard	2208 lbs.	Rolled Oats	2536 lbs.
Corn Meal	3450 lbs.	Peanut Butter	1208 lbs.
Flour	12500 lbs.	Powdered Eggs	384 lbs.
Rice	2380 lbs.		

Respectfully submitted,
H.E.A. DUNPHY
Overseer of the Poor

REPORT OF PUBLIC HEALTH NURSE

Public health nursing is a special field of nursing that combines nursing skills, public health, some phases of social assistance, and functions as part of the total public health program for the promotion of health, the prevention of illness and disability, and rehabilitation. It is concerned for the most part with care of well families and with non-hospitalized sick persons and their families, with particular groups of people, and with health problems that affect the community as a whole.

The following table summarizes the various nursing service activities during thirty-four visits to the town:

<u>Nurse's Activity</u>	<u>Number</u>
Home Visits	143
Teacher-Nurse Conferences	35
Child Health Conferences	4
School Health Examination Clinics	7
School Immunization Clinic	5

Immunizations completed in children of all ages.

<u>Type</u>	<u>Number</u>
Polio	197
Smallpox	89
Diphtheria-Tetanus-Whooping Cough	42

Four meetings were held by the Thomaston Health Council and the nurse. Community health programs were discussed and planned jointly. New members replaced those who moved away and for other reasons were not able to participate this year. Special speakers and a film added to the interest of the group. Refreshments helped the group become better acquainted. Mrs. Vernal Wallace, chairman, will welcome all interested prospective members at next year's meetings to help study further community health needs and find ways of reaching new goals.

The nurse appreciates the co-operation given by the health council, physicians, school personnel, and town officials. As a result a number of individual health problems were resolved and

a large number of people in town received help through the community health programs.

Respectfully submitted,

ADA W. AMES
Public Health Nurse

REPORT OF TREE WARDEN

The following is a report concerning the care of the town shade trees in 1962.

No. of trees removed	-- Elms 4 Maples 3
No. of trees pruned	--Elms 51 Maples 2
No. of trees cabled	--Elms 2

Large leaders were removed from 10 elms on Main Street to lighten the crowns and thus make them more resistant to heavy winds.

In addition to this, the trees on and surrounding the Mall were sprayed twice.

All elms worked on were examined for Dutch elm disease and none was found.

This indicates that the care given Thomaston's elms in the past has paid off and should be continued.

Respectfully submitted,

HARRY A. GOODRIDGE
Tree Warden

HEALTH COUNCIL

The Thomaston Health Council has been very fortunate this year in being able to have its meetings at Weymouth Grange Hall, and for which we thank the Grange members.

The Council membership has increased to 35, and we wish to advise that anyone is welcome.

Audiometer tests have been given to all school children, and the result recorded on each child's health certificate.

Physicals have been given to most of the school children in grades 1, 4, 7 and 10, and will probably be completed by June - depending on the return of Mrs. Ames, State nurse, or her replacement.

Things available from the health supply closet are: toilet chair, wheel chair, hospital bed, walker, and crutches. Some things which would help complete the closet are: bed pans, bed rests, bed board, enema outfit, and urinals. Anyone wishing to donate or lend any article, please leave name at Town office.

Respectfully submitted,

DOLLY WALLACE, Chm.

ENID WATTS, Secretary

THOMASTON PUBLIC LIBRARY

Income from the Library trust funds for the year ending Jan. 31, 1963, was as follows:

Public Library Fund	\$3,278.99
Library Book Fund	3,993.47
Emma E. Counce Fund	844.62
	<u>\$8,117.08</u>

Operating expenses for the year were as follows:

Salaries	\$2,923.00
Trainee	218.50
Janitor	663.24
Rent	1,200.00
Lights	179.28
Insurance	233.90
Supplies and Equipment	152.09
Furniture and Drapes New Room	716.10
Books Purchased	2,092.94
Magazines	236.85
Newspapers	<u>87.50</u>
Rebinding	2,417.29
Box Rent	85.26
Legal	9.00
Misc.	25.00
	<u>33.28</u>
	<u>\$8,860.94</u>

As soon as returns are received on the Christine E. Moore Library Fund, The Public Library Fund will be reimbursed for the amount paid for drapes and furniture.

At a meeting of the Trustees held on May 15, 1962, it was voted to lease from the owners the middle store in the Levensaler Block for a period of three years, the owners to cut through, between the two rooms, paint the middle room, and provide adequate radiation. Work started almost immediately, and both rooms are now being used.

A children's reading room has been established in the rear of the library, with three new bookcases suited to use by the children, and their own small table and chairs. One of these cases is to have

a plaque attached reading, "To the Memory of Miss Ella K. Gillchrest," her family having provided money for this purpose.

Our two librarians and Miss Diane Smith, trainee, are very competent; dedicated to their work of serving the public. You should follow Mrs. Buck's window displays from week to week. Mrs. Morrison is having a story hour for the children once a month, which is much enjoyed and well attended. The summer reading course was also enthusiastically received, and the children are looking forward to another.

Much thanks is due the Senior Girl Scouts who have affixed the library seal and pasted the book labels in the books received from the estates of Miss Rita Creighton Smith and Miss Christine E. Moore. The book plates used were those of the donors. The Scouts have also arranged for binding the loose leaves of "The Town That Went to See," by Aubigne Lermond Packard.

The library is being used more and more by the school children. Both Mrs. Morrison and Mrs. Buck spare no effort to find the material the children require in their work.

It is hoped that the public will make full use of the new reading room, which is very attractive.

A block of securities has been received from the First National Bank of Portland, surviving executor of the will of Miss Christine E. Moore, but there will not be an accounting until later this year. The income from this bequest is expected to be large enough to cover the additional expense occasioned by having the additional room.

Respectfully submitted,

RICHARD O. ELLIOT
President

HARRIET R. WILLIAMS
Secretary

LIBRARIAN'S REPORT

I herewith submit the report of the Thomaston Public Library for the year ending March 1, 1963.

Number of books added to the Library:

By purchase	606
By gift	250
	856

Number of the above loaned to schools

24

Volumes circulated March 1, 1962 - March 1, 1963 - 17,755

Average daily circulation 87

New cards issued 317

The addition of the new adult reading room has added greatly to the usefulness and efficiency of the Library; it is a pleasant, well-lighted, well-heated room. All books are now on one floor, and all are available to the public. An enlarged, attractive children's department has resulted from the expansion, as well.

We are most grateful to five Girl Scouts who volunteered their help during the moving process, and, in addition, spent many hours pasting in book plates and date slips. The girls are Janet Prescott, Winona Watts, Jean Bryant, Bonnie Robbins and Doreen Abbott.

This past year the Library conducted a Summer Reading Program for grades three through six; plans are being made to continue the program this coming year and to include other grades as well.

A monthly story-hour is being held for children ages four and up.

The weeding of the book collection and replacing of necessary volumes goes on as fast as time allows. With the addition of books from the Christine Moore library and the Rita Smith library, we have many books which are not cataloged; these books are being added to the Library as fast as possible. Meanwhile, all are available to the public, even though uncataloged.

Respectfully submitted,

RUBY B. MORRISON
Librarian

Joe Richards

Teachers, new to the Thomaston School Department, last fall were: Mary Wallace, Ida Mae Harding, Patricia Magee, George Hilton, William Porter, and Richard Stoddard.

Miss Wallace received her B.S. degree from Washington State Teachers College and her Masters Degree from the University of Maine. She has had eleven years of teaching experience and replaced Shirlene Hoch who resigned.

Mrs. Harding received her B.A. degree from the University of Maine and has done graduate work at Colby and the U. of M. She has had four years of teaching experience and teaches French only on a part time basis.

Miss Magee received her degree in Music from the Northern Conservatory of Music and is teaching vocal music on a half time basis. Mrs. Esther Rogers, whom she is replacing, had to resign because of ill health.

Mr. Hilton replaces Henry Carey who resigned to continue his education. Mr. Hilton received his B.S. degree from Gorham State Teachers College and has had two years of teaching experience.

William Porter received his B.S. degree from Gorham State Teachers College and expects to receive his Masters degree in Guidance from the University of Maine in June of this year. He replaces Henry Lunn who resigned to accept a position in the Rockland School Department. Mr. Porter has had four years of experience prior to coming to Thomaston.

Mr. Stoddard received both his B.S. and Masters degrees from the University of Maine. He has had six years of experience and replaces Claude Belanger as driver education instructor.

In January of this year Mr. Louis Cook was added to the High School faculty in order that the Principal, Mr. Holt, might assist the Superintendent and Building Committee in preparing the equip-

ment list for the new high school. Mr. Cook received his B.S. degree from the University of Maine and has done graduate work at the same institution. He has had two years of experience prior to coming to Thomaston.

The new high school has at last become a reality and will be in operation next fall either as Thomaston High School or an Area High School. Your planning and building committee has had, at this writing, forty meetings. These meetings were usually from 7 - 11 P.M. or later. This will give you some idea of the amount of work done by the committee. There is still much more work to be done.

In the new high school the educational program will have the following advantages over the present program.

1. Improved foreign language program with language laboratory.
2. Adequate physics and chemistry laboratories.
3. Improved programs in the commercial and shop departments.
4. The addition of a third vocational course, namely, home economics.
5. Adequate gymnasium and locker facilities for a complete physical education program for both boys and girls and a regulation size basket-ball court.
6. A library to meet accreditation standards.
7. A cafeteria, clinic room and teachers' room.

In the elementary grades improvements will now be possible which before were hampered by lack of space. With the old high school becoming the grammar school and housing grades 4 through 8, it will be possible to extend the physical education program from grade 12 down through grade 4.

It is hoped that next fall will see the start of a new program at the Lura Libby School. Work will start very soon on plans to institute an ungraded primary program. This program would eliminate Sub-primary, grades 1, 2 and 3 by name and what now is taught in these grades would come under one heading - the primary department. The idea of the program is to set up a

system whereby children who enter the primary department progress at the rate which their mental and biological growth and development allows them to progress. When the child has mastered all the necessary skills to enter the 4th grade he receives his first promotion. If it takes some children five years to do this they may take that long without being "kept back" in any one grade. When these plans are complete, they will be presented to the school committee for approval.

Room will also be available for remedial or special education work if and when the town decides to support such a program.

I wish to express my sincere appreciation for the cooperation and help received during the past year from the School Committee, Town Officers, School Personnel, and Citizens.

Respectfully submitted,

C. LEROY BARKER

STATE OF MAINE

State Department of Audit**Augusta**

March 6, 1963

Board of Selectmen
Thomaston, Maine

In accordance with Chapter 90-A, Revised Statutes of 1954, as amended, an audit has been conducted of the financial records of the Town of Thomaston for the fiscal year ended January 31, 1963.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the exhibits and schedules incorporated in this report, present fairly the financial position of the Town at January 31, 1963, and the results of its operations for the year then ended.

Respectfully submitted,

MICHAEL A. NAPOLITANO
State Auditor

MAN:dt

COMMENTS
TOWN OF THOMASTON
February 1, 1962 to January 31, 1963

An audit of the financial records of the Town of Thomaston has been completed for the fiscal year ended January 31, 1963. The audit consisted of an examination of the records maintained under the supervision of the Town Manager and municipal officials.

The operations for the year showed a gain of \$13,064.99, which was accounted for as follows:

Departmental Operations:	
Unexpended Balances	\$12,420.16
Overdrafts	<u>5,086.77</u>
Net Unexpended Balances	\$ 7,333.39
Actual Revenue over Estimate	<u>5,731.60</u>
Gain for Year	<u><u>\$13,064.99</u></u>

The overlay and various unexpended departmental balances, particularly in the general government and protection accounts, less an overdraft in the winter and spring roads account, were the major factors contributing to the net unexpended balance lapsed.

The actual revenue amounted to \$18,534.23, as compared with an estimate of \$12,802.63 for the year. The additional revenue was received principally from excise taxes.

* * * * *

The following comments pertain to the accompanying financial statements and to the scope of audit.

ASSETS The general fund cash balance of \$41,117.30 consisted of \$37,142.58 in demand deposits, \$3,924.72 in time deposits and petty cash of \$50.00.

At January 31, 1963 the general fund cash was on deposit in the First National Bank of Portland, Thomaston, Maine. Petty cash was on hand.

Accounts receivable totaling \$945.25 included for the most part reimbursable expenditures made for State and other municipalities' welfare recipients and amounts due for cemetery charges.

Taxes receivable amounted to \$9,161.41, of which \$8,823.80 represented current year accounts. The remaining balance of \$337.61 was for uncollected accounts dating from 1958.

Tax liens and tax acquired property amounted to \$3,406.14 and \$2,627.12 respectively.

LIABILITIES, RESERVES AND SURPLUS The short term loans of \$11,425.45 issued for state aid road construction and new school architect fees, and payroll deductions of \$157.95 due governmental agencies represented general fund liabilities at January 31, 1963.

The appropriation accounts showed a net unexpended balance of \$24,369.35, representing various operating account balances and an overdraft that are carried forward to the ensuing year in accordance with legal requirements and/or customary practice.

Other reserves totaling \$5,651.29 included prepaid taxes and an uninvested capital reserve fund. The reserve also include a highway equipment fund established by charging various operating accounts for use of equipment. The earnings derived from this source were deposited in a local bank.

The unappropriated surplus amounted to \$15,653.18, a decrease of \$11,106.27 for the year. The change was occasioned principally by authorized transfers for various purposes and proceeds from short term notes, less the current year gain from operations.

DEBT FUND The debt fund, incorporated in the balance sheet as a separate fund, reflects the outstanding fire station, school and school bus notes of \$23,916.30 and school construction bonds of \$15,000.00. These obligations mature during the ensuing eight years with varying rates of interest.

TRUST AND RESERVE FUNDS Trust funds totaled \$300,761.64 at January 31, 1963. This amount represented principal accounts of \$268,265.96, unexpended income of \$32,349.35 and a net gain of \$146.33 on sale of securities. These funds are invested in various type securities and/or deposits in the First National Bank of Portland, Thomaston, Maine and the Maine Savings Bank, Portland, Maine. New cemetery perpetual care funds of \$2,300.00 received during the year were invested.

Securities of the Library and Library Book Fund are contained in a safe deposit box in the First National Bank of Portland, Thomaston, Maine. The library trustees, who are not bonded, and the town treasurer have access to the securities.

The school bus capital reserve fund amounted to \$1,028.30 at the close of the year. The Nurse Association reserve fund of \$1,682.02 and the school bus fund were on deposit in the Rockland Savings Bank, Rockland, Maine.

At the annual town meeting, the townspeople authorized the use of the fire truck capital reserve fund to purchase a new fire truck. The amount of \$6,264.81 was transferred for this purpose.

DEPARTMENTAL ACCOUNTS The departmental operating accounts showed an increase of \$4,022.09 in funds raised by taxation, as compared with the preceding year. Larger assessments for purchases of a new fire truck and school bus, less decreases in the highway and education accounts were the major factors contributing to the increase.

The departmental balances carried forward to the ensuing year increased \$4,828.55, as compared with the balances at the start of the year. The change occurred principally in education accounts.

GENERAL Estimated revenues to be derived from excise taxes, bank stock tax and railroad and telegraph tax were used to reduce the 1962 tax levy as authorized by the townspeople.

Transfers from surplus and the issuance of short term loans for various purposes also were voter authorized.

SCOPE OF AUDIT

The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Count of cash was made and records checked to determine the accuracy of recording cash transactions.

Cash accounts were verified by reconciliation of bank statements furnished by the depositories or by direct bank confirmation. Verifications were utilized, on a test basis, to determine the correctness of recorded assets and liabilities.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period. Canceled bonds, notes and bond coupons also were examined.

Excise tax collections were verified with copies of receipts retained by the collector. Trust and reserve fund transactions and investments were checked. Education account balances were checked with the Superintendent of Schools. Surety bond coverage was reviewed.

The Trustees of the Thomaston Public Library have received from the First National Bank of Portland, survivor executor under the will of Miss Christine E. Moore, certain securities, with no money value attached. The Executors expect to make final settlement and an accounting of the estate shortly after May 1, 1963. This bequest will be known as the Christine E. Moore Library Fund.

TOWN WARRANT

State of Maine

To: HAYWARD E.A. DUNPHY, a constable of the Town of Thomaston, in the County of Knox, GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Thomaston in said County, qualified by law to vote in town affairs to meet and assemble at Watts Hall in said town on Monday, the twenty-fifth day of March A.D. 1963, at 10:00 o'clock in the forenoon, then and there to act upon the following articles, namely:

Article 1. To choose a moderator to preside at said meeting.

Article 2. To choose the following municipal officers:

Selectmen for three years (2)

Members of Superintending School Committee (3)

Assessors for one year (5)

Town Clerk for one year

Members of the Budget and Planning Committee

For three years (4)

For two years (1)

Members of the Park Commission for three years (3)

All other necessary Town Officers and Committees

Article 3. To hear the report of the municipal officers and take such action as may be desirable.

Article 4. To see if the town will vote to carry forward the unexpended balances as shown in their respective accounts:

a. Social Security	\$157.95
b. Pollution Control	593.74
c. State Aid Road Beechwood St.	713.24
d. School Fund	14,544.70
e. Cemetery	3,415.58
f. Watts Block	2,428.57
g. New School-Road for approach	2,700.00
h. New School-Sewer	1,400.00

Article 5. To see what sum the town will vote to raise and appropriate for salaries of town officers: (Town Manager \$4,775.00; Secretary \$3,120.00; Health Officer \$50.00; Assessors \$1,250.00; Town Clerk \$75.00)

\$9,270.00 Recommended

Article 6. To see what sum the town will vote to raise and appropriate for town expense, including printing, town reports, elections, general office, audit, and contingent expense items.

\$4,000.00 Recommended

Article 7. To see if the town will vote to authorize the Board of Selectmen in behalf of the town to sell and dispose of any real estate acquired by the town for non-payment of taxes thereon on such terms as they may deem advisable and to execute quit claim deeds for such property.

Recommended

Article 8. To see if the town will vote to charge interest at the rate of one-half per cent per month on all outstanding taxes not paid on or before January 5, 1964, said interest to be retroactive to September 1, 1963, with the exception of those participants who are paying taxes under the tax coupon plan who shall be exempt from said interest charge.

Recommended

Article 9. To see what sum the town will vote to raise and appropriate for payment of interest on temporary loans.

\$600.00 Recommended

Article 10. To see if the town will vote to raise and appropriate the following sums to reduce the town indebtedness and to pay interest charges on same:

a. Lura Libby School Bond	\$5,000.00

ASSESSORS' NOTICE

The Assessors of the Town of Thomaston hereby give notice to all persons liable to taxation in said town that they will be in session at the Town Office in said town, on Tuesday April 7th, Wednesday April 8th and Thursday April 9th, at seven o'clock in the evening for the purpose of receiving lists of the polls and estates taxable in said town.

All such persons are hereby notified to make and bring to said Assessors true and perfect lists of their polls and all their estates, real and personal, not by law exempt from taxation, which they were possessed of, or which they held as guardian, executor, administrator, trustee or otherwise, on the first day of April, 1964 and be prepared to make oath to the truth of the same.

When estates of persons deceased have been divided during the past year, or have changed hands from any cause, the executor, administrator, or other persons interested, are hereby warned to give notice of such change and in default of such notice will be held under the law to pay the tax assessed although such estate has been wholly distributed and paid over.

Any person who neglects to comply with this notice will be DOOMED to a tax according to the laws of the State and be barred of the right to make application to the Assessors or County Commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time hereby appointed.

LETTER OF TRANSMITTAL

To the Board of Selectmen
and Citizens of Thomaston:

It is with pleasure that I submit this annual report of the activities and financial transactions of Thomaston for the year ending January 31, 1964.

I want to thank the various committees, the Board of Selectmen and the citizens of Thomaston for their splendid cooperation in making this a successful and prosperous year.

Any merit this report may deserve I would like to share with Miss Harriett Williams.

As much information as possible is put in this report. There will be some questions unanswered. If you will call at the town office we will make every effort to answer your questions.

Respectfully submitted,

H. E. A. DUNPHY
Town Manager

TOWN MANAGER'S REPORT

As in preceding years we are always faced with some problems. In the past, problems have been settled to the satisfaction of most citizens and in the future I assume the same thing will happen.

In regard to preliminary planning for sewage treatment plant application was made to the Housing and Home Financing Agency for approval. On Sept. 26, 1963 we were advised that application had been approved. On Oct. 22, 1963 we were advised that our plan had been accepted. On Oct. 28, 1963 we signed a contract with Whiteman and Howard Engineers, Boston, Mass. to make preliminary survey.

Three possibilities exist in regard to payment of preliminary plans. First, if the town is offered an Accelerated Public Works Grant our preliminary and final plans will be paid for by the Federal Government. The town will pay nothing.

Second, if the Accelerated Public Works program is not offered the town is liable for a maximum of \$4,000.00.

Third, if an increase in the Federal Share is raised from the existing 30% to 50% the town will be liable for a maximum of \$2,000.00.

Whitman and Howard Engineers are in the process of making preliminary study, but to the present time we have not been advised as to what progress has been made.

In regard to mapping and revaluation, contract was made with James W. Sewall Co., Old Town, Maine, for photographing and mapping the town at a contract price of \$7,000.00. Contract was made with Cole, Layer and Trumble Co., Portland, Maine for complete appraisal and revaluation for assessments purposes at a contract price of \$12,600.00.

Maps by Sewall have been turned over to Cole, Layer and Trumble which means that the revaluating should be completed not later than June 1, 1964. Progress report from Cole, Layer and Trumble dated Jan. 31, 1964 shows dwellings, farms and

rural 65% completed; industrial and utilities 25% completed; commercial and exempt 50% completed; office work 30% completed. Percentage of entire contract completed 36%. We were advised by Cole, Laver and Trumble that every effort will be made to complete their work before the above mentioned date of June 1, 1964.

Our financial condition shows some improvement. Our surplus at the beginning of the year showed \$15,653.18. Our surplus now shows \$32,879.24 which represents an increase of \$17,226.06. Our outstanding long term indebtedness stands at \$45,400.00. At the beginning of the year this figure was \$38,916.30. After payments in 1963 in the amount of \$9,516.30 and addition of \$16,000 in serial notes on the revaluation program our indebtedness has increased \$6,483.70.

From a tax commitment of \$307,813.53, \$294,499.63 has been collected. Percentage wise this is 95.77% and compares favorably with previous years. More tax payers are using the Tax Coupon Plan each year. This plan has worked out well thus far and I would suggest that more tax payers adopt it.

We show no serious overdrafts. General Highways shows overdraft of \$507.84. Since we had not too much snow during the late fall and early winter I had the town crew cutting bushes which I charged to General Highway.

Winter and Spring Roads shows overdraft of \$1,248.41. This is due to unusual amount of snow we had from Jan. 31, 1963 to end of snow season.

\$1,722.92 was billed from the state on the Meadow Brook bridge which we had to pay. This was due because estimate was under completion cost.

Looking back over 1963 we completed drainage project on Georges Street. Old underground culvert pipe which was draining only about 50 percent of capacity was removed and new pipe was installed. Open ditch between Georges and Booker Streets was improved and rock culvert under Booker Street was removed and replaced with a metal culvert.

ANNUAL REPORT

A section of drainage on School Street was repaired which increased the drainage capacity on that street considerably.

Underground drainage was installed on Hyler Street from the corner of School Street in an easterly direction. We had a bad icing condition in this area and this seems to have corrected the situation.

Beechwood Street entrance was hot-topped. This was done under contract and was paid for from State Aid Road account.

New tile floor was laid in the Watt's Hall entrance.

There was no new sidewalk constructed but repair work was done at various locations.

Looking ahead to 1964 we anticipate painting and repairing the windows and trim on Watts Block. We also intend to do some refinishing on the brickwork.

No decision has been made at this time as to where State Aid money will be expended.

Due to increased traffic on Booker Street we have inserted an article in the warrant for widening this street. If this article has passage we will complete this project.

Town Road improvement money was expended on Old Thomas road in 1963. We hope to tar this section which was improved last year to eliminate gravel surfacing again at a later date.

Respectfully submitted,

H. E. A. DUNPHY
Town Manager

Notice To Veterans Desiring Exemptions

No exemptions on polls and estates shall be allowed in favor of any person who is not a legal resident of the State; and provided that any male or female veteran, or blind person, who desires to secure exemption shall, on or before the first day of April, notify in writing the assessors of the cities, towns and plantations in which he or she resides, and furnish proof of entitlement. Such notification once made need not be repeated in subsequent years.

Chapter 92, Section 6, Revised Statutes 1954.

All male residents over the age of 70 years desiring exemption from poll tax, shall notify the assessors in writing prior to April 1, 1964.

REPORT OF POLICE CHIEF

May 1, 1963 to December 31, 1963

To the Town Manager, Selectmen and Citizens of the Town of Thomaston:

This report will cover only the first eight months we were here. We have heard talk that the Town needs Watchmen and not Policemen; for this reason we are going to give a brief of what has transpired this past eight months in Thomaston.

Today, in these United States, Crime is large business and Motor Vehicles kill more people than Wars.

Réported to this Department have been Stolen Cars, Sex Crimes against our young boys and girls, Arson, Breaks, Larcenies, Assaults, Peeping Toms, Malicious Mischief, Threats, Motor Vehicle Violations, Accidents, Attempted Suicides, Drunks, just to mention a few. Most of these things have been cleared by arrest, commitment to State Mental Institutes or in some cases turned over to parents for punishment.

Upon our arrival in Thomaston, the Police Department had no equipment whatsoever. We took money from our own pockets to purchase some and the Town bought some. On many occasions an officer must take money from his own pockets to pay for gas to go to Court and answer calls, etc. For this reason, we have asked the Town to purchase a new Police Car and Radio. These two items will not increase the budget too much over the past year and will make it possible to cut the budget almost \$2000 next year. The Town can purchase a car for a fraction of the price a citizen can; does not have to pay to register it; gets gas, oil etc. at a fraction of the full price.

A well-marked Police Car, Radio equipped, would be a big deterrent to both Crime and Motor Vehicle Violations. Also, it would give the officer communications at accidents or other emergencies. It would give any citizen contact with the Police - something that they do not have now. I feel if this budget is approved, it would give the taxpayer something for his dollar spent.

I would like to close this report by thanking the State Police, Rockland Police, Town Manager and Selectmen for their help this past year and the Bangor Daily News, Portland Press Herald, the Courier Gazette, Fire Department and Citizens for their cooperation this past year.

Respectfully submitted,

RICHARD H. JOHNSON
Chief of Police

The following are the arrests made:

Speeding	57	Failing to keep to right	1
No Registration	1	Disturbing the Peace	1
Illegal Possession of Liguor	9	Affray	2
Intoxication	10	Larceny	2
No License	5	Failing to Yield to Emergency Vehicle	1
Operating Motor Vehicle after Revocation	4	Passing Violation	2
Reckless Driving	1	Stop Sign Violation	1

Drinking in a Public Place	2	Dangerous Dog (Keeper of)	1
Illegal Use of License	1	Failing to display Lights	1
Failing to Signal	2	Failing to display Plates	1
Excessive Noise	5	Leaving scene of an accident	1
No Brakes	2	Illegal possession of Fireworks	1
Breach of Peace	1	Drunken Driving	10
Peeping Tom	1	Total	130
Swearing in a Public Street	3	Found Not Guilty	7
Warnings Issued	1069		
Doors Found Unlocked	69		
Parking Tickets Issued	133		
Calls Answered	838		
Stolen Cars Recovered	2		
Emergency Trips to Hospital	5		
Accidents Investigated	41		
Trips to State Hospital	4		
Defect Tickets Issued	276		

Calls were as follows:

Breaking, Entering & Larceny	5
Malicious Mischief	73
Peeping Tom	9
Help at Funerals	5
Illegal Fires	5
Arson	2
Cars Stolen	2
Assault & Battery	12
Sex Crimes	2
Nuisance Calls	39
Illegal Possession of Liquor	3
Disturbing the Peace	36
Trees or Limbs Down	10
Wires Down	3
Assist other Departments	52
Larceny	52
Check Vacant Houses	5
Breaking & Entering	12
Trespassing	3
Accidents	41
Dogs Hit	5
Pick up subject for other Dept.	8
Motor Vehicle Violations	28
Cruelty to Animals	4
Attempt Suicide	1
Threatening by Communications	2
Cows Hit	2
Loitering	3
Assisting hunting for escaped prisoners	3
Miscellaneous calls	400
Leaving Scene of Accident	9

Miscellaneous Calls are anything from family fights, turning on Furnace or motor vehicle violations, where description of car isn't given, etc. Also have listed calls we consider unfounded under this.

**REPORT OF
BUDGET AND PLANNING COMMITTEE**

The Thomaston Budget and Planning Committee held fourteen meetings with an average attendance of eleven members.

Officers elected for the year were: Woodrow Wilson, Chairman; Arthur Anderson, Vice Chairman; and Dana Smith, Secretary.

Two delegates and one alternate were appointed to the Knox Regional Planning Commission. Mason Johnson, Jr. and Kendrick Dorman were delegates and Robert Stackpole was alternate.

Our thanks to all concerned who assisted us in our decisions on the articles which will appear at the up coming town meeting.

Respectfully submitted,

WOODROW WILSON,
Chairman
DANA H. SMITH, JR.
Secretary

REPORT OF CHIEF OF FIRE DEPARTMENT

To the Town Manager and Board of Selectmen of Thomaston:

I have the honor to submit herewith the report of the Department for the year ending January 31, 1964.

During this period the Department responded to a total of 96 calls as compared to 101 of the preceding year, 14 of these being for assistance to other towns, principally mutual aid. Classification of calls is as follows: Buildings 18; Chimneys 4; oil 4; grass 3; forest 3; automobiles 5; rubbish 5; emergency 25; miscellaneous 28 and false alarms 1.

We were faced the past year with double the number of building fires resulting in higher than usual losses. No injuries to personnel and only slight damage to equipment were incurred.

ADDITIONS AND IMPROVEMENTS: Thru competitive bidding we were able within our appropriation to purchase an extra 150 feet of 2 1/2 inch hose thus adding 650 feet of 2 1/2 inch and 500 feet of 1 1/2 inch. Minor repairs were made to the Buffalo and tank truck. Repairs to the station consisted mainly of complete overhaul of the wiring and repainting of the doors inside and out. The concrete cover of the reservoir at Morse's Corner disintegrated and was replaced and a suction connection added.

STATION ACTIVITY: Our facilities were used the past year by the Red Cross, Chamber of Commerce, Boating Club, High School Washington Club, Young Adult's Club, Maine State Police and other organizations. The annual Christmas party for school children in cooperation with the Auxiliary, Weymouth Grange and Williams-Brazier Post was held in the station. The Department participated in the July 4th celebration, Waldoboro Day parade and Knox County Firemen's Association field day. The October meetings of the Knox County Mutual Aid Association and the Knox County Firemen's Association were held in our station. 16 Drills were held the past year and a series of 10 rescue drills under the auspices of the State Education Department are currently being held.

APPROPRIATIONS AND RECOMMENDATIONS: We were able to keep well within our appropriation the past year and our budget for the ensuing year is substantially the same. We recommend passage of the article calling for improvement in the hydrant service in the Georges, North and Booker Street area, also the passage of the article calling for the establishment of a reserve fund for the eventual replacement of the tank truck now in its 15th year of service.

I conclude my report by expressing my appreciation to all who have cooperated with us the past year.

Respectfully submitted,

EDWIN A. ANDERSON
Chief of the Department

REPORT OF OVERSEER OF THE POOR

Flour	6660 lbs.		
Rice	1080 lbs.		

Respectfully submitted,

H. E. A. DUNPHY
Overseer of the Poor

REPORT OF PUBLIC HEALTH NURSE

Your Public Health Nurse, a member of the staff of the Division of Health Nursing, provided public health nursing service in the town of Thomaston during the year of 1963. A summary of these visits is shown below:

There were ninety-six trips made to your town. The activities are shown in the following summary:

<u>Activity</u>	<u>Number of Times Rendered</u>
Home Visits	273
Child health conferences	5
School health examination clinics	4
Immunization clinics	4

Children of all ages were immunized as indicated by type of disease in this list below:

<u>Type of Disease</u>	<u>Number of Children Immunized</u>
Polio	347
Tetanus	332
Diphtheria	96
Smallpox	44
Whooping Cough	9

The nurse visited the home to give nursing care to the sick according to the written orders of the patients' private physicians.

A new program was started in Thomaston this year. The testing of 168 pupils in the sub-primary, seventh, eighth and twelfth grades for tuberculosis was completed. This test was given by Dr. Ashley, Health Officer of District III. The nurse made necessary arrangements for the testing, and reading of the test in cooperation with the teachers.

The cooperation of the school personnel and town officials was appreciated.

Respectfully submitted,

Beryl B. Borgerson, R.N.
Public Health Nurse

THOMASTON PUBLIC LIBRARY

During the year just ended the Trustees, as a residuary legatee under the will of Miss Christine E. Moore, received a total of \$45,364.89 from the First National Bank of Portland, surviving executor of her estate. This is an unrestricted fund. Certain amounts were used toward equipping the adult reading room and children's reading room and the fund stands at \$42,307.66. The expenditures, totaling \$3,932.71 are shown below:

Lights	\$1,391.11
Heat	542.50
Tables and Chairs	376.20
Draperies	266.90
Library Sign	413.00
Bookcases	840.00
Refinishing Stack and Chairs	40.00
Moving Books and Stacks	63.00
	<u>\$3,932.71</u>

Income from the Library Trust Funds for the year was as follows:

Library Fund	\$3,297.90	
Reimbursement from Moore Fund	716.10	
for payment made for furniture		
Fines	<u>149.60</u>	\$4,163.60
Emma E. Counce Fund		869.29
Christine E. Moore Fund		<u>1,119.11</u>
Total Income		\$6,152.00

Expenditures were as follows:

Salaries	\$3,235.45
Rent	1,440.00
Lights	282.22
Janitor Service	437.57
Supplies and Equipment	61.29
Safe	15.00
Insurance	255.38
P. O. Box Rent	9.00

ANNUAL REPORT

Plaque honoring Miss Gillchrest	18.50
Safe Deposit Box Rental 2 years	21.00
Postage on Securities	6.37
Flowers for Mr. Fager	7.73
	<u>\$5,789.51</u>

These expenditures were made from the three funds as follows:

Library Fund	\$3,880.92
Emma Counce	1,158.59
Christine E. Moore Fund	750.00
	<u>\$5,789.51</u>

Income from the Library Book Fund was \$4,396.74. Expenditures were as follows:

Books	\$2,971.00
Magazines	222.40
Newspapers	120.00
Rebinding & Supplies	215.98
Interest on Exchange of Bonds	105.25
	<u>\$3,634.63</u>

By vote of the Trustees a branch library has been established at the Georges Valley High School under an agreement signed by the Library Trustees and the Trustees of the School District. Mrs. Elizabeth Grafton has been elected an Assistant Librarian, serving without remuneration. The branch library is open to the public each school day from 1 to 3 p.m.

In memory of Miss Ella K. Gillchrest, who served as librarian for 40 years, a bronze plaque has been installed on one of the bookcases in the children's section.

The library is also indebted to Miss Pauline Bill and Mrs. Madge Fairfax for a framed print of Andrew Wyeth's painting "The Kitchen Stove," and to the Farnsworth Memorial for the loan of two pictures.

The efficiency of our library staff has recently been demonstrated by the fact that they produced the necessary reference books for 72 essays recently entered in a contest sponsored by the National Society DAR through General Knox Chapter.

For day to day activities at the library we refer you to the Librarian's Report.

Respectfully submitted,

RICHARD O. ELLIOT,
President

HARRIET R. WILLIAMS,
Secretary
Board of Trustees

ANNUAL REPORT

LIBRARIAN'S REPORT

I herewith submit the report of the Thomaston Public Library for the year ending February 1, 1964.

Number of books added to the Library:

By purchase	634
By gift	<u>252</u>
	886

Number of catalogued volumes 11,024

Number of volumes placed in the

Branch Library at G.V.H.S.

Volumes circulated Feb. 1, 1963 to Feb. 1, 1964 19,580

Average daily circulation 97.9

New cards issued 308

Total number of active borrowers 1,005

It is gratifying to note that our circulation continues to increase, even when many of our former high school borrowers are supplied partly or wholly by the new school library. The policy for out of town students attending G.V.H.S. is that, for this school year, public library cards may be issued to those whose teachers vouch for their need for one in their school work.

We are grateful to interested friends of the Library who have loaned articles for our use in window displays, to those who have supplied us with flowers and thus helped to keep our rooms attractive, as well as to volunteer workers who have helped on story-hours and reading programs.

The Summer Reading Program was a success again this past summer. Children in grade three and up followed the regular program; children in sub-primary, first and second grades attended weekly story hours. All enjoyed slides on Hawaii presented by Miss Nora Seaver. Reading ribbons were presented at the end of the five week period.

In October, the Thomaston Public Library was the host library to eighteen librarians for a meeting on Weeding the Book Collection. Two librarians from the State Library demonstrated the proper procedure and emphasized the fact that out-dated, unattractive books do not encourage people to use the library.

National Library Week will be observed April 12-18. John R. Egerton has been selected to serve as the State Committee representative in Knox County. He is working with local librarians in planning activities that will publicize our local libraries and encourage their use.

Respectfully submitted,

RUBY B. MORRISON, Librarian

REPORT OF TREE WARDEN

The following is a report concerning the work done on town shade trees for the year 1963:

Number of trees removed	3 elms
	1 maple
Number of trees pruned	66 elms
	2 maples
Number of trees cabled	1 elm

In addition to the above the trees on the Mall were fed in the early spring and were sprayed twice during the summer.

All elms pruned were examined for signs of Dutch elm disease. One diseased tree was found and was promptly removed. This is the first case of Dutch elms disease found in Thomaston.

Constant vigilance and continued care of Thomaston's shade trees is necessary to keep this disease and other tree troubles in check.

Respectfully submitted,

HARRY A. GOODRIDGE
Tree Warden

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and the Citizens of the Town of Thomaston; I herewith submit my annual report on the Thomaston Schools.

SUPERINTENDING SCHOOL COMMITTEE

Elizabeth Townsend	Term expires 1964

The opening of Georges Valley High School in September brought about a few changes in the elementary schools of Thomaston.

The Green Street School was closed and all contents moved to the former high school building, which is now called Thomaston Grammar School. The fourth grade which was at Lura Libby was transferred to the Grammar School.

Three new full time teachers and three part time teachers joined the elementary teaching staff last fall. Mrs. Ora Preston was hired as a 5th grade teacher as Mr. Soderberg took one of the 6th grades this year. Mrs. Preston received her B.S. degree from Washington State Teachers College in 1962 and had previously taught one year in Milo. Since the enrollment of last year's 6th grade increased from 34 to 41 when it became the 7th grade, it was necessary to make two 7th grades and Miss Florence Withee, who was graduated from Bob Jones University in June of 1963 was employed as Junior High teacher to replace Mrs. Wolfe who resigned.

Mrs. Barbara Adams filled the vacancy created in the Junior High when Mrs. Grafton joined the faculty of Georges Valley High School. Mrs. Adams is a graduate of the University of Maine and has had 21 years of teaching experience, nine of which were in Tennessee, three in Brazil, South America, and the rest in Maine.

Regular physical education classes were started last fall for both boys and girls beginning with the 4th grade. Mr. Peter Story from Aroostook State Teachers College and Mrs. Cynthia Field from the University of Maine both with Bachelors degrees in physical education were employed on a part time basis for this addition to the elementary curriculum. The gymnasium at the Grammar School is what really makes this program possible, and it was set up according to the recommendations of Quentin Unger, State Director of Health & Physical Education. We need a few more pieces of equipment and more showers in the dressing rooms. It is hoped to have these available when school opens next fall.

Now that the high school building is completed and in full operation it is time that attention be given to improving the elementary curriculum. There are certain specific areas which your school committee feels should be examined in light of current trends in education. One of these areas is arithmetic. About the only things that have not changed in this field are the basic addition, subtraction and multiplication facts. The new "modern math" so called, that is being introduced at the elementary level on a nation wide basis uses procedures and vocabulary that are quite unfamiliar not only to the general public but to teachers as well. Some of the teachers are at present taking advantage of a University of Maine extension course in Modern Math now being offered in a nearby community.

The science program is another area where changes of the past few years plus T.V. programs make common knowledge to elementary pupils things that used to be taught only in high school. A grade by grade evaluation should be made of the present science curriculum.

More work needs to be done in setting up the criteria for the different achievement levels if the ungraded primary program is to become operative to the degree for which it is intended.

In order to accomplish the above mentioned improvements to the elementary curriculum plus others that have not been mentioned, Mr. Soderberg has been hired for the coming year as Supervising Principal of both elementary schools. His job will be, with the assistance of the Superintendent and cooperation of the teachers

to plan and set into operation such in-service education programs and evaluation studies as will result in the upgrading of our elementary program to the extent that it will be up to date with the current trends in education. This cannot all be done in one year but a good start can be made toward a long range improvement program.

Respectfully submitted,

C. LEROY BARKER

STATE OF MAINE

State Department of Audit

Augusta

March 6, 1964

Board of Selectmen
Thomaston, Maine

In accordance with Chapter 90-A, Revised Statutes of 1954, as amended, an audit has been conducted of the financial records of the Town of Thomaston for the fiscal year ended January 31, 1964.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the exhibits and schedules incorporated in this report, present fairly the financial position of the Town at January 31, 1964, and the results of its operations for the year then ended.

Respectfully submitted,

MICHAEL A. NAPOLITANO
State Auditor

MAN:lf

COMMENTS
TOWN OF THOMASTON
February 1, 1963 to January 31, 1964

An audit has been completed of the financial records of the Town of Thomaston for the fiscal year ended January 31, 1964. The audit consisted of an examination of the records maintained under the supervision of the Town Manager and municipal officials.

The current year operations showed a gain of \$11,720.54, which was accounted for as follows:

Departmental Operations:

Unexpended Balances	\$12,138.01
Overdrafts	<u>5,689.39</u>
Net Unexpended Balance	6,448.62
Actual Revenue over Estimate	<u>5,271.92</u>
Gain for Year	<u>\$11,720.54</u>

The overlay, supplemental taxes and fire department accounts were the major factors contributing to the net unexpended balance lapsed.

The actual revenue amounted to \$20,146.92, as compared with an estimate of \$14,875.00 for the year. The additional revenue was received principally from excise taxes.

* * * * *

The following comments pertain to the accompanying financial statements and to the scope of audit.

ASSETS The general cash balance of \$45,718.75 was on deposit in the First National Bank of Portland, Thomaston, Maine at January 31, 1964. Petty cash of \$50.00 was on hand.

Accounts receivable totaling \$1,514.03 included for the most part expenditures made for State and other municipalities' welfare recipients and amounts due for cemetery charges.

The note receivable of \$5,153.79 represented an amount due from the Georges Valley Community School District for reimbursement for land purchase and development made by the town. This was in accordance with a vote at a special town meeting.

Taxes receivable amounted to \$14,122.70, of which \$13,419.65 represented current year accounts. The remaining balance of \$703.05 was for uncollected accounts dating from 1958. Tax liens and tax acquired property amounted to \$2,493.08 and \$2,848.96 respectively.

LIABILITIES, RESERVES AND SURPLUS The short term loan of \$3,027.97 which was issued to finance various current operations matures January 28, 1965 with interest at 2 1/2%. Other liabilities consisted of accounts payable of \$3.84 and payroll deductions of \$152.24 due governmental agencies at January 31, 1964.

The appropriation accounts showed an unexpended balance of \$29,941.86 representing various operating account balances that are carried forward to the ensuing year in accordance with legal requirements and/or customary practice.

Other reserves totaling \$5,896.16 included prepaid taxes and an uninvested capital sewer reserve fund. The reserves also include a highway equipment fund established by charging various operating accounts for the use of equipment. The earnings derived from this source were deposited in a local bank. The townspeople authorized the expenditure of \$1,200.00 from this fund to purchase a pickup truck during the year.

The deferred credit of \$5,153.79 is a correlative account to the note amount due from the Georges Valley Community School District and is carried pending payment and voter allocation.

The unappropriated surplus amounted to \$27,725.45, an increase of \$12,072.27 for the year. The change was occasioned principally by the current year gain from operations and short term note transactions, less authorized transfers for various purposes.

DEBT FUND The debt fund, incorporated in the balance sheet as a separate fund, reflects the outstanding fire station, school and revaluation notes of \$35,400.00 and school construction bonds of \$10,000.00. These obligations mature during the ensuing seven years with varying rates of interest.

TRUST AND RESERVE FUNDS Trust funds totaled \$348,494.60 at January 31, 1964. This amount represented principal accounts of \$270,345.96, unexpended income of \$78,002.31, and a net gain of \$146.33 on sale of securities. With the exception of \$25.00 due from the general fund, these funds are invested in various type securities and/or deposits in the First National Bank of Portland, Thomaston, Maine and the Maine Savings Bank, Portland, Maine.

During the year \$45,364.89 was received and added to the unrestricted Christine E. Moore Library Fund and the cemetery perpetual care fund principals increased by \$2,080.00.

Securities of the Library and Library Book Fund are contained in a safe deposit box in the First National Bank of Portland, Thomaston, Maine. The library trustees, who are not bonded, and the town treasurer have access to the securities.

The school bus capital reserve fund of \$2,069.82 and the Nurse Association reserve fund of \$1,749.96 were on deposit in the Rockland Savings Bank, Rockland, Maine.

The special sewer project fund of \$593.74 was established from the pollution control account in order for the town to accept federal participation for such a project. The fund is on deposit in the First National Bank of Portland, Thomaston, Maine.

DEPARTMENTAL ACCOUNTS The departmental operating accounts showed an increase of \$70,640.44 in funds raised by taxation, as compared with the preceding year. Larger appropriations for educational purposes and highways were the major factors contributing to the increase.

The departmental balances carried forward to the ensuing year increased \$5,572.51, as compared with the balances at the start of the year. The change occurred principally in the unclassified and education accounts.

GENERAL Estimated revenues to be derived from excise taxes, bank stock tax and railroad and telegraph tax were used to reduce the 1963 tax levy as authorized by the townspeople.

Transfers from surplus and the issuance of short term loans for various purposes also were voter authorized.

As pertains to expenditures for educational purposes not subsidized within the foundation program, such as repairs and capital outlay, it is suggested that balances and operational results of the several accounts should be reported separately.

SCOPE OF AUDIT

The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Count of cash was made and records checked to determine the accuracy of recording cash transactions.

Cash accounts were verified by reconciliation of bank statements furnished by the bank or by direct bank confirmation. Verifications were utilized, on a test basis, to determine the correctness of recorded assets and liabilities.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period. Canceled bonds, notes and bond coupons also were examined.

Excise tax collections were verified with copies of receipts retained by the collector. Trust and reserve fund transactions and investments were checked. Education account balances were checked with the superintendent of schools. Surety bond coverage was reviewed.

TOWN WARRANT

State of Maine

To: HAYWARD E.A. DUNPHY, a constable of the Town of Thomaston, in the County of Knox, GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Thomaston in said County, qualified by law to vote in town affairs to meet and assemble at Watts Hall in said town on Monday, the thirtieth day of March, A.D. 1964, at 10:00 o'clock in the forenoon, then and there to act upon the following articles, namely:

Article 1. To choose a moderator to preside at said meeting.

Article 2. To choose the following municipal officers:

Selectmen for three years (2)

Members of Superintending School Committee
(1 for 3 years)

Assessors (1 for 3 years)
(1 for 2 years)
(1 for 1 year)

Town Clerk for one year

Members of the Budget and Planning Committee
(4 for 3 years)

Members of the Park Commission (3 for three years)

Trustee for Georges Valley School District
(1 for three years)

All other necessary Town Officers and Committees

Article 3. To hear the report of the municipal officers and take such action as may be desirable.

Article 4. To see if the town will vote to carry forward the unexpended balances as shown in their respective accounts:

a. Social Security	152.24
b. School Fund	6,227.48
c. Cemetery Maintenance	4,561.41
d. Watts Block	2,938.48
e. New School Road For Approach & Sewer	1,041.78

ASSESSORS' NOTICE

The Assessors of the Town of Thomaston hereby give notice to all persons liable to taxation in said town that they will be in session at the Town Office in said town, on Tuesday April 6th, Wednesday April 7th and Thursday April 8th, at seven o'clock in the evening for the purpose of receiving lists of the polls and estates taxable in said town.

All such persons are hereby notified to make and bring to said Assessors true and perfect lists of their polls and all their estates, real and personal, not by law exempt from taxation, which they were possessed of, or which they held as guardian, executor, administrator, trustee or otherwise, on the first day of April, 1965 and be prepared to make oath to the truth of the same.

When estates of persons deceased have been divided during the past year, or have changed hands from any cause, the executor, administrator, or other persons interested, are hereby warned to give notice of such change and in default of such notice will be held under the law to pay the tax assessed although such estate has been wholly distributed and paid over.

Any person who neglects to comply with this notice will be DOOMED to a tax according to the laws of the State and be barred of the right to make application to the Assessors or County Commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time hereby appointed.

LETTER OF TRANSMITTAL

TO: The Board of Selectmen
and the citizens of Thomaston

It is with pleasure that I submit this annual report of the activities and financial transactions of Thomaston for the year ending January 31, 1965.

To the Board of Selectmen, the Budget Committee, other committees and the citizens of Thomaston I want to express my sincere thanks for their cooperation and suggestions which have been most helpful in making this a successful and prosperous year.

Any merit this report may deserve I share with Miss Harri Williams.

As much information as possible is put in this report. There will be some questions unanswered. If you will call at the Town Office we will be glad to consider any suggestions you may make or answer any questions you may have to the best of our ability.

Respectfully submitted,

H. E. A. DUNPHY
Town Manager

TOWN MANAGER'S REPORT

In reviewing the activities of your town government for the fiscal year 1964 I feel that we have had a successful and prosperous year.

In regard to Sewage Treatment Plant, preliminary plans have been completed and are on file in the town office. We have received our grant from the Government Agency in the amount of \$9,965.00 and we have paid Whitman and Howard engineers, Boston, Mass. this amount for plans completed to date.

At a special town meeting held December 29, 1964 the selectmen were authorized to apply to Government Agency for a grant to complete final plans. Estimated cost of these plans \$42,000.00. We are in the process at the present time preparing information for application to the government agency.

The mapping and revaluation program has been completed.

The assessors should take particular care in their future assessment practices being certain they pick up all transfers, additions and improvements to real estate property. Application for permits for buildings, additions and improvements should be made to the building inspector before work is started.

Booker Street project was completed at a cost of \$2,158.57. By creating two open ditches purchasing of culverts were eliminated, and by taking gravel from Sawyer pit cost of gravel fill was decreased. Estimated cost of this project \$2,614.00 was decreased due to these factors.

In conjunction with the Maine State Highway Department, Main Street from in front of the Post Office, including gutter and curbing in front of Post Office was covered with hot top, a distance of approximately 950 feet in an easterly direction, resulting in the improvement of both structure and appearance of this section.

A considerable amount of repairs were done on Watts Block. Painting and repairs of part of outside of block was completed by H. Scall & Hall of Portland at a cost of \$2,111.50. All outside

wood trim was painted by Frank Bridges, Jr., Inc. at a cost of \$778.00. Partition was installed in the Police Office.

At Special Town Meetings held Dec. 29, 1964 and Jan. 26, 1965 the Selectmen and Treasurer were authorized to borrow \$1,200.00 and \$2,065.00 to renovate and divide the old Post Office for two prospective tenants. The Beauty Box has been completed and the tenant has moved in. The gift shop will be completed in the near future. It will be occupied for business about May 1, 1965. Income from these two tenants will be \$1,500.00 per year.

Welfare Accounts show a small overdraft. It is near impossible to look ahead and budget an accurate figure for these accounts.

We closed our books with unexpended balances in all our Highway Accounts except Town Road Improvement fund which shows an overdraft of \$17.01. The elements were in our favor and we closed the Winter and Spring road accounts with an unexpended balance of \$2,854.39. Unexpended balance in General Highway Account is partially due to sale of used culverts which sell for \$1.00 per foot regardless of size.

We will have available in the State Aid road account, assuming that we appropriate State Aid money at our annual town meeting, \$20,824.23.

A detailed statement of unappropriated surplus is printed in this report. After various decreases and increases we closed the books with a surplus of \$47,919.08 as of Jan. 31, 1965. This figure represents a gain of \$20,121.05.

From the above figure the budget committee has recommended that \$25,215.00 be taken to maintain the tax rate for 1965.

A detailed statement of commitment and collections appears in the Audit report. Cash receipts less refunds plus abatements equal \$339,180.19. Percentage wise this represents 95.7 percent leaving taxes receivable in the amount of \$17,529.16 for 1964. This compares favorably with previous years. Tax Coupon Plan works out well and I would suggest that more taxpayers adopt it.

Looking ahead to 1965, we anticipate doing some painting and repair work in Watts Hall and Hallways.

State Aid road money will be expended. At this time no decision has been made in regard to what section of State Aid road this money will be applied to.

There is an article in the Town Warrant requesting \$3,400. for correction of drainage across Main Street at the intersection of School Street. If this article has passage this project will be completed.

Budget figure in the Tar Account has been increased \$1,950. Assuming this has passage at Town Meeting Old Thomaston Road will be tarred from where we stopped in 1964, to the Rockland Town line.

Respectfully submitted,

H. E. A. DUNPHY

Town Manager

Notice To Veterans Desiring Exemptions

No exemptions on polls and estates shall be allowed in favor of any person who is not a legal resident of the State; and provide that any male or female veteran, or blind person, who desires to secure exemption shall, on or before the first day of April, notify in writing the assessors of the cities, towns and plantations in which he or she resides, and furnish proof of entitlement. Such notification once made need not be repeated in subsequent years.

Chapter 92, Section 6, Revised Statutes 1954.

All male residents over the age of 70 years desiring exemption from poll tax, shall notify the assessors in writing prior to April 1, 1965.

REPORT OF POLICE CHIEF

January 1st to December 31st, 1964

To the Town Manager, Selectmen and Citizens of Thomaston:

ARRESTS:

Felonies	7
Motor Vehicle Violations	122
Liquor Violations	13
Miscellaneous	40
Total	182

MISCELLANEOUS:

Court Appearances	212
Doors Found Unlocked	128
Parking Tickets Issued	81
Defect Tickets Issued	557
Calls Answered	1361
Warnings Issued	1286
Accidents Covered	68
Emergency Runs to Hospital	9
Trips to State Hospital	3
Cases Won in Court	154
Cases Filed in Court	16
Cases Nol-Pros in Court	3
Cases Lost in Court	5
Stolen Cars Recovered	1
Stolen Property Recovered (Value)	\$1135

In June of this year we received our New Police Car and Two-Way Radio on the State Police Frequency. This equipment has increased the efficiency of this department tremendously.

In this report it will show this department answered more calls, covered more accidents, etc. than in the past. The reason for this being that you are now able to reach this department 24 hours a day, 7 days a week, where in the past the State Police were required to cover for us due to lack of communications.

I am happy to report no Fatal or Bad Personal Injury accidents this past year. Also happy to report that although the Knox/Lincoln Counties had a rash of breaks this year, Thomaston had

only two and they were cleared by arrest within 48 hours. One arrest this year cleared over a thousand dollars worth of Malicious Mischief.

This Department's Skin Divers were called upon on numerous occasions to dive for stolen property, at drownings, and for boats in distress and will continue this service whenever possible.

I would like to thank the Chief of State Police for allowing us to go on their frequency, also the Commanding Officer of Troop "D" and his Troopers for their help, cooperation and service given us this past year. I would like also to thank the Rockland Police Department, Sheriffs Department, Thomaston Fire Department, Newspapers, and Radio Station for their assistance this year.

I wish to close this report by thanking the Town Manager, Selectmen, Clerk, and Citizens for their help and cooperation this past year.

Respectfully submitted,
RICHARD H. JOHNSON
Chief of Police

REPORT OF BUDGET AND PLANNING COMMITTEE

The Thomaston Budget and Planning Committee held eleven meetings during the past year with an average attendance of 10 members.

Officers elected for the year were Alexander Donaldson, Chairman; Dana Smith, Vice Chairman; and Robert Stackpole, Secretary.

Of the eleven meetings held, four were called to act on petitions to locate trailers within the town limits, one to act on a petition to operate an automobile junk yard and one to act on a petition to build a garage in a location which did not meet the specifications set forth in the town ordinances. The other five meetings were devoted to study and action on the various articles of the town warrant.

The Chairman wishes to take this opportunity to thank all members who cooperated in successfully completing the tasks of this Committee.

Respectfully submitted,
ALEXANDER DONALDSON

REPORT OF CHIEF OF FIRE DEPARTMENT

To the Town Manager and Board of Selectmen of Thomaston:

I have the honor to submit herewith the report of the Department for the year ending January 31, 1965.

During this period the Department responded to a total of 79 calls as compared to 96 in the preceding year with 12 calls for assistance to other towns as compared to 14 in the previous year. Classification of calls as follows: Buildings 10; chimneys 5; oil 7; grass and brush 13; electrical 1; automotive 5; emergency 7; and miscellaneous 31. Property loss for the year amounted to \$2,730.00, approximately \$1.00 per capita. We sustained no injury to personnel and no damage of consequence to equipment.

ADDITIONS AND IMPROVEMENTS: Again thru competitive bidding we were able to add an extra 150 feet of 2 1/2 inch hose over and above the amount budgeted for. By the same means a considerable saving was realized on the purchase of air bottles, rubber coats, helmets, gated valves and a booster nozzle. Thru assistance to towns outside the Mutual Aid Pact a substantial sum of money was earned. Repairs to the station consisted of repainting the front office and covering the cement floor with battleship linoleum, painting bathroom floor, completely refinishing assembly room and installing formica counter top. Much needed kitchen equipment was purchased by the Auxiliary. Minor repairs were made to the tank truck. Improvement was made in the Georges, Booker and North Street area of the hydrant system as provided for in the 1964 budget. All hydrants were flow tested, the results tabulated and each hydrant appropriately banded.

STATION ACTIVITY: Our facilities were freely used by various civic organizations during the year and the Department participated in the Memorial Day and 4th of July observances. We were hosts to the Knox County Mutual Aid Association in October and the Knox County Firemen's Association at a supper meeting in January. The Department and Auxiliary cooperated with Williams-Brazier Post and the Chamber of Commerce in presenting the Christmas party for school children. A total of 24 drills in-

cluding 3 sessions of a State Forestry school were held and a series of 10 indoor drills under the direction of the State Board of Education are currently being held.

APPROPRIATIONS AND RECOMMENDATIONS: Our budget for 1965 calls for the usual purchase of hose, also the addition to our equipment of a chain saw and smoke ejector. We recommend a further appropriation to the Truck Purchase Reserve Fund for the eventual replacement of the tank truck.

In concluding my report, may I again express my appreciation to all who have cooperated with us during the past year.

Respectfully submitted,

EDWIN A ANDERSON
Fire Chief

REPORT OF OVERSEER OF THE POOR

	Appro- pirated	Supplemental & Credits	Expended	Unexpended or Overdraft
Town Poor	2,500.00	67.50	4,826.77	2,259.27 OD

Other Town Poor	\$2,050.44	1,642.54	407.90
State Poor	1,669.06	1,590.24	78.82

The Surplus Food is distributed to eligible recipients once each month. Standards of Eligibility and commodity allocation are prescribed by the State. The town's only pecuniary responsibility is freight cost.

The following was distributed during fiscal year 1964:

Butter	1410 lbs.	Dry Beans	1992 lbs.
Dry Milk	3024 lbs.	Cheese	270 lbs.
Lard	1348 lbs.	Peanut Butter	552 lbs.
Flour	5950 lbs.	Meat - Chopped	2565 lbs.
Corn Meal	2050 lbs.	Rolled Wheat	1512 lbs.
Rice	844 lbs.		

Respectfully submitted,

H. E. A. DUNPHY
Overseer of the Poor

REPORT OF PUBLIC HEALTH NURSE

Your public health nurse, a member of the Division of Public Health Nursing, visited Thomaston sixty-two times, doing home visits and holding child health conferences, school physical examination and immunization clinics. Table 1 lists the number of times the nurse rendered an activity by selected nursing activities.

<u>Nursing Activity</u>	Table 1	<u>Number of Times Rendered</u>
Home visit		152
Child Health conference		10
School physical examination clinic		5
Immunization clinic		5

Home visits were made to families to promote mental and physical health. These visits were made to healthy individuals, to those with tuberculosis and other communicable disease, to the crippled, the cardiac, the diabetic, the mentally retarded and emotionally disturbed. Twenty-one home visits were made to give nursing care under the direction of private physicians. Teaching healthful living and the prevention of accident and disease was the aim.

Table 2 presents the number of home visits completed by age.

<u>Age of Person Visited</u>	Table 2	<u>Number of Home Visits</u>
School (6 - 20 years)		56
Adult (21 - 64 years)		42
Pre-school (1 - 5 years)		22
Aged (65 years and over)		19
Infant (0 - 1 year)		13

Infants and pre-school children were given physical examinations and all necessary immunizations and parents were counselled by the physician at the child health conference. Table 3 presents the number of children immunized by the type of immunization given.

Table 3

<u>Type of Immunization</u>	<u>Number of Children Immunized</u>
Smallpox	241
Polio (Sabin)	237
Diphtheria	133
Tetanus	133
Whooping Cough	24

Physical examinations to children in the first, fourth and eighth grades and all necessary immunizations were given by the school physician in the school health program. Your public health nurse made arrangements for the tuberculosis testing program done by Dr. Alta Ashley, District Health Officer. Your nurse made visits to families of children with positive tests according to medical recommendations. Teacher-nurse conferences were held concerning problems of individual children.

The cooperation of the Health Council, the school personnel and the town officials is greatly appreciated.

Respectfully submitted,

BERYL BORGERSON, R.N.
Public Health Nurse

THOMASTON PUBLIC LIBRARY

The year 1964, as you will note from the report of the Librarian, was a good year at the Thomaston Public Library.

Income from available funds was as follows:

General Library Fund:	\$3,434.26
Fines, etc.	142.90
	<u>3,577.16</u>
Emma E. Counce Fund	899.23
Christine E. Moore Fund	1,216.91
Total Income	<u>\$5,693.30</u>

Expenditures were as follows:

Salaries (Librarian & Assist.)	\$3,000.00
Trainee & Substitutes	192.06
Rent	1,440.00
Electricity	293.90
Supplies	46.32
Group Insurance	15.92
Miscellaneous	67.22
Total Expenditures	<u>\$5,524.82</u>

These expenditures were made from the three funds as follows:

General Library Fund	\$3,902.07
Emma E. Counce Fund	1,185.75
Christine E. Moore Fund	437.00
	<u>\$5,524.82</u>

Income from the Library Book Fund was \$4,465.01. Expenditures were as follows:

Books	\$4,277.60
Magazines	290.05
Newspapers	117.50
Binding and Rebinding	441.10
Miscellaneous	10.25
	<u>\$5,137.40</u>

Of the amount expended \$1,838.23 was for books placed in the Branch Library at Georges Valley High School, of which more than \$600 was authorized but not expended in 1963. This Branch Library is working out very well, under the efficient direction of Mrs. Elizabeth Grafton, Assistant Librarian.

The window display of books, arranged by Mrs. George Buck, Assistant Librarian, have been varied and appropriate.

Again this year, the library staff has produced the necessary reference material for 65 essays on "Historic Trails" recently entered in a contest sponsored by the National Society DAR through General Knox Chapter.

A page in the Library record book has been subscribed in memory of Mr. Frank D. Elliot, a Trustee for 40 years, who died October 27, 1964. He had the interest of the library at heart and is sadly missed.

Respectfully submitted,

R. O. ELLIOT
President

HARRIET R. WILLIAMS
Secretary
Board of Trustees

LIBRARIAN'S REPORT

I herewith submit the report of the Thomaston Public Library for the year ending January 31, 1965.

Number of books added to the Library:

By purchase	686
By gift	186
	<u>872</u>
Number of cataloged volumes	10,566
Number of volumes placed in the Branch Library at G. V. H. S.	433
Volumes circulated Feb. 1, 1964 to Feb. 1, 1965	22,068
Average daily circulation	108
New cards issued	138
Total number of active borrowers	959

A study of these figures show that our circulation continues to increase; that we have fewer active borrowers than last year, probably due to the fact that no cards are now issued to out-of-town students. The school library seems adequate for most of their needs. Our program of weeding out worn and out-dated books is being carried on as usual.

During Children's Book Week in November, school classes were invited to the Library for a period of instruction in its use. Recently the Library has placed on permanent loan in the Grammar School, a set of 1965 World Book Encyclopedias.

The Summer Reading Program was received enthusiastically, as usual. Movies furnished by the Maine State Library plus awarding of reading ribbons added to the program. We are grateful to all who helped to make it a success and to other friends of the Library who have kept our rooms supplied with flowers and have loaned us items for displays.

At present, we look forward to observing National Library Week, April 25 - May 1, under the direction of John R. Egerton, who represents Knox County on the State Committee for National Library Week.

Respectfully submitted,

RUBY B. MORRISON, Librarian

REPORT OF TREE WARDEN

The following is a report concerning shade tree work for 1964:

Elm trees removed	4
Elm trees pruned	63
Maples removed	1
Maples pruned	21

In addition to the above, the trees on the Mall and those surrounding the Mall, were sprayed twice.

In the course of work on elms, each tree is examined for signs of Dutch elm disease. None were found in 1964.

To date, only one case of Dutch elm disease has been found in Thomaston. This case was found in 1963.

In other parts of the state, Dutch elm disease is spreading rapidly. This indicates that a continued program of elm tree sanitation in Thomaston will help hold it in check as it has done in the past.

Respectfully submitted,
HARRY A. GOODRIDGE
Tree Warden

Albert Anderson	Grammar School (part time)
Harland Keyes	Lura Libby School

CONVEYANCE

Albert Anderson	James O'Neil
Attendance Officer	Harland Keyes

When school opened last September our faculty was enhanced by three new teachers. Miss Georgette Hamel was hired to teach Grade 3 at the Lura Libby School. She has a Bachelor of Science Degree from Farmington State Teachers College and has five years of experience as a classroom teacher. Miss Wanda Callahan is teaching Grade 2 at the Lura Libby School. She has a Bachelor of Science Degree from Farmington State Teachers College and this is her first year of teaching. Mr. Earl Sprague was hired to teach Grade 6 at the Thomaston Grammar School. He is a graduate of Farmington State Teachers College and has had six years of experience.

Efforts are being made to strengthen the areas of science, mathematics and reading in all grades.

Some of the teachers at the Lura Libby School have undertaken a cooperative teaching effort which capitalizes on teacher strengths and insures a better planned and executed program. We feel that the children have gained considerably through this endeavor.

Mr. Harland Keyes has been transferred as custodian from the Thomaston Grammar School to the Lura Libby School. Mr. James O'Neil has become custodian at the Thomaston Grammar School. He is also a bus driver for the town of Thomaston.

General school costs have increased this year. The Georges Valley High School total cost to the town of Thomaston for 1965 is \$19,411.52 less than a year ago. The elementary school gross budget shows an increase of \$15,704.49. Even though the elementary school gross budget indicates an overall increase, local appropriations in this budget area have increased beyond this point for the following reasons:

1. The 1964 unexpended balance was \$357.49 as compared to \$6,227.48 of a year ago.
2. Georges Valley Community School District paid the sum of \$7,376.00 to the town of Thomaston this past year for textbooks and equipment. We cannot anticipate these receipts this year.
3. The town will receive \$2,786.00 less State Subsidy this year, because a part of the Subsidy allowance for the secondary program has been transferred to Georges Valley Community School District.

The local appropriation cost for education in grades S.P. through 12 for 1965 shows an increase of \$12,311.96. This is less than 6% increase from the previous year and compares very favorably with state and national averages. Individual town education costs in Maine show an average increase of from 8% to 11% per year. Towns which are in School Administrative Districts show an average increase of 3-1/4% per year.

Respectfully submitted,

GILBERT S. STROUT

STATE OF MAINE

State Department of Audit

Augusta

March 11, 1965

Board of Selectmen
Thomaston
Maine

In accordance with Title 30, Section 5253, Revised Statutes of 1964, an audit has been conducted of the financial records of the Town of Thomaston for the fiscal year ended January 31, 1965.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Within the scope of the examination, the financial transactions were appropriately handled, with such exceptions as may be noted in the accompanying commentary.

In our opinion, the exhibits and schedules incorporated in this report, present fairly the financial position of the Town at January 31, 1965, and the results of its operations for the year then ended.

Respectfully submitted,

ARMAND G. SANSOUCY
State Auditor

COMMENTS
TOWN OF THOMASTON
February 1, 1964 to January 31, 1965

An audit has been completed of the financial records of the Town of Thomaston for the fiscal year ended January 31, 1965. The audit consisted of an examination of the records maintained under the supervision of the Town Manager and municipal officials.

The current year operations showed a gain of \$27,876.05, which was accounted for as follows:

Departmental Operations:	
Unexpended Balances	\$29,102.19
Overdrafts	6,313.34
Net Unexpended Balance	<u>22,788.85</u>
Actual Revenue Over Estimate	<u>5,087.20</u>
Gain For Year	<u>\$27,876.05</u>

The overlay, supplemental taxes and various unexpended balances, particularly in the winter roads account, were the major factors contributing to the net unexpended departmental balance lapsed. The larger overdrafts occurred in the town poor, interest and tax abatement accounts.

The actual revenue amounted to \$24,968.13, as compared with an estimate of \$19,880.93 for the year. The additional revenue was received principally from excise taxes.

* * * * *

The following comments pertain to the accompanying financial statements and to the scope of audit.

ASSETS. . . . The general cash balance of \$37,302.36 at January 31, 1965 was accounted for by being on deposit in the First National Bank of Portland, Thomaston, Maine or by cash on hand. Petty cash of \$50.00 was on hand.

Accounts receivable totaling \$841.15 included for the most part expenditures made for State and other municipalities' welfare recipients and amounts due from individuals for various services.

Taxes receivable amounted to \$18,048.58, of which \$17,529.16 represented current year accounts. The remaining balance of \$519.42 was for uncollected accounts dating from 1962. Tax liens and tax acquired property amounted to \$4,793.63 and \$3,412.80 respectively.

LIABILITIES, RESERVES AND SURPLUS. . . . The short term loan of \$1,200.00 which was issued to finance Watt's Block alterations matures January 29, 1966 with interest at 2-1/2%. Other liabilities consisted of accounts payable of \$18.84 and payroll deductions of \$162.49 due governmental agencies at January 31, 1965.

The appropriation accounts showed a net unexpended balance of \$8,553.78 representing various operating account balances that are carried forward to the ensuing year in accordance with legal requirements and/or customary practice.

Other reserves totaling \$7,794.33 included prepaid taxes, suspense account and an uninvested capital sewer reserve fund. The reserves also include a highway equipment fund established by charging various operating accounts for the use of equipment. The earnings derived from this source were deposited in a local bank. No expenditures were made from this fund during the year.

The unappropriated surplus amounted to \$47,919.08, an increase of \$20,193.63 for the year. The change was occasioned principally by the current year gain from operations, short term note transactions and the proceeds from notes receivable from the Georges Valley Community School District, less authorized transfers for various purposes.

DEBT FUND. . . . The debt fund, incorporated in the balance sheet as a separate fund, reflects the outstanding fire station and revaluation notes of \$28,000.00 and school construction bonds of \$5,000.00. These obligations mature during the ensuing six years with varying rates of interest.

TRUST AND RESERVE FUNDS. . . . Trust funds totaled \$354,466.50 at January 31, 1965. This amount represented principal accounts of \$272,245.96, unexpended income of \$78,660.38, a net gain of \$3,535.16 on sale of securities and an amount of

\$25.00 due the general fund. These funds are invested in various type securities and/or deposits in the First National Bank of Portland, Thomaston, Maine and the Maine Savings Bank, Portland, Maine.

Securities of the Library and Library Book Fund are contained in a safe deposit box in the First National Bank of Portland, Thomaston, Maine. The library trustees, who are not bonded, and the town treasurer have access to the securities.

The school bus capital reserve fund of \$3,146.61, the fire truck capital reserve fund of \$2,000.00 and the Nurse Association reserve fund of \$1,820.62 were on deposit in the Rockland Savings Bank, Rockland, Maine.

During the 1963 year, the selectmen engaged an engineering firm to survey the sewerage conditions of the town. During the current year a \$9,965.00 grant was received from the Federal Housing and Home Finance Agency which was expended for a preliminary sewer survey. The cash balance of \$593.74, on deposit in the First National Bank of Portland, Thomaston, Maine at January 31, 1965, represents the town's obligation to establish this special fund.

DEPARTMENTAL ACCOUNTS. . . . The departmental operating accounts showed an increase of \$47,001.80 in funds raised by taxation, as compared with the preceding year. Larger appropriations for the Georges Valley Community School District and the overlay accounts, less a smaller appropriation for education were the major factors contributing to this change.

The departmental balances carried forward to the ensuing year decreased \$21,388.08, as compared with the balances at the start of the year. The change occurred principally in the revaluation and education accounts.

GENERAL. . . . Estimated revenues to be derived from excise taxes, veteran's tax exemption reimbursement, bank stock tax and the railroad and telegraph tax were used to reduce the 1964 tax levy as authorized by the townspeople.

Transfers from surplus and the issuance of short term loans for Watt's Block renovations also were voter authorized. A short term loan authorized by the townspeople at a special town meeting January 19, 1965 for additional Watt's Block renovations was not borrowed before the year end as the project had not been completed

RECOMMENDATIONS. . . . The following recommendations are worthy of consideration:

As pertains to expenditures for educational purposes not subsidized with the foundation program, such as repairs and capital outlay, it is suggested that balances and operational results of the several accounts should be reported separately.

The tax collector should collect interest on delinquent tax payments as voted by the townspeople.

Excise taxes should be collected on optional automotive equipment.

SCOPE OF AUDIT. . . . The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Count of cash was made and records checked to determine the accuracy of recording cash transactions.

Cash accounts were verified by reconciliation of bank statements furnished by the depositories. Verifications were utilized, on a test basis, to determine the correctness of recorded assets and liabilities.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period. Canceled bonds, notes and bond coupons also were examined.

Excise tax collections were checked with copies of receipts retained by the collector. Trust and reserve fund transactions and investments were checked. Education account balances were checked with the Superintendent of Schools. Appropriations for current year operations were determined by an examination of the records of the town clerk. Surety bond coverage was reviewed.

TOWN WARRANT

State of Maine

To: HAYWARD E. A. DUNPHY, a constable of the Town of Thomaston, in the County of Knox, GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Thomaston in said County, qualified by law to vote in town affairs to meet and assemble at Watts Hall in said town on Monday, the twenty-ninth day of March, A.D. 1965, at ten (10:00) o'clock in the forenoon, Eastern Standard Time, then and there to act upon the following articles, namely:

Article 1. To choose a moderator to preside at said meeting.

Article 2. To choose the following municipal officers:

Selectmen (1 for 3 years)

(1 for 2 years)

(1 for 1 year)

Members of Superintending School Committee

(2 for 3 years)

Assessors (1 for 3 years)

(1 for 2 years)

(1 for 1 year)

Town Clerk for 1 year

Members of the Budget and Planning Committee

(4 for 3 years)

Members of the Park Commission

(3 for 3 years)

Trustee for Georges Valley Community School District

(1 for 3 years)

All other necessary Town Officers and Committees

Article 3. To hear the report of the municipal officers and take such action as may be desirable.

Article 4. To see if the town will vote to carry forward the unexpended balances as shown in their respective accounts:

a. Social Security \$162.49

b. School Fund 357.49

c. Cemetery Maintenance	6,550.95
d. Watts Block	457.66
e. Civilian Defense	43.58
Recommended	

Article 5. To see what sum the town will vote to raise and appropriate for salaries of town officers: (Town Manager, \$5,800.00; Secretary, \$3,640.00; Health Officer, \$50.00; Assessors, \$750.00; Town Clerk, \$75.00; Selectmen, \$550.00).

\$10,865.00 Recommended

Article 6. To see what sum the town will vote to raise and appropriate for town expense, including printing, town reports, elections, general office, office equipment, audit, and contingent expense items.

\$5,880.00 Recommended

Article 7. To see if the town will vote to authorize the Board of Selectmen in behalf of the town to sell or dispose of any real estate acquired by the town for non-payment of taxes thereon, or otherwise, on such terms as they may deem advisable and to execute quit claim deeds for such property.

Recommended

Article 8. To see if the town will vote to charge interest at the rate of one-half percent per month on all outstanding taxes not paid on or before December 1, 1965, said interest to be retroactive to September 1, 1965, with the exception of those participants who are paying taxes under the tax coupon plan who shall be exempt from said interest charge.

Recommended

Article 9. To see what sum the town will vote to raise and appropriate for payment of interest on temporary loans:

\$2,100.00 Recommended from Surplus

Article 10. To see if the town will vote to raise and appropriate the following sums to reduce the town indebtedness and to pay interest charges on same:

a. Lura Libby School Bond	\$5,000.00
b. Revaluation Note	4,000.00

c. Interest 387.50
 \$9,387.50 Recommended

Article 11. To see if the town will vote to raise and appropriate the following amounts for highway purposes:

a. General Highway Maintenance	\$8,750.00
b. Winter and Spring Roads	8,000.00
c. Tar Surface Treatment	7,450.00
d. Sidewalk Reconstruction	1,000.00
\$22,250.00 Recommended by Appropriation	
2,950.00 Recommended from Surplus for Sidewalks and Tar	

Article 12. To see whether or not the town will vote to raise and appropriate the sum of \$250.00 to assist the Thomaston Chamber of Commerce to be expended and used for advertising and promoting the advantages and attractions of the Town of Thomaston.
 Not Recommended

Article 13. To see what sum, if any, the town will vote to raise and appropriate to correct drainage at intersection of Main and School Street and West end of Mall, in conjunction with the Maine State Highway Department, who will install larger culvert across U.S. Route 1, at the State's expense:
 \$3,400.00 Recommended from Surplus.

Article 14. To see what sum the town will vote to raise and appropriate for care of trees within the limits or adjacent to the town ways, and care of the mall.
 \$2,550.00 Recommended from Surplus

Article 15. To see what sum of money the town will vote to raise and appropriate for Health and Sanitation, including sewer maintenance and street cleaning.
 \$1,800.00 Recommended

Article 16. To see what sum, if any, the town will vote to raise and appropriate for rental of dump, to be paid to the City of Rockland.
 \$1,500.00 Recommended

Article 17. To see what sum the town will vote to raise and appropriate for state or state aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Sections 44, 49 and 50, Chapter 23, Revised Statutes of 1954, as amended.

\$5,040.00 Recommended from Surplus

Article 18. To see what sum, if any, the town will vote to raise and appropriate to pay loans authorized at special town meetings as follows:

- a. Renovating Post Office Watts Block \$1,200.00
- b. Renovating Post Office Watts Block 2,065.00

\$3,265.00 Recommended from Surplus

Article 19. To see if the town will vote to raise and appropriate the sum of \$150.00 to be used for the control of contagious disease.

\$150.00 Recommended

Article 20. To see what sum of money the town will vote to raise and appropriate for Public School purposes:

Administration	100	\$ 6,042.22	
Instruction	200	120,838.42	
Attendance	300	50.00	
Health	400	500.00	
Transportation	500	5,631.45	
Operation of Plant	600	17,442.00	
Maint. of Plant	700	2,000.00	
Insurance	800	1,935.40	
Food Service	900	798.00	
Community Service	1100	960.00	
Capital Outlay	1200	<u>2,495.00</u>	
Total Budget			\$158,692.49

Estimated Receipts:

Bal. Jan. 31, 1965 357.49

State Subsidy 38,911.00

Transportation-GVHS 1,700.00

Total Estimated Receipts 40,968.49

Needed Appropriation \$117,724.00

Recommended

Article 21. To see if the town will vote to publish in the Town Report the names and amounts expended for recipients receiving aid in the Town welfare account.

Recommended

ASSESSORS' NOTICE

The Assessors of the Town of Thomaston hereby give notice to all persons liable to taxation in said town that they will be in session at the Town Office in said town, on Tuesday April 5th, Wednesday April 6th and Thursday April 7th, at seven o'clock in the evening for the purpose of receiving lists of the polls and estates taxable in said town.

All such persons are hereby notified to make and bring to said Assessors true and perfect lists of their polls and all their estates, real and personal, not by law exempt from taxation, which they were possessed of, or which they held as guardian, executor, administrator, trustee or otherwise, on the first day of April, 1966 and be prepared to make oath to the truth of the same.

When estates of persons deceased have been divided during the past year, or have changed hands from any cause, the executor, administrator, or other persons interested, are hereby warned to give notice of such change and in default of such notice will be held under the law to pay the tax assessed although such estate has been wholly distributed and paid over.

Any person who neglects to comply with this notice will be DOOMED to a tax according to the laws of the State and be barred of the right to make application to the Assessors or County Commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time hereby appointed.

LETTER OF TRANSMITTAL

TO: The Board of Selectmen
and the Citizens of Thomaston:

The activities of your Municipal Government, for the fiscal year ending January 31, 1966, are summarized in the annual report for your information and evaluation.

Your inspection of the respective reports of the various departments, boards and committees will reveal that this has been an active year for your Municipal Government as it provided the services demanded by its citizens.

I appreciate the cooperation extended to me by the Board of Selectmen, the Budget Committee and the several committees and citizens in the stewardship of town affairs. Your town benefits directly in proportion to the interest and participation its citizens take in their local government.

It is hoped that this annual report supplies the citizens with sufficient information and data to enable them to make critical evaluations and create the desire to participate actively in their local government.

Respectfully submitted,

DANA H. JACOBS
Town Manager

TOWN MANAGER'S REPORT

TO: The Board of Selectmen and Citizens of Thomaston:

The activities of your Municipal Government for the fiscal year ending January 31, 1966, are summarized in the following pages for your information and critical evaluation.

Your inspection of the respective reports of the various departments, boards and committees will reveal that the town has completed its activities reasonably within its budgetary limitations as indicated in the report of departmental expenditures. In general, budgetary control and an increase in anticipated revenue enabled the town to complete the fiscal year with a modest net operating gain. This leaves your town with a good financial posture which will enable it to meet next year's obligation on a favorable footing. This fact is borne out in the Financial Operating Statement, Comparative Balance Sheet, Statement of Assets and Liabilities, Statement of Change in Unappropriated Surplus and Treasurer's Report and other relevant schedules and exhibits.

During the year the engineering firm of Whitman and Howard, Inc., Boston, Massachusetts, was retained to prepare final plans and costs estimates for the construction of a sewerage treatment plant, interceptors, pumping stations and force mains incidental to constructing a sanitary sewer treatment facility. This report is to be completed and in the hands of the Home and Housing Finance Administration regional office by May 30, 1966. At that time the next steps to be taken by the town will be indicated which will include financing and construction of the sewer facility.

I wish to express my appreciation to the Board of Selectmen, Assessors, Budget and Planning Committee, Department Heads and Town Officials, together with the office personnel for their splendid cooperation.

Respectfully submitted,

DANA H. JACOBS
Town Manager

Notice To Veterans Desiring Exemptions

No exemptions on polls and estates shall be allowed in favor of any person who is not a legal resident of the State; and provided that any male or female veteran, or blind person, who desires to secure exemption shall, on or before the first day of April, notify in writing the assessors of the cities, towns and plantations in which he or she resides, and furnish proof of entitlement. Such notification once made need not be repeated in subsequent years.

Chapter 92, Section 6, Revised Statutes 1954.

All male residents over the age of 70 years desiring exemption from poll tax, shall notify the assessors in writing prior to April 1, 1966.

With regret I must report a teen-ager was killed in a motor vehicle on our streets, also numerous others were badly injured on our streets as a result of Motor Vehicle Accidents this past year. Sex Crimes by adults against our children, Housebreaks, Forged Checks, Malicious Mischief and Larcenies were reported to this Department this past year. I am happy to report most of these crimes were solved and Criminal Action brought against the subjects involved.

Members of this Department attended Schools or Seminars on Safety, Riot Control, Maine's New Rules on Criminal Procedure and Police Work in general.

On numerous occasions we were called upon for Oxygen this past year and as a result new Life Saving Equipment is now being carried in our Police Cruiser.

Officers from this Department made safety talks at three of our Schools this past year.

I would like to thank the members of Troop "D", Rockland Police, Sheriff's Department, Maine Highway Safety Committee, Thomaston Fire Department, Newspapers, and WRKD for their assistance this past year.

I wish to close this report by thanking the Town Manager, Selectmen, Clerk and Citizens for their help and cooperation this past year.

Respectfully submitted,

RICHARD H. JOHNSON
Chief of Police

**REPORT OF
CHIEF OF FIRE DEPARTMENT**

To the Town Manager and Board of Selectmen:

It is my pleasure to submit to you, the report of the Fire Department for the period ending December 31, 1965.

This has been somewhat of a hectic year, with the passing of our late Chief, Edwin Anderson and our new Chief Orrin Benner having a severe coronary in mid September.

As your Acting Chief, I would like to take this opportunity to thank the Officers and Men for aiding me, and helping me carry the load for the remainder of the year. It certainly gives me a good feeling, knowing the Department has such reliable men that can be depended upon.

During the period from January 31, 1965 to December 31, 1965, the Department responded to a total of 54 calls, as compared to 79 the previous year. Calls for assistance to other towns were 6 compared to 12 the previous year. Other calls by classification are as follows: Buildings, 3; Chimneys, 7; Oil Burners, 5; Grass, 10; Autos, 5; Emergencies, 13; Miscellaneous, 5. Property damage was \$2,392.00. No personal or damage to equipment of any consequence was sustained during this period.

ADDITIONS AND IMPROVEMENTS: This year, we have advanced to a better grade and higher test hose. Again through competitive bidding, we were able to get within 50 feet of the hose we budgeted for. We have also added to our inventory 1 smoke ejector and, by bidding, we were able to save a considerable amount of money. Through giving assistance to other towns, we were able to add a considerable amount of money to our account.

STATION ACTIVITIES: Again this year our Station facilities were used by many civic organizations. We were host to the Mutual Aid Association in October. The Department and Auxiliary held a dedication ceremony in November for our late Chief, Edwin Anderson. A plaque was presented and hung in the assembly room. The Department and Auxiliary again cooperated with

the Williams-Brazier Post A.L., and the Chamber of Commerce in giving an Xmas tree, for the children. Through the efforts of men of the Department and Auxiliary badly needed tables were added to our station facilities. Through Civil Defense another engine was installed on the generating plant in the Station. The original one went to pieces last summer. Other than a few minor adjustments this unit is in operating order. Again this year the Department has applied for the State School drills and the advanced Forestry course.

APPROPRIATIONS AND RECOMMENDATIONS: You will note an increase in the budget this year. This is due to an increase in wages and adding needed equipment to our inventory. The Chief's increase and the Department increase is minor. The two Assistants' increase is the one of subsequence. Due to the present set-up they have to assume more responsibility. Therefore, I feel the increase is warranted.

As you know, we depend on men who are on Social Security to man our station. This year there has been an increase in their allowable earnings. I have presented two schedules for your consideration. Schedule #1, calls for two men, 1 working 4 days one week and 3 days the next. The second man would work the opposite. The third man would be hired for vacations only. Schedule #2, calls for 3 men, 2 men working 3 days each and the third man working 1 and relieving on vacations. This schedule, of course, means more money than Schedule #1 but would be the one I'd recommend due to the difficulty we have in finding men for the job. Schedule #2 is the one we are presently on.

We want to purchase 1 Air Mask this year. This will complete the second team of two men each, also permitting us to use two, 2 man teams to go into gas filled and smoke filled buildings for rescue and to carry out their firefighting duties. It is also a safety feature. We are also asking for coats and helmets this year. This will put us in pretty good shape as far as protective clothing goes. Another item of subsequence is the badly needed repairs on the front end pump on the tank truck.

Again we are asking for money for additional hose, also for \$2000.00 for our truck fund. This is for the eventual replacement

of the tank truck which is now 18 years old. We also hope to paint out the Chief's office and attendants' bedroom.

In concluding this report, I want to take this opportunity again to express my deepest appreciation to all those who have aided and cooperated with the officers and men of the Fire Department this past year.

Respectfully submitted,

George Grafton
Acting Chief of the Fire
Department

REPORT OF PUBLIC HEALTH NURSE

Your public health nurse, a member of the Division of Public Health Nursing, visited Thomaston sixty-one times. She met with members of the community to plan for the school health program. She rendered direct service to individuals, families and groups for planned community health activities. She attended meetings of the Health Council. Selected nursing activities are listed in Table 1.

TABLE 1

<u>Nursing Activity</u>	<u>Number of Times Rendered</u>
Home Visit	144
Child Health Conference	6
School Physical Examination Clinic	6
Immunization Clinic	5

Service was given according to the known needs of the community for public health nursing care, supervision and counseling. This year your nurse received referrals from families, school examining physician, child health conference physician, workers from the Bureau of Social Welfare, teachers and private physicians. The type of case seen was varied and is shown in Table 2 with the number of visits to and in behalf of individuals.

TABLE 2

<u>Type of Case</u>	<u>Number of Visits Completed</u>
Morbidity (unclassified illness)	56
Health Supervision	32
Cancer	21
Eye Problem	19
Communicable Disease (including tuberculosis)	12
Crippling Condition	11
Mental Health	9
Arthritis	6
Maternity	4
Cardiac	3
Mental Retardation	3
Diabetes	2
Ear Problem	2
Nutrition	1

Multiple Sclerosis	1
Dental Problems	<u>1</u>
Total	183

Thirty-seven infants and pre-school aged children were given medical examinations and necessary immunizations by the attending physician at the child health conferences. The parents were counseled by the public health nurse.

In the school setting your public health nurse planned for and assisted with school physical examination and immunizations. She did hearing tests on those children with a question of a hearing loss. She arranged for the tuberculosis testing done by Alta Ashley, M.D., Health Officer, District III. Nurse-teacher conferences concerning problems of individual children were held as needed. Your public health nurse visited the families of school children as recommended by the school physician.

Table 3 presents the number of children immunized by the type of immunization given.

TABLE 3

<u>Type of Immunization</u>	<u>Number of Children Immunized</u>
Oral Polio Vaccine	250
Diphtheria-tetanus Toxoid	118
Small Pox Vaccine	103
Whooping Cough Vaccine	24

The cooperation of the health council, the school personnel and the town officials is greatly appreciated.

Respectfully submitted

BERYL BORGERSON, R.N.
Public Health Nurse

THOMASTON PUBLIC LIBRARY

Incorporated in the report of the Librarian is mention of the various activities of the library during the past year, so we will make no mention of them.

Quarterly meetings of the Trustees have been held, at which the Librarian has been present with her problems, and library affairs have been discussed thoroughly.

Income from funds available for general library operation (exclusive of the Book Fund) was \$6,210.74. Cost of operation was \$5,942.29, as follows:

Librarian	\$1,800.00
Assistant	1,200.00
Janitor	600.00
Trainee & Substitutes	106.00
Rent	1,760.00
Electricity	301.95
Legal	15.00
Group Insurance	98.92
Miscellaneous	60.42
	<u>\$5,942.29</u>

Income from the Book Fund was \$4,630.77; expenditures were as follows:

Books for Library Shelves	\$2,984.77
Books for Branch Library	1,032.40
Special Reference Books for	
School Children	393.77
Magazines	239.25
Newspapers	93.50
Binding and Rebinding	138.24
Book Covers, etc.	108.55
	<u>\$4,990.48</u>

Again this year the library staff produced the necessary reference material for 150 essays on phases of George Washington's Farewell Address, recently entered in a contest sponsored by the National Society DAR.

The Trustees wish to make public acknowledgment of a framed print of Andrew Wyeth's painting "Her Room", presented to the library by Miss Pauline Bill and Mrs. Madge Fairfax.

Thanks is also extended to the Thomaston Garden Club for the beautiful flowers furnished by them during the year.

Respectfully submitted,

RICHARD O. ELLIOT

President

HARRIET R. WILLIAMS

Secretary

Board of Trustees

LIBRARIAN'S REPORT

I herewith submit the report of the Thomaston Public Library for the year ending January 31, 1966.

Number of books added to the Library	
By purchase	996
By gift	<u>112</u>
	1108
Number of catalogued volumes	9648
Number of books added to Branch Library at G.V.H.S.	307
Number of catalogued volumes	4000
Volumes circulated Feb. 1, 1965 to Jan. 31, 1966	20585
Average daily circulation	105
New cards issued	130
Total number of active borrowers	1045

The Public Library is now supplying only a nominal number of books to the High School students. Because the Library at GVHS seems adequate for most of its needs, we are now concentrating on building the Reference Section of our Public Library to meet the needs of the Grammar School students. Over two hundred non-fiction books recommended for their respective age groups have been added to the shelves in the youth sections. Many more books in various classifications are on order.

A successful Summer Reading Program which included Story Hours for the younger children, was conducted by Mrs. Morrison. She was assisted by Volunteers to whom we express our appreciation. Movies from the State Library were shown and award ribbons were presented to the children at the end of the program.

During Children's Book Week in November special exhibitions of children's books were on display. Mrs. Mary C. Jane, author of children's books was our guest and spoke to an enthusiastic combined Fourth Grades. Two other Grammar School grades were invited to the Library where they were given instruction in using the card catalog.

The floral displays and the Christmas decorations which have been arranged by our Library friends have made the rooms particularly attractive and pleasant to visit. We are grateful to all who have contributed; and, also, thank our Junior Volunteer, Miss Eve Hendrickson, who gives her assistance to the Library one afternoon each week.

Our objective is to provide books that will give the individual enjoyment as well as self-education. We urge the public to visit the Library and become better acquainted with its facilities.

Respectfully submitted,

ALICE M. BUCK

Librarian

REPORT OF TREE WARDEN

The following is a report concerning the work done in 1965 on the town shade trees:

Pruning	63 elms, 4 maples
Removals	2 elms, 2 maples
Cabling	2 elms

In addition to the above, all street-side elms were sprayed once and the mall trees twice.

All trees in the mall were fed.

All elms worked on were examined for Dutch elm disease symptoms. None was found.

Because of the constant threat of Dutch elm disease, the program of elm sanitation should be continued.

Again, because of the Dutch elm disease threat, the maples in town have been somewhat neglected. This neglect, coupled with the general decline of maples all over the eastern part of the United States, has resulted in Thomaston's maples not being in as healthy a condition as they should be.

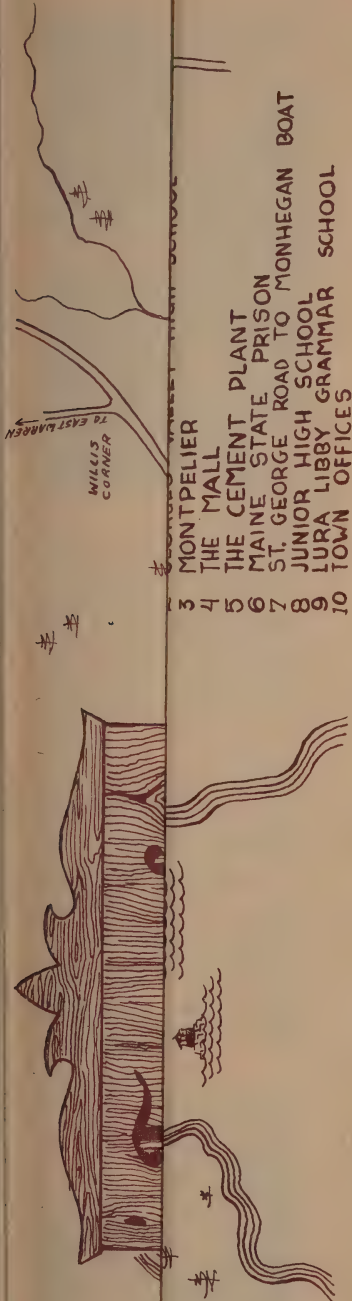

A 1966 appropriation of \$500 would go far toward correcting this condition.

Respectfully submitted,
HARRY A. GOODRIDGE
Tree Warden

Again, because of the Dutch elm disease threat, the maples in town have been somewhat neglected. This neglect, coupled with the general decline of maples all over the eastern part of the United States, has resulted in Thomaston's maples not being in as healthy a condition as they should be.

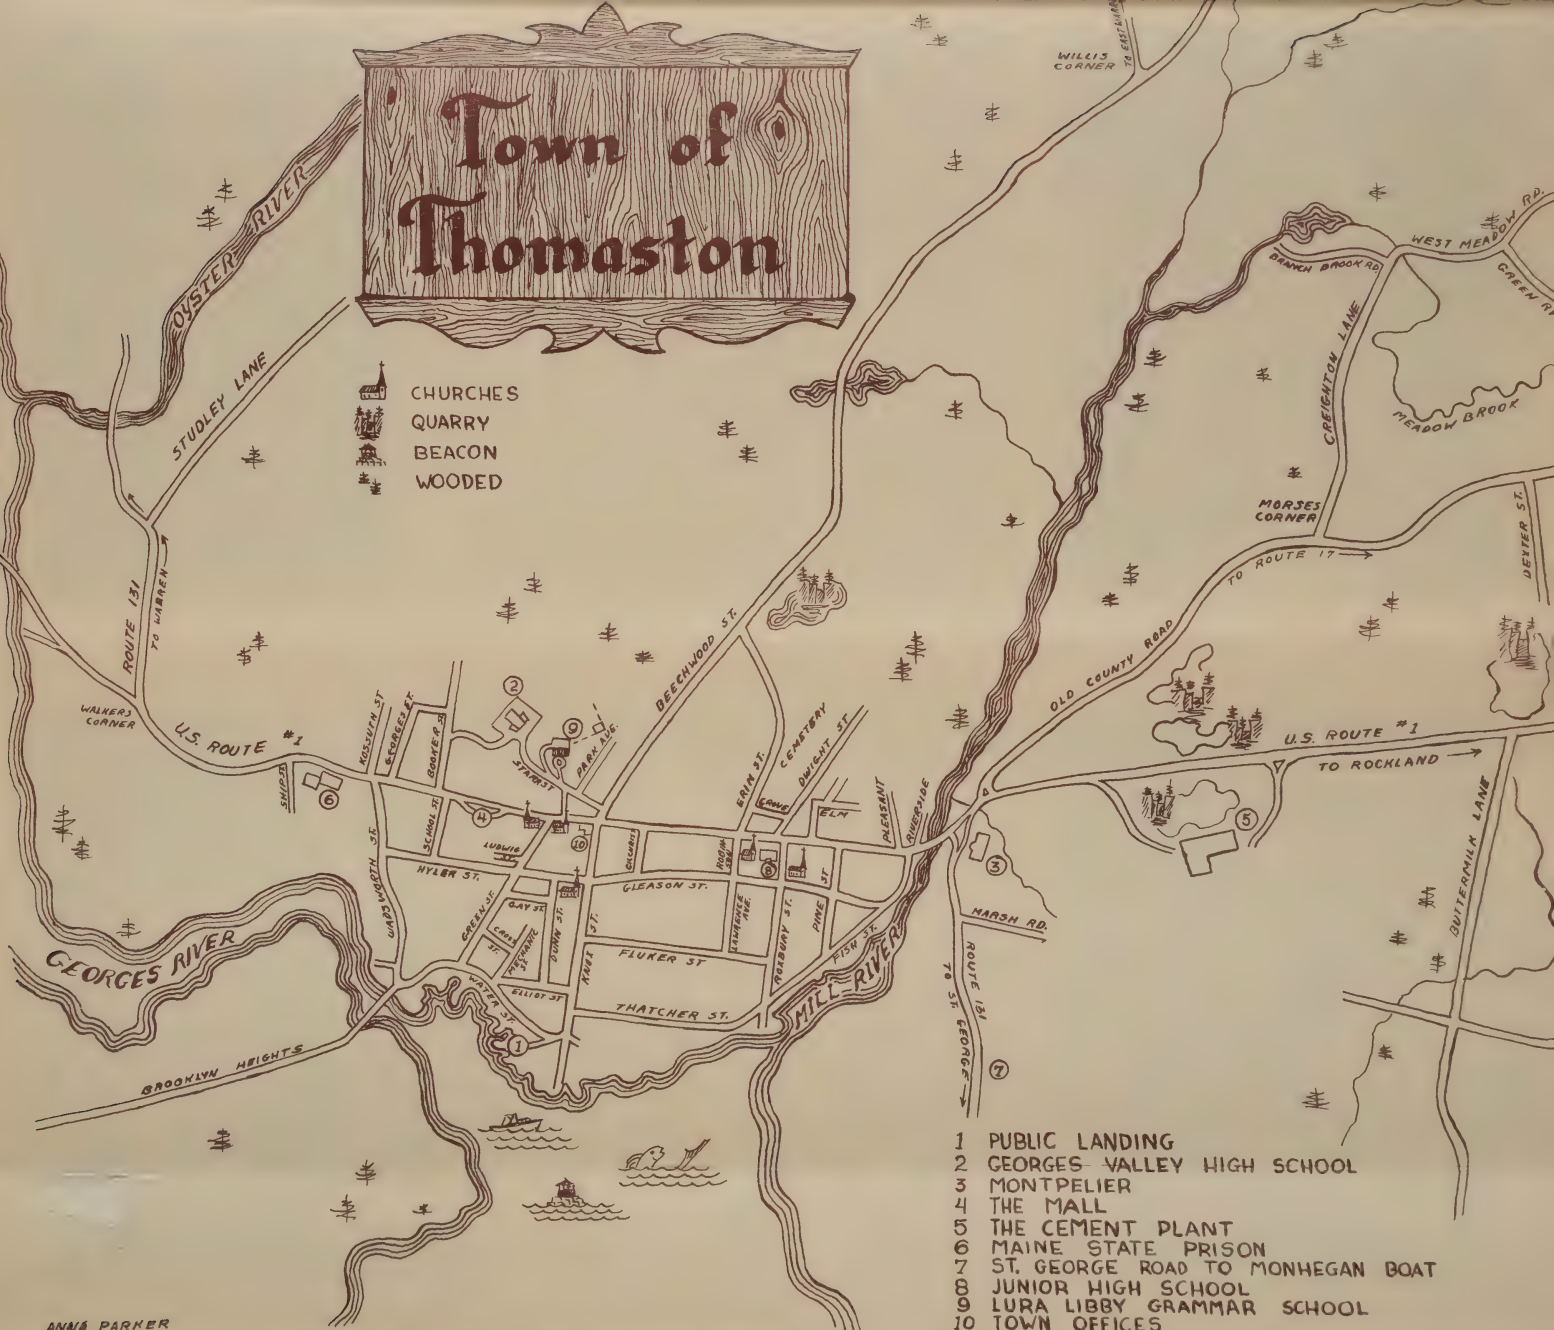

A 1966 appropriation of \$500 would go far toward correcting this condition.

BUSINESS SECTION

Thomaston is ideally situated for the vacationer, on Route 1 between Rockland and Waldoboro, less than 40 miles from Augusta, the State Capital, and is directly in the center of the Coastal Area, where one may travel with ease to any of the summer theatres or resorts and back to the quiet of this little town all in the same day.

Thomaston is an ideal location for any type of industry, and at present boasts the only cement plant in New England, a canning factory that has for fifty years put up only the best of many products. Freight, the bus lines, and an airport operated by local people that can whisk you to any point, and Northeast Airlines just a few minutes away. This community of 3000 welcomes any persons or organizations to this town.

DRAGON CEMENT COMPANY

As one walks the hilly streets houses of amazing character greet the eye at every turn, some of ship-lapped, pilastered design, some of true Maine lowdown dimensions and some with doorways which have been admired and copied by architects. Thomaston is an aesthetic feast for the lover of fine old houses.

The photograph below shows the Georges Valley High School, located in Thomaston. This recently erected and newly accredited High School with modern up-to-date programs for students in Grades 9 through 12, serves the towns of Cushing, St. George and Thomaston.

This Community School District endeavor can boast of having received both State and New England Accreditation Awards during the first two years of operation.

Nearly 60% of the 1965 graduating class members were scheduled to enter post secondary schools in the fall.

THE MALL

From the water Thomaston has always been known to yachtsmen who remember with enthusiasm the scenic beauty of the cruise from the open sea up the Georges River 10 miles to the harbor; spruce-spined hills and rock ledges on port and starboard as their craft followed the buoys to the wharf.

Within a few miles of Thomaston the vacationer can reach the tumbling surf of the broad Atlantic; can visit the picturesque fishing villages of Port Clyde, Friendship and Spruce Head; can clamber over the ancient ledges of Pemaquid and Owl's Head; or can drive to the top of Mt. Battie located in Camden, where a magnificent view of the coastal area may be obtained; or visit one of a hundred fresh water lakes where fish will take your fly or lure.

It is not strange that people who have once visited Thomaston return year after year.

SHIPBUILDING IS A TRADITION

A THOMASTON HOME

Thomaston has been called the most beautiful village in New England and with the charming homes on the hilly streets all leading down to the water. Many of the descendants of these old shipmasters still live in these homes overlooking the Georges River where in 1605 Captain George Weymouth sailed up the St. Georges River in the earliest exploration of New England.

The shoreline and tidewater at Thomaston has been the scene of shipbuilding and seafaring for nearly two centuries. Some of the finest ships of the day were made at Thomaston and sailed from this colorful, coastal town on the banks of the Georges River.

Today, Thomaston still remains a shipbuilding center and in keeping with the growing interest in small boats and pleasure boating, has a launching ramp and docking facilities available to the present day seafarer.

MONTPELIER

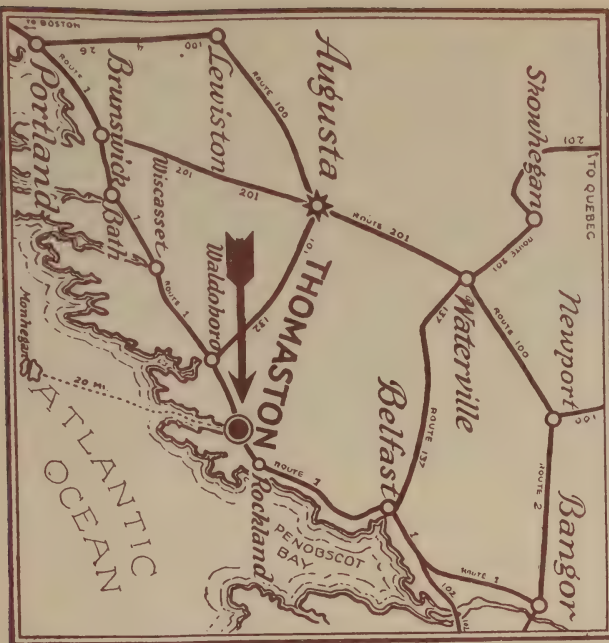

Thomaston's most romantic memories cluster around General Henry Knox, Chief of the American artillery during the Revolution and Washington's first Secretary of War, and his handsome and imperious wife, Lucy Fluker. Waldo's granddaughter, she had inherited most of the famous Waldo Patent, and when Knox resigned from the cabinet in 1795, he retired to Thomaston to exploit his vast holdings. Here he built "Montpelier", the finest mansion in Maine, where he lived in baronial splendor, entertaining many of the famous men of the time, quarrying and burning lime, planting, building mills, and encouraging all local good works. A faithful replica of Montpelier, containing much of the original furniture, now stands on a slightly hilltop overlooking Thomaston.

-----------------	--------------

This past year we have experienced many changes, not only in personnel but in organization as well.

The teachers who are new to our system are:

Mr. Martin Dodge, Science teacher of grades 6-7-8 at the Thomaston Grammar School. - Mr. Dodge is graduated from Colby College and this is his first year of teaching.

Mr. Freeman Garniss, part time vocal music teacher for both schools and Georges Valley High School. - Mr. Garniss received his B. S. degree from Boston University and his M. A. from Harvard. He has many years of excellent experience.

Mr. John Parker, part time band instructor at Thomaston Grammar School. - Mr. Parker received his B. A. degree from the New England Conservatory of Music, Boston and has had six years teaching experience in the public schools.

Mrs. Aune Bragdon, teacher of grade five at the Thomaston Grammar School received her B. S. degree from Farmington Teachers College and has many years experience in teaching.

Miss Ina Hawley, girls physical education teacher, received her B. A. degree in Philosophy at Boston University and her Master's in Education at Temple University in Philadelphia. This is her first year of teaching.

Mr. Donald Palmer, boys physical education instructor at the Thomaston Grammar School received his B. S. from Aroostook State Teachers' College. This is his first year of teaching.

During this past year we have participated in the Federal Elementary-Secondary School Act and have received federal funds to sponsor two projects. The Thomaston Grammar School was awarded \$2,834.58 to set up two educational research centers for children in that building. This project should be completed by the end of March.

The Lura Libby school was awarded the sum of \$1,800.00 for an additional part-time teacher. Mrs. Ruby Morrison has been working with small groups of youngsters in that capacity since Christmas Vacation. This program not only helps the youngsters with whom she works, but the classroom teacher has more time to devote to larger groups.

The Superintending School Committees of Union #72 reorganized the music programs this year so that Mr. Freeman Garniss has been responsible for all vocal music and Mr. John Parker is responsible for all band instruction. This has proven very satisfactory.

Grade six at the Thomaston Grammar has become semi-departmentalized this year for the first time. This has permitted a better use of teacher strengths in grades 6-7-8.

The Lura Libby School addition has had a serious condensation problem for some time between the roof deck and the ceiling. More adequate ventilation has been given this area and we believe the problem has been solved.

Cushing 7th and 8th grade students have been attending the Grammar School since September. This accounts for approximately \$2,000.00 of the balance at the end of the year. At this time last year, we were not certain of this situation and therefore could not allow for it in the budget.

ANNUAL REPORT

Thomaston became a part of School Administrative District #50 on February 4, 1966. From this time on, all school costs will be acted on by voters from all three towns. The splendid interest in your schools is still solicited.

Respectfully submitted,

GILBERT S. STROUT

STATE OF MAINE

State Department of Audit

Augusta

March 7, 1966

Board of Selectmen
Thomaston
Maine

In accordance with Title 30, Section 5253, Maine Revised Statutes Annotated of 1964, an audit has been conducted of the financial records of the Town of Thomaston for the fiscal year ended January 31, 1966.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the exhibits and schedules incorporated in this report, present fairly the financial position of the Town at January 31, 1966, and the results of its operations for the year then ended.

Respectfully submitted,

ARMAND G. SANSOUCY
State Auditor

AGS:lf

COMMENTS
TOWN OF THOMASTON
February 1, 1965 to January 31, 1966

An audit has been completed of the financial records of the Town of Thomaston for the fiscal year ended January 31, 1966. The audit consisted of an examination of the records maintained under the supervision of the Town Manager and municipal officials.

The current year operations showed a gain of \$27,896.24, which was accounted for as follows:

Departmental Operations:	
Unexpended Balances	\$20,505.41
Overdrafts	4,449.41
Net Unexpended Balance	<u>16,056.00</u>
Actual Revenue Over Estimated	11,840.24
Gain For Year	<u>\$27,896.24</u>

Revenue derived from town clerk's fees, supplemental taxes, and the overlay plus numerous unexpended balances, less overdrafts in the town expense, tax abatement and old age assistance accounts were the major factors contributing to the net unexpended departmental balance.

The actual revenue amounted to \$31,620.22, as compared with an estimate of \$19,779.98 for the year. The additional revenue was received principally from excise taxes.

* * * * *

The following comments pertain to the accompanying financial statements and to the scope of audit.

ASSETS. . . . The general cash balance of \$38,999.23 at January 31, 1966 was accounted for by being on deposit in the First National Bank of Portland, Thomaston, Maine or by cash on hand. Petty cash of \$50.00 was on hand.

Accounts receivable totaling \$7,620.92 included for the most part expenditures made for State and other municipalities' welfare recipients, amounts due from individuals for various services

and an amount due from School Administrative District No. 50 for elementary schools payroll. At audit date approximately \$6,700.00 had been received on these accounts.

Taxes receivable amounted to \$18,606.08, of which \$17,605.30 represented current year accounts. The remaining balance of \$1,000.78 was for uncollected accounts dating from 1963. Tax liens and tax acquired property amounted to \$5,715.50 and \$3,361.46 respectively.

LIABILITIES, RESERVES AND SURPLUS. . . . The general fund liabilities consisted of accounts payable of \$53.22 and payroll deductions of \$250.31 due governmental agencies at January 31, 1966.

The appropriation accounts showed an unexpended balance of \$14,682.23, representing various operating account balances that are carried forward to the ensuing year in accordance with legal requirements and/or customary practice.

Other reserves included prepaid taxes, a suspense account and a sewer fund. The reserves also include a highway equipment fund established by charging various operating accounts for the use of equipment. The earnings derived from this source were deposited in a local bank. No expenditures were made from this fund during the year.

The unappropriated surplus amounted to \$50,305.73, an increase of \$2,386.65 for the year. The change was occasioned principally by the current year gain from operations less authorized transfers for various purposes.

DEBT FUND. . . . The debt fund, incorporated in the balance sheet as a separate fund, reflects the outstanding fire station and revaluation notes of \$21,000.00. These obligations mature during the ensuing five years with varying rates of interest.

TRUST AND RESERVE FUNDS. . . . Trust funds totaling \$358,546.25 at January 31, 1966, represented principal accounts of \$274,600.96, unexpended income of \$80,410.13, and a net gain of \$3,535.16 on sales of securities. These funds are invested in

various type securities and/or deposits in the First National Bank of Portland, Thomaston, Maine and the Maine Savings Bank, Portland, Maine and an amount due from the general fund.

Securities of the Library and Library Book Fund are contained in a safe deposit box in the First National Bank of Portland, Thomaston, Maine. The library trustees, who are not bonded, and the town treasurer have access to the securities.

The school bus capital reserve fund of \$3,263.51, the fire truck capital reserve fund of \$4,060.40 and the Nurse Association reserve fund of \$1,894.16 were on deposit in the Rockland Savings Bank, Rockland, Maine.

The police car capital reserve fund of \$500.00 and the sewer project special fund of \$593.74 were on deposit in the First National Bank of Portland, Thomaston, Maine at January 31, 1966.

GENERAL. . . . Estimated revenues to be derived from excise taxes, veterans' tax exemptions reimbursement, bank stock tax and the railroad and telegraph tax were used to reduce the 1965 tax levy as authorized by the townspeople.

Transfers from surplus for various purposes were voter authorized. A short term loan authorized by the townspeople at a special town meeting January 19, 1965 for additional Watt's Block renovations was borrowed during the current year and repaid before the year end.

SCOPE OF AUDIT

The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Count of cash was made and records checked to determine the accuracy of recorded cash transactions.

Cash accounts were verified by reconciliation of bank statements furnished by the depositories. Verifications were utilized, on a test basis, to determine the correctness of recorded assets and liabilities.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period. Canceled bonds, notes and bond coupons also were examined.

Excise tax collections were checked with copies of receipts retained by the collector. Trust and reserve fund transactions and investments were checked. Education account balances were checked with the Superintendent of Schools. Appropriations for current year operations were determined by an examination of the records of the town clerk. Surety bond coverage was reviewed.

ASSESSORS' NOTICE

The Assessors of the Town of Thomaston hereby give notice to all persons liable to taxation in said town that they will be in session at the Town Office in said town, on Tuesday April 4th, Wednesday April 5th and Thursday April 6th, at seven o'clock in the evening for the purpose of receiving lists of the polls and estates taxable in said town.

All such persons are hereby notified to make and bring to said Assessors true and perfect lists of their polls and all their estates, real and personal, not by law exempt from taxation, which they were possessed of, or which they held as guardian, executor, administrator, trustee or otherwise, on the first day of April, 1967 and be prepared to make oath to the truth of the same.

When estates of persons deceased have been divided during the past year, or have changed hands from any cause, the executor, administrator, or other persons interested, are hereby warned to give notice of such change and in default of such notice will be held under the law to pay the tax assessed although such estate has been wholly distributed and paid over.

Any person who neglects to comply with this notice will be DOOMED to a tax according to the laws of the State and be barred of the right to make application to the Assessors or County Commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time hereby appointed.

SELECTMEN'S REPORT

To: The Citizens of Thomaston:

There are summarized in the following pages, for your information, the activities of your Municipal Government. From a review it will be noted that the town completed the fiscal year with rather modest net operating gain, which leaves the town in a good financial position to enable the meeting of next year's obligations on a rather favorable basis.

During the year a new heating plant was placed in Watts Block at a cost of \$6,289.33. It was badly needed.

A new sidewalk with granite curbing was constructed the entire length of the north side of Watts Block at a cost of \$1,375. Inside the building in places new electric wiring and fixtures were installed at a cost of \$1,445.88. The Thomaston News Stand was renovated at a cost of \$1,179.13.

A water main was installed on Brooklyn Heights, lessening the fire hazard and providing homes in the area with water usage at a cost of \$6,000.

Two new trucks were purchased for highway maintenance during the year and a new police cruiser was acquired. All three vehicles were purchased as replacements.

At a special Town Meeting held January 9, 1967, and as a result thereof, contracts were entered into on behalf of the town for the construction of sewer facilities substantially in accordance with the plans of Whitman and Howard, Inc., Engineers consisting of a sewage treatment plant to be located adjacent to the St. George River, three pumping stations, interceptor sewers and four mains. The First National Bank of Portland has been retained for the process of arranging the sale of the General Obligation Bonds of the town in the amount of \$380,000 to pay the town's share of the cost of the sewer facilities.

At a special Town Meeting January 9, 1967, it was voted by the town not to admit the municipality of Friendship into School Administrative District #50.

This report is submitted by the Selectmen and it is hoped that the report contains sufficient information and data to enable the citizens of the town to critically evaluate the business of the year. We wish to express our appreciation for the splendid cooperation we have received.

Respectfully submitted,

BOWDOIN L. GRAFTON

J. WARREN EVERETT

LELAND V. MORAN

JAMES F. O'NEIL

RAMOS C. FEEHAN

Selectmen of Thomaston

BUDGET AND PLANNING COMMITTEE

The Thomaston Budget and Planning Committee held eleven meetings with an average attendance of ten members.

Officers elected for the year were: Dana Smith, chairman; Arthur Anderson, vice chairman; Harriet Williams, secretary.

A committee was appointed to investigate Industrial Development in the town.

The chairman wishes to take this opportunity to thank all members for their cooperation during the past year.

Respectfully submitted,

DANA SMITH, Chairman

HARRIET WILLIAMS, Secretary

Notice To Veterans Desiring Exemptions

No exemptions on polls and estates shall be allowed in favor of any person who is not a legal resident of the State; and provided that any male or female veteran, or blind person, who desires to secure exemption shall, on or before the first day of April, notify in writing the assessors of the cities, towns and plantations in which he or she resides, and furnish proof of entitlement. Such notification once made need not be repeated in subsequent years.

Chapter 92, Section 6, Revised Statutes 1954.

All male residents over the age of 70 years desiring exemption from poll tax, shall notify the assessors in writing prior to April 1, 1967

Again this year a young person was killed in a motor vehicle accident in our town, many others were injured and thousands of dollars damage caused by motor vehicle accidents.

As in past years we have had sex crimes against our young people, assaults, breaks, larcenies and numerous other crimes against our citizens. Due to new Supreme Court rulings by the United States Supreme Court, Police work has changed and in some cases it appears that the Law protects the guilty and not the innocent. Every day we read in the newspapers where another killer has been released from prison because of an oversight or mistake made by a Police Officer. This Department has sent officers to every school made available so our Officers will be well versed in all phases of Police work and on all the new Supreme Court rulings. Also have sent Officers to the Traffic Law Enforcement school, a school which dealt with Accident Prevention and Investigation to see if we could stop some of the killings and injuries on our streets.

I wish to thank the newspapers, WRKD, State Police, Sheriff's Department, Rockland Police Dept. and the Thomaston Fire Dept. and Dispatchers for their assistance this year.

Respectfully submitted,
RICHARD H. JOHNSON, Chief

REPORT OF CHIEF OF FIRE DEPARTMENT

To the Town Manager and Board of Selectmen:

It is my pleasure to submit to you, the report of the Fire Department for the period ending December 31, 1966.

This being the first year that I have served as your Fire Chief, I must say at this time that I have enjoyed full cooperation from my Officers and men, the Town Manager, and the Board of Selectmen. This proves that good relationship between departments, makes smoother operations.

During the period from January 1, 1966 to December 31, 1966, the Department responded to a total of 54 calls as compared to 54 last year. Calls for assistance to other Towns were 10 as compared to 6 the previous year. Calls by classification are as follows; Buildings 8, Mobile Homes 2, Chimneys 4, Oil Burners 3, Grass 7, Autos 4, Emergencies 2, Miscellaneous 14.

Property damage was up this year, due to three major fires. Two of these being at the Maine State Prison. It is odd that State property can contribute to our fire losses, but cannot contribute to our Fire Protection needs. Due to the lack of manpower during the working hours of the day, we had to call on assistance from other Towns, twice. One fireman sustained bodily injury which required Hospital and Doctor's insurance. This occurred while performing his regular duties, clearing streets after a freak wind storm last summer. One 32' extension ladder was destroyed at the Prison barn fire. No other damage of consequence was sustained by equipment during this period.

ADDITIONS & IMPROVEMENTS: We have added to our inventory, one self contained air mask, (this making 4), two quarter turn hydrant gates, coats & helmets, and 900 ft. of hose.

The Chief's office and the dispatcher's bedroom have been painted. A new office chair has been added to the dispatcher's office.

STATION ACTIVITIES: Our facilities were again used by the civic organizations of the Town. We were host to the Mutual Aid Association in October. The Department has completed the State

School for pump operators. These drills were conducted by Deputy Chief John Hines of the Bath Fire Department. The Department participated in a joint drill with our good neighbor, Rockland, and other Mutual Aid Towns in this area this past fall. The men from this department learned how to hook up and man the aerial ladder of that city. This will help us if we ever need this piece of equipment in this Town, as there is only one or two men sent with this unit. The Department also participated in the Dedication Ceremonies of the Knox County Firemen's Training center this last summer.

The Department had its first Firemen's Ball this year. I want to take this opportunity to thank all of the merchants and citizens who donated, to make this event a complete success.

APPROPRIATIONS & RECOMMENDATIONS: This coming year, I am asking for money, to purchase a 500 gpm Deluge set. This has been recommended by the Rating Bureau. This also will aid our manpower shortage as one man can operate this unit after setup, as compared to three or four men to handle a hose line half this capacity. As this will be our only Master stream appliance, I sincerely urge its passage.

Through improvements to our inventory and our records, as recommended by the Rating Bureau, and further improvements to our water mains, I firmly believe that we can acquire a new insurance rate for this town. This spring I will ask for your cooperation in inviting the Rating Bureau to come in and make a new evaluation. We are presently in a D-7 rating. If we succeed in getting a C-6 rating, it will lower both the commercial and home insurance rates. The last one was made in 1960.

Again we will ask for \$2000.00 for the truck reserve fund.

In concluding this report, I want to express my deepest appreciation to all those who have aided the Officers and men of the Fire Department this past year.

Respectfully submitted,
GEORGE G. GRAFTON, Chief
Fire Department

REPORT OF PUBLIC HEALTH NURSE

Your public health nurse, a member of the Division of Public Health Nursing visited Thomaston fifty-six times. She rendered direct service to individuals, families and groups for planned community health activities.

Selected nursing services are shown in Table 1 for the past four years.

TABLE 1

Nursing Activity	1963	1964	1965	1966
Home visits	273	152	144	171
Child health conference	5	10	6	9
School physical examination clinic	4	5	6	6
Immunization clinic	4	5	5	4

Home visits were made according to the known needs of the community for public health nursing care, supervision and counseling. Referrals for home visits were received from families, physicians, friends, school personnel, child health conference physicians and school physicians.

Table 2 shows the type of case seen, the number of visits to individuals and the age group of the individual.

TABLE 2

Type of Case	Age of Individuals Rendered Service					Total Number Visits

Total	11	18	71	44	27	171

There was a total of ninety-nine infants and pre-school children admitted to the child health conferences with an attendance of one hundred seventy-five. These children received physical examinations, counseling and immunizations as necessary, given by Emery B. Howard, Jr., M.D. assisted by your public health nurse.

Physical examinations were given to children in the fourth and seventh grades and specially selected children at the Lura Libby School. Immunizations were given as necessary. Your public health nurse assisted with these examinations and immunizations. She used a Puritone audiometer to test the children with a question of a hearing loss. Your public health nurse made the necessary arrangements for and assisted with the tuberculin testing done by Alta Ashley, M.D., Health Officer, District III to children of the entering and seventh grades. Teacher-nurse conferences were held as necessary. The total number of children immunized is shown on Table 3.

TABLE 3

<u>Vaccine or Toxoid</u>	<u>Number of children Immunized</u>
Smallpox	150
Diphtheria	145
Tetanus	145
Polio	127
Whooping cough	51

The cooperation of the health volunteers, school personnel and the town officials is greatly appreciated.

Respectfully submitted,
BERYL B. BORGERSON, R.N.
Public Health Nurse

THOMASTON PUBLIC LIBRARY

Incorporated in the report of the Librarian is mention of the various activities during the year, so we will not mention them.

Quarterly meetings of the Trustees have been held, at which time the Librarian has been present with her problems, and there has been a thorough discussion of Library affairs.

It may be of interest to note that Mr. Richard O. Elliot has been a trustee since the library's inception in 1898.

Income from funds available for general library operation, exclusive (of the Book Fund) was \$7,000.30. Cost of operation \$6,281.16. Cost of operation was as follows:

Librarian	\$1800.00
Assistant	1200.00
Trainee & Substitutes	270.50
Janitor	600.00
Rent	1920.00
Electricity	330.88
Equipment	7.00
Group Insurance	105.76
Supplies	25.52
Misc.	21.50
	<u>\$6281.16</u>

Income from the Book Fund was \$4544.29; expenditures were as follows:

Books for Library Shelves	\$2807.31
Special Reference Books	
for School Children	464.59
Magazines	263.80
Newspapers	93.50
Binding and Rebinding	679.83
Book Covers, etc.	88.50
	<u>\$4397.97</u>

The Library Staff was of great assistance to the participants in the Essay Contest sponsored by the National Society on famous navy battles.

The Library has received several gifts during the year and this is a public acknowledgement of same. Thanks is also extended to the Thomaston Garden Club for the beautiful flowers furnished by them during the year.

In the fall our Librarian, Mrs. Alice Buck tendered her resignation to take effect on January 1, 1967. This was accepted by the Trustees with deep regret. Mrs. Ina Keizer, as Librarian, Mrs. Thelma Everett, as assistant, and Mrs. Louise Philbrook are carrying on and doing a top notch job. We are fortunate to have them.

Respectfully submitted,

RICHARD O. ELLIOT

President

HARRIET R. WILLIAMS

Secretary

Board of Trustees

LIBRARIAN'S REPORT

I herewith submit the report of the Thomaston Public Library for the year ending January 31, 1967.

Number of books added to the Library:

By purchase	966
By gift	106
	1072

Number of catalogued volumes 9799

Volumes circulated Feb. 1, 1966
to Jan. 31, 1967 25401

Average daily circulation 125

New cards issued 122

Total number of active borrowers 1147

On June 8 the Sub-Primary class with their teacher, Mrs. Priscilla Crockett, visited the Library for instructions on Library usage.

Arts and Crafts were exhibited and demonstrated in the Library by local talent during National Library Week, April 17 - 23. On the 23rd movies borrowed from the Maine State Library were shown to the school children.

During Children's Book Week, Oct. 30 - Nov. 5, new books for the children were exhibited. On Saturday, Oct. 29, movies from the Maine State Library were shown to school children, Sub-Primary to Grade 6.

Several cards have been moved from the inactive files to the active. It is with pleasure we welcome back these old friends. Also, with pleasure we welcome our new friends.

I would like to express my sincere appreciation to all those who contributed their time and talents in making our projects so successful and to those who so generously supplied the Library with the beautiful flowers. Special thanks should go to Mrs. Wilson B. Carter for her many artistic floral arrangements and for decorating the Library for the Christmas season.

Mrs. Thelma Everett, Mrs. Louise Philbrook and I are looking forward to serving you during the coming year.

Respectfully submitted,
INA C. KEIZER

REPORT OF TREE WARDEN

The following is a report concerning the work done on town shade trees for the year 1966.

In May there was a definite threat of a heavy infestation of tent caterpillars. The roadsides on the outskirts of town were sprayed, apparently with success in stopping the infest.

In July a severe windstorm damaged many shade trees and caused the removal of three elms, four maples, and one ash.

In November and December, the regular program of elm tree sanitation was continued. Fifty-two elms were pruned and five dead or dying elms were removed. In addition to this, broken and hanging limbs were removed from eleven elms. Sixteen maples were pruned and one was removed. All the elms which were worked on were checked for Dutch elm disease. None was found.

Due to the wind storm in July, there are still many trees in need of attention. Many of the elms have broken stubs that are not immediately dangerous to the public, but are potentially so. These should be removed within a year's time to prevent them from becoming dangerous, and to eliminate breeding areas for Dutch elm disease beetles.

An appropriation of \$3,000 would take care of this problem and still go far in continuing the elm tree sanitation problem.

Respectfully submitted,

HARRY A. GOODRIDGE
Tree Warden

STATE OF MAINE

State Department of Audit

Augusta

March 7, 1967

Board of Selectmen
Thomaston, Maine

In accordance with Title 30, Section 5253, Maine Revised Statutes Annotated of 1964, an audit has been conducted of the financial records of the Town of Thomaston for the fiscal year ended January 31, 1967.

The examination was made in accordance with generally accepted standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Within the scope of the examination, the financial transactions were appropriately handled, with such exceptions as may be noted in the accompanying commentary.

In our opinion, the exhibits and schedules incorporated in this report, present fairly the financial position of the Town at January 31, 1967, and the results of its operations for the year then ended.

Respectfully submitted,

ARMAND G. SANSOUCY
State Auditor

AGS:td

COMMENTS
TOWN OF THOMASTON
February 1, 1966 to January 31, 1967

An audit has been completed of the financial records of the Town of Thomaston for the fiscal year ended January 31, 1967. The audit consisted of an examination of the records maintained under the supervision of the Town Manager and municipal officials.

The current year operations showed a gain of \$36,433.00, which was accounted for as follows:

Departmental Operations:	
Unexpended Balances	\$24,361.27
Overdrafts	<u>1,951.46</u>
Net Unexpended Balance	\$22,409.81
Actual Revenue Over Estimated	<u>14,023.19</u>
Gain for Year	<u>\$36,433.00</u>

The overlay and unexpended balances in highway, welfare and protection accounts were the major factors contributing to the net unexpended departmental balance lapsed.

The actual revenue amounted to \$29,547.77, as compared with an estimate of \$15,524.58 for the year. The additional revenue was received principally from excise taxes.

* * * * *

The following comments pertain to the accompanying financial statements and to the scope of audit.

ASSETS. . . . The general cash balance of \$54,636.96 at January 31, 1967 was accounted for by being on deposit in the First National Bank of Portland, Thomaston, Maine, the Rockland Savings Bank or by cash on hand. Petty cash of \$50.00 was on hand.

Accounts receivable totaling \$583.22 included for the most part expenditures made for State and other municipalities' welfare recipients and amounts due from individuals for various services.

Taxes receivable amounted to \$17,583.40, of which \$16,866.10 represented current year accounts. The remaining balance of \$717.30 was for uncollected accounts dating from 1963. Tax liens and tax acquired property amounted to \$8,643.69 and \$3,955.13 respectively.

LIABILITIES, RESERVES AND SURPLUS The general fund liabilities consisted principally of unpaid current year charges of \$1,241.76 and payroll deductions of \$205.86 due governmental agencies at January 31, 1967.

The appropriation accounts showed an unexpended balance of \$13,976.40, representing various operating account balances that are carried forward to the ensuing year in accordance with legal requirements and/or customary practice.

Other reserves included prepaid taxes, a suspense account and amounts due trust and reserve funds. The reserves also include a highway equipment fund established by charging various operating accounts for the use of equipment. The earnings derived from this source were deposited in savings accounts. No expenditures were made from this fund during the year.

The unappropriated surplus amounted to \$59,506.37, an increase of \$9,200.64 for the year. The charge was occasioned principally by the current year operational gain less authorized transfers for various purposes.

DEBT FUND The debt fund, incorporated in the balance sheet as a separate fund, reflects outstanding fire station, revaluation, Watts Block heating plant and Brooklyn Heights water system notes totaling \$26,500.00. These obligations mature during the ensuing six years with varying rates of interest.

TRUST AND RESERVE FUNDS Trust funds totaling \$363,945.72 at January 31, 1967, represented principal accounts of \$276,890.96, unexpended income of \$82,824.60 and a net gain of \$4,230.16 on sale of securities. These funds are invested in various type securities and/or deposits in the First National Bank of Portland, Thomaston, Maine and a net amount due from the general fund.

Securities of the Library and Library Book Fund are contained in a safe deposit box in the First National Bank of Portland, Thomaston, Maine. The library trustees, who are not bonded, and the town treasurer have access to the securities.

The fire truck capital reserve fund of \$6,213.09 and the Nurse Association reserve fund of \$1,975.51 were on deposit in the Rockland Savings Bank, Rockland, Maine. The police car capital

reserve fund of \$12.75, the sewer project special fund of \$301.03 and the sewer reserve fund of \$448.08 were due from the general fund at January 31, 1967.

At the annual town meeting, the townspeople authorized the transfer of the school bus capital reserve fund to the general fund unappropriated surplus. The amount of \$3,403.66 was transferred during the year.

SEWER SURVEY PROJECT This project was financed by a grant of \$42,000.00 from the Federal Housing and Home Financing Agency.

At a special town meeting, January 9, 1967, the townspeople authorized the selectmen to issue general obligation bonds not to exceed \$380,000.00 for the town's share to participate in the construction of sewer facilities. As of January 31, 1967 bond negotiations were incomplete.

GENERAL Estimated revenues derived from excise taxes, bank stock tax and the railroad and telegraph tax were used to reduce the 1966 tax levy as authorized by the townspeople.

Transfers from surplus for various purposes were voter authorized as were the issuance of serial notes for renovation of the Watts Block heating system and contributing to the installation of a water system at Brooklyn Heights.

SCOPE OF AUDIT

The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Count of cash was made and records checked to determine the accuracy of recorded cash transactions.

Cash accounts were verified by reconciliation of bank statements furnished by the depositories. The correctness of other recorded assets and liabilities was verified on a test basis.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period. Canceled notes also were examined.

Excise tax collections were checked with copies of receipts retained by the collector. Trust and reserve fund transactions and investments were checked. Appropriations for current year operations were determined by an examination of the records of the town clerk. Minutes of the selectmen's meetings were reviewed as pertained to finances. Surety bond coverage was reviewed.

ASSESSORS' NOTICE

The Assessors of the Town of Thomaston hereby give notice to all persons liable to taxation in said town that they will be in session at the Town Office in said town, on Tuesday April 2nd and Wednesday April 3rd at seven o'clock in the evening for the purpose of receiving lists of the polls and estates taxable in said town.

All such persons are hereby notified to make and bring to said Assessors true and perfect lists of their polls and all their estates, real and personal, not by law exempt from taxation, which they were possessed of, or which they held as guardian, executor, administrator, trustee or otherwise, on the first day of April, 1968 and be prepared to make oath to the truth of the same.

When estates of persons deceased have been divided during the past year, or have changed hands from any cause, the executor, administrator, or other persons interested, are hereby warned to give notice of such change and in default of such notice will be held under the law to pay the tax assessed although such estate has been wholly distributed and paid over.

Any person who neglects to comply with this notice will be DOOMED to a tax according to the laws of the State and be barred of the right to make application to the Assessors or County Commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time hereby appointed.

LETTER OF TRANSMITTAL

To: The Board of Selectmen and Citizens of Thomaston:

Submitted herewith is a report of the operations of your town for the fiscal year beginning February 1, 1967 and ending January 31, 1968.

The schedules herein contained were prepared from records audited under the supervision of the State Department of Audit.

I am deeply indebted to Miss Harriet R. Williams and Mrs. Bonnie Strong for their assistance throughout the year and in the preparation of this report.

Printing costs, particularly for tabular work are high, consequently many accounts are presented in summary rather than in detail. The staff makes every effort to answer valid questions during office hours and to discuss problems with interested citizens.

Respectfully submitted,

JOHN S. TAYLOR
Town Manager

TOWN MANAGER'S REPORT

The past municipal year has been another milestone in the history of Thomaston, a year of progress, improvement and modernization.

As a final step in a long and devious journey contracts were awarded and the Interceptor Sewer and Sewage Treatment Plant began the transition from lines on paper to structures of concrete, brick, and steel. Contract #1 for sewers and pumping stations was awarded to Cianchette Brothers, Inc. at a price of \$289,000.50 and contract #2 for the treatment facilities went to Murray and Blake Construction, Inc., a Vermont based firm, at a price of \$454,000.00. Engineering, preliminary study and financing costs bring the overall figure close to \$1,000,000.00. By virtue of untiring efforts on the part of your town officials and an assist from Senator Muskie, Federal and State participation in amount of 80% of the construction cost was realized. The facility is scheduled to go on stream about May 1, 1968.

Wadsworth street was reconstructed with State Aid funds. The project consisted of drainage, re-basing and application of bituminous concrete surfacing and curbs. The cost overran the estimate somewhat, with the result that a portion of our State Aid funds for 1968-69 will have to be dedicated to this project.

The following work was authorized by special town appropriations: An underground drainage problem at Green and Gay streets and improvement of Shibles Lane, so called, to allow winter plowing. Work on the first project consisted of placing two catch basins and laying 160' of 12" coated metal pipe, which improved drainage at the intersection and eliminated a deep open ditch. The amount expended was about \$1,050.00. On Shibles Lane, material excavated from Wadsworth street was used to widen the base, a 32' x 15" cross-culvert was installed and a surface of gravel was placed. After evaluating necessity in the light of a winter's experience, plans for additional improvement can be developed. Two hundred dollars of an appropriation of \$2,000.00 was expended.

The streets were again sealed or mulched as need appeared and available funds allowed. Streets to be dug up during sewer construction were eliminated from the program.

Sidewalk repair during the year was not extensive. No plan program had been developed. Hit or miss patching provides little in lasting improvement and it is hoped that some definite program of reconstruction and repair may be established.

The tree care program was continued under the direction of the Goodridge Tree Service. Mr. Goodridge's comments on the program, which are included as part of this report, cover this activity in detail.

The activities of your Police and Fire Departments are covered in the reports submitted by the Chiefs. Included also, is a report of activities of the Park Commission, submitted by the Chairman and a report of the Summer Recreation Program prepared by the director.

I include at this point a list of items which I feel are important to the continued progress of the town. While much of what follows is the responsibility of the municipal government directly, it is the voter who must pass upon its actions, and the taxpayer who must provide the money to carry the plans into reality. The better informed the voter is, the better decision he is able to make when a plan or program is presented. The order of listing does not necessarily indicate an order of preference or priority.

We must develop a plan to improve streets consistent with modern design with the object of curb and gutter and underground drainage for all major residential streets. We need a definite plan to up-grade street lighting. This can be worked out in conjunction with the power company, which will provide technical assistance for surveys and for choice of equipment. The installation of six 8000 lumen fixtures on Booker Street and the school drive to provide a light on each pole is suggested as an immediate goal in the interest of pedestrian safety.

A review of the needs for sidewalks and plans for improvement and replacement must be made. These plans should include specifications to be followed and materials to be used. Winter plowing should also be considered for high traffic areas.

Thought should be given to replacement of trees. Plans should include technical advice on kind, location, time of planting and timing of over-all program. Continued care of our present trees is of vital importance.

With the present uncertainty of our industrial development picture, vigorous action should be taken in the direction of improving the relationship between the town and existing industries and to establish policies with regard to industries which appear to be interested in locating in Thomaston.

The acquisition of additional river front property for use as public landing facilities for private recreational craft, and also as terminal facilities for commercial excursion trips should be considered.

If we wish to retain the right or privilege, or liability, as your point of view dictates, of local tax assessment by local tax assessors, consideration must be given to inducements to obtain the best qualified persons available, provide ways and means for their attendance at training programs and schools and provide additional tools to assist them in developing high quality assessments.

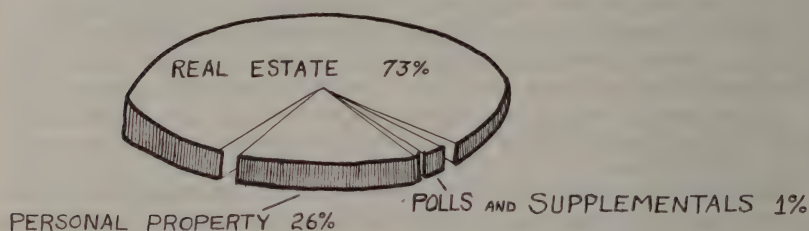

With the increasing dependence upon Federal programs to provide much of the financing of municipal improvements, planning is becoming a very important function at all governmental levels. Planning, both at the municipal level and as participation in regional planning groups is now a useful governmental tool and will soon become an absolute necessity if our local governmental unit is to maintain its usefulness, or in fact its identity. Local sentiment to the contrary notwithstanding, it seems desirable that a planning board as provided by state statutes be constituted and that this board address itself to the study and solution of problems facing the municipality.

This may appear to be a frightening list, but it is based upon actual requests or demands for service and upon trends in State and Federal thinking in regard to municipal planning and grant-in-aid programs.

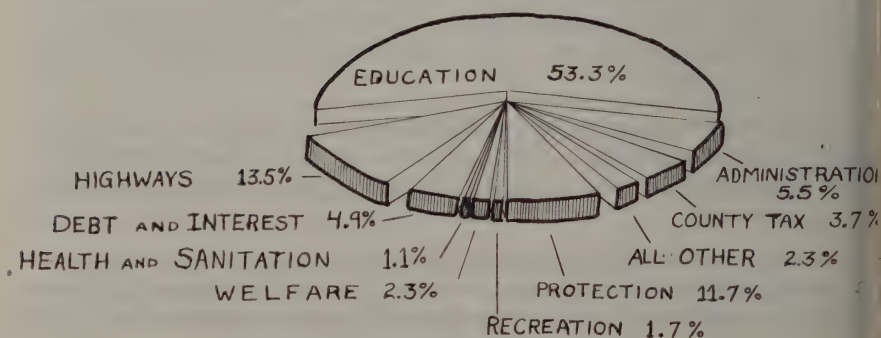

I wish to take this opportunity to express my appreciation for the cooperation which I have received from the municipal officials, the staff, and the citizens since becoming your manager last April.

Notice To Veterans Desiring Exemptions

No exemptions on polls and estates shall be allowed in favor of any person who is not a legal resident of the State; and provided that any male or female veteran, or blind person, who desires to secure exemption shall, on or before the first day of April, notify in writing the assessors of the cities, towns and plantations in which he or she resides, and furnish proof of entitlement. Such notification once made need not be repeated in subsequent years.

Chapter 92, Section 6, Revised Statutes 1954.

All male residents over the age of 70 years desiring exemption from poll tax, shall notify the assessors in writing prior to April 1, 1967

 ENOCH M. CLARK
 Town Clerk

PARK COMMISSION REPORT

The 1967 Summer Recreation Program was under the direction of Miss Marie Hall from Bremen, Maine, a college student at Boston, and Mr. Donald Palmer, Physical Education Director at Georges Valley High School.

The program was conducted at the Thomaston Grammar School this year instead of Lura Libby School, and proved to be much better facilitated. Attendance was good, and the program appeared to be quite satisfactory. A report by Mr. Palmer is included.

RECREATION PROGRAM REPORT 1967

Thomaston Recreation Program started June 26, 1967 with 76 children present. The children varied in ages from 5-15. The program was under the direction of Donald Palmer. Marie Hall was the assistant and Donna Moody from the Neighborhood Youth Corps.

The Program consisted of playground games, team games, art and organized outings. The children were divided into age groups 5-8 and 9-15 to enable the development of skills on their level. Some of the purposes of the program were to develop desirable social attitudes such as sportsmanship, leadership, self-discipline and control.

Attendance varied from 40 - 70 children daily. Two outings were held at Sandy Shores with swimming and a picnic. Approximately 40 children attended each outing. The buddy system (partners) was enforced while the children were swimming. The older children were given the responsibility of pouring soda, passing plates, rolls and potato chips.

The program ended on August 18 with a play day. All children present were divided into two teams and the games and relays played were scored on points. The outstanding girl and boy were chosen for the summer program. They were Vicki Verge and Tim Mayo.

Respectfully submitted,
DON PALMER

REPORT OF POLICE CHIEF

January 1st to December 31st 1967

To the Town Manager, Selectmen and Citizens of Thomaston.

	1966	1967
Court appearances	102	153
Arrest	74	119
Doors found unlocked	25	41
Parking tickets issued	93	162
Defect tickets issued	404	619
Warning tickets issued	914	1626
Calls answered	1098	1078
Accidents covered	54	81
Emergency runs to hospital	9	10
Trips to State Hospital	5	5
Stolen Property recovered	\$434	\$8950
Cases won in Court	65	85
Cases lost in Court	4	8
Cases filed in Court	0	7
Cases Nol-Pros in Court	0	7

Every day we read in newspapers where more people are killed in Highway Accidents and Crime is on the Increase.

Thomaston had three persons killed in Motor Vehicle Accidents this past year and our Major Crimes increased along with the rest of the Nation. There were 11 automobiles stolen this year, 17 cases of Breaking and Entering were reported and Malicious Mischief amounted to well over \$4000.

Eight persons were apprehended and convicted for taking these automobiles, two persons were apprehended and convicted of doing \$2700 damage in Malicious Mischief and this Department has a Warrant for another subject charging him with doing damage to the amount of \$500.

As in past years other Serious Crimes such as Rape were reported, also numerous crimes of a minor nature, many of these were also solved.

This year Officers from this Department attended Schools which we feel increase the officers knowledge and enables us to better serve the Public.

On numerous occasions have had to call on the Fire Department for assistance and would like to thank them, the Town Manager, Selectmen and all other persons for their help and cooperation this year.

Respectfully submitted,

RICHARD H. JOHNSON, Chief

REPORT OF CHIEF OF FIRE DEPT.

To the Town Manager and Board of Selectmen:

It is my pleasure to submit to you, the report of the Fire Department for the period ending December 31, 1967.

During the period from December 31, 1966 to December 31, 1967 the Department responded to a total of 54 calls, as compared to 54 the previous year. Calls by classification are as follows: Assistance to other Towns, 4; Buildings, 2; Mobile Homes, 1; Chimneys, 5; Oil Burners, 3; Grass, 9; Automobiles, 8; Emergency, 1; Misc. 21.

During this period there were no injuries sustained by Firemen nor was there any damage of consequence to equipment.

The Fire Loss this year was the lowest that I have experienced during my career as a Fireman. The two major reasons for this, I feel, are the efficient work of the firemen and the safe minded Townspeople. My many thanks to them all.

ADDITIONS AND IMPROVEMENTS: Minor brick and block work was done on the Station, doors were painted, and flashings repaired.

A 500 gpm Deluge Gun and hose have been added to our inventory. Also a new base radio antenna was installed recently.

STATION AND DEPARTMENT ACTIVITIES: Our facilities were again used by many outside organizations. We were hosts to the Knox County Firemen's Association and Mutual Aid Association.

The Department completed the State School for Master Streams, conducted by Instructor Allen F. Payson of Camden. I also attended the Fire Chief's Seminar in Augusta, sponsored by the State Education Department.

The Department participated in their second Firemen's Ball. My many thanks to the Merchants & Citizens who donated to this event.

The Firemen and their families participated in their first Department picnic. The weather was poor but I'm sure that all that attended had a good time.

APPROPRIATIONS & RECOMMENDATIONS: This coming year I am recommending that the Townspeople appropriate money for a replacement for the 1933 Counce truck. This truck is generally out of repair all around. This is a utility truck so a one ton chassis is recommended. The body to be built locally. This unit will carry all portable lighting equipment, portable pumps, Indian tanks and other forestry equipment, resuscitator and other small tools. It will also have room in the bed for hauling wet hose back from fires. I feel this unit will save wear and tear on our more expensive units.

During 1967 one of our Station Attendants suffered a severe illness, causing the Fire Station to be closed for a few days. I have put the spare man on full time to retain his services and prevent this from happening again. Therefore, there is an additional amount of money being asked for in this account. I strongly urge your cooperation in this matter.

You will also note an increase in the Firemen's wages. I hope to put the Firemen on hourly wages, as do most other departments in the State. This will allow the men to earn a specified amount. They have previously been paid by a credit system. This system is not too satisfactory as the more fires there are the less the credits are worth. I feel I can save the Town money plus do justice to the men. The amount asked for is above the three year average and is an estimate. This doesn't mean this amount will be spent.

I do not have a report on the Rating Bureau's evaluation of the Town, as it hasn't been made yet. Application was made last spring, but due to a heavy schedule they have been unable to do this Town yet. I am hoping it can be done this coming year.

The \$2000.00 was asked for again this year. If the Board feels that with the purchase of a new truck for replacement of the Counce truck, that this should be dropped this year, I would recommend that \$3000.00 a year for the two years coming be raised to enable the account to keep caught up with rising costs. This is a Tank Truck reserve account and I don't feel it should be touched for other equipment.

In concluding this report, I want to express my appreciation to all who aided the Officers and Men of the Fire Department this past year. Also, a personal "thank you" to the Town Manager, Mr. John Taylor, and the Town Office girls, for their assistance to me, in carrying out my clerical work.

Respectfully submitted,

GEORGE GRAFTON, Chief

REPORT OF OVERSEER OF THE POOR

Mary Altonen
Arthur Bradford
Grace Magune

Mrs. Frank Newhall
Malcolm Weaver
Clara Young

Respectfully submitted,

JOHN S. TAYLOR
Overseer of the Poor

REPORT OF PUBLIC HEALTH NURSE

Your public health nurse, a member of the Division of Public Health Nursing, visited in your town eighty times during the year. During these visits she conferred with town officials, school personnel and health committee members to plan for the health activities for the year. She rendered direct nursing services to patients and families in their homes. She assisted with planned group health activities. Table 1 shows selected types of activities, in which she participated, and the number of times completed.

TABLE 1

<u>Health Activity</u>	<u>Number of Times Completed</u>
Home visits	216
Child health conferences	9
School health examinations	6
Immunization clinics	2

Home visits were made to patients and families for direct nursing care, under the direction of the private physician, and health supervision and counseling for the promotion of health. These patients and families were referred to your public health nurse by private, child health conference, and school physicians; school personnel; town officials; patients; families and others.

Table 2 presents the number of home visits made, according to the type of case admitted to the public health nursing service, and age of the patient.

TABLE 2

<u>Type of case</u>	<u>Age Groups</u>					<u>Total</u>
	<u>0-11</u> <u>months</u>	<u>1-5</u> <u>years</u>	<u>6-20</u> <u>years</u>	<u>21-64</u> <u>years</u>	<u>65+</u> <u>years</u>	
Non-communicable disease		10	20	36	1	67
Communicable disease			24	22		46
Health promotion	6	15	10	9		46
Ear condition			15	2		17
Eye condition		1	10			11
Crippling condition		2	7			9

	0-11 months	1-5 years	6-20 years	21-64 years	65+ years	Total
Diabetes				5	1	6
Dental problems		1	1	3		5
Cardiac		2	2			4
Pregnancy			1	2		3
Nutrition problems			1		2	3
Mental health			1	1		2
Epilepsy			1			1
Mental retardation			1			1
Cancer					1	1
	6	31	93	31	5	216

Your public health nurse arranged for and assisted with the child health conferences during which sixty-two infants and pre-school children received physical examinations and requested immunizations by Emery B. Howard, Jr., M.D., the conference physician. Your public health nurse interviewed and counselled the parents of these patients.

Your public health nurse planned for and assisted at the school health examination clinics. Sixty-eight children were examined by Mustafa V. Onat, M.D., school physician. Immunizations clinics were held in the spring where children received necessary immunizations (with their parents' permission.) Your public health nurse assisted with the physical examinations, immunizations and tuberculine Tine tests given to children attending the Summer Head Start School.

Table 3 presents the types of immunizations and number of children immunized in Thomaston.

TABLE 3

<u>Type of Toxoid & Vaccine</u>	<u>Number of Children Immunized</u>
Measles	79
Smallpox	52
Diphtheria	55
Tetanus	55
Pertussis	39
Tri-valent oral polio	37

Your public health nurse arranged for and assisted with the tuberculin Tine testing clinic. Alta Ashley, M.D., District Health Officer tested a total of 128 school personnel and students in sub-primary, first, seventh and twelfth grades.

Your public health nurse appreciates the cooperation and help received from the town officials, school personnel and health committee members.

Respectfully submitted,

BERYL B. BORGERSON, R.N.
Public Health Nurse

THOMASTON PUBLIC LIBRARY

At the annual meeting of the Trustees in April 1967, Mr. R. O. Elliot stated that he did not wish to serve the library any longer as President, and Mr. Bowdoin L. Grafton was elected to serve in that position. Mr. Elliot is still serving as a Trustee.

Quarterly meetings of the Trustees have been held at which the affairs of the library have been thoroughly discussed and considered. The Trustees are in touch at all time with library operations. Any suggestions that may lead to more efficient operation and service to the public will be appreciated.

Income from funds available for general library operation, together with fines collected and miscellaneous receipts, amounted to \$7,369.40. Cost of operation was as follows:

Rent		\$1,920.00
Salaries:		
Librarian	1,950.03	
Assistant	1,350.03	
Helpers	281.76	
Janitor	<u>600.00</u>	4,181.82
Electricity		346.52
Supplies		78.60
PO and Safe Deposit Box		<u>21.50</u>
		\$6,548.44

Income from the Book Fund was \$4,573.67; \$4,769.89 was expended as follows:

Books, Periodicals and Newspapers	4,531.41
Binding and Rebinding	37.83
Book Covers and Labels	<u>200.65</u>
	\$4,769.89

The Library has received several gifts during the year, of which this is a public acknowledgment.

The window displays of books arranged by the library staff have been varied and appropriate.

Thanks is again extended to the Thomaston Garden Club for the beautiful flowers furnished during the year.

Our thanks is extended to the library staff for their genuine interest in the library and the manner in which they carry on.

Respectfully submitted,
BOWDOIN L. GRAFTON, Pres.
HARRIET R. WILLIAMS, Sec.

LIBRARIAN'S REPORT

I herewith submit the report of the Thomaston Public Library for the year ending January 31, 1968.

Number of books added to the Library:

By purchase	1120
By gift	10
	<u>1130</u>

Number of catalogued volumes 10868

Volumes circulated Feb. 1, 1967

to Jan. 31, 1968 26372

Average daily circulation 130

New cards issued 154

Total number of active borrowers 1264

There is an increase in the number of people from other communities who are visiting our Library and requesting the privilege to borrow our books.

New books were exhibited and circulated during National Library Week, April 16 - 22.

Mrs. Priscilla Crockett and the Sub-Primary classes visited the Library May 22. Mrs. Crockett brings the Sub-Primary classes to the Library each year so the children can learn how to use the Library. At this time they receive applications for library cards. Stories were read to the children during the visit with us.

The Special class with their teacher, Mrs. Sharon Hayes, visited the Library every Thursday from March to June. This was the only experience of visiting a library some of these children ever had.

August was a busy month at the Library with a Vacation Reading Club and two Story Hours. Reading Certificates were presented to 44 children at the end of the month. Miss Muriel Abbott was guest story teller for the two Story Hours, Sat., Aug. 19 and Sat., Aug. 26. Miss Abbott had surprises for the children at each session.

National Children's Book Week, Oct. 29 - Nov. 4, was observed with new books for the children and movies. The movies were borrowed from the Maine State Library and shown by Mr. Nathan King. There were 80 children present.

On alternate Thursdays the children in Grade 4 with their teacher, Mrs. Daphne Williams, visit the Library. The children are learning how to use the card catalog.

I would like to express my sincere thanks and appreciation to all those who helped make this year so successful and enjoyable. Although we do not have a formal Friends of the Library organization, we do have many friends who are very generous with their time and talents.

Respectfully submitted,

INA C. KEIZER
Librarian

REPORT OF TREE WARDEN

The following is a report concerning the work done on town shade trees in 1967 and 1968.

Trees Removed:

Maples	1	Green Street
Elms	2	Main Street
"	2	Gleason Street

Trees Pruned:

Maples	2	Gleason Street
"	11	The Mall
Elms	6	Gleason Street
"	1	Green Street
"	55	Main Street
"	1	Pine Street

One case of Dutch Elm disease was found and the infected elm was promptly removed.

During the summer there was an extremely heavy infestation of aphids on the elms. These insects cause an increase in dead limbs over normal periods of insect activity. The elms should be sprayed twice during the coming summer to alleviate a repetition of '67. DDT should not be used for this purpose. Continuing elm tree sanitation is holding down the incidence of Dutch elm disease in Thomaston and should be continued as in the past, if not stepped up.

Respectfully submitted,

HARRY A. GOODRIDGE
Tree Warden

STATE OF MAINE

State Department of Audit

Augusta

February 20, 1968

Board of Selectmen
Thomaston, Maine

In accordance with your request, an audit has been conducted of the financial records of the Town of Thomaston for the fiscal year ended January 31, 1968.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the exhibits contained in this report present fairly the financial position of the Town of Thomaston, and the results of the financial operations for the period indicated.

Respectfully submitted,
ARMAND G. SANSOUCY
State Auditor

AGS:chc

AUDITOR'S COMMENTS AND SUGGESTIONS FOR IMPROVING THE FINANCIAL ADMINISTRATION

The audit indicated that expenditures had been made in excess of funds made available in the following accounts which have been charged to surplus.

Town Expenses	\$266.07
Street Lights	.51
Workmen's Compensation and Insurance	69.24
Underground Drainage - Green and Gay Streets	37.65
Old Age Assistance, etc.	241.72
Care of Trees - Mall and School Walks	3.61
Social Security	212.22

The State Aid Road Construction Account overdraft of \$3,132.57 is carried forward pending further financial activity.

ASSESSORS' NOTICE

The Assessors of the Town of Thomaston hereby give notice to all persons liable to taxation in said town that they will be in session at the Town Office in said town, on Tues. and Wed. April 8 and 9 at seven o'clock in the evening for the purpose of receiving lists of the polls and estates taxable in said town.

All such persons are hereby notified to make and bring to said Assessors true and perfect lists of their polls and all their estates, real and personal, not by law exempt from taxation, which they were possessed of, or which they held as guardian, executor, administrator, trustee or otherwise, on the first day of April, 1968 and be prepared to make oath to the truth of the same.

When estates of persons deceased have been divided during the past year, or have changed hands from any cause, the executor, administrator, or other persons interested, are hereby warned to give notice of such change and in default of such notice will be held under the law to pay the tax assessed although such estate has been wholly distributed and paid over.

Any person who neglects to comply with this notice will be DOOMED to a tax according to the laws of the State and be barred of the right to make application to the Assessors or County Commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time hereby appointed.

LETTER OF TRANSMITTAL

To: The Board of Selectmen and Citizens of Thomaston:

Submitted herewith is a report of the operations of your town for the fiscal year February 1, 1968 to January 31, 1969.

The material herein has been prepared by the office staff and is subject to subsequent audit. No audit report is included in this report for reasons stated in a letter from the State Department of Audit, included as a part of this report.

The staff makes every effort to answer valid questions during office hours and to discuss problems with interested citizens.

Respectfully submitted,

JOHN S. TAYLOR
Town Manager

TOWN MANAGER'S REPORT

Fiscal 1968 presented many problems of an unusual nature.

A rainy spring and early summer coupled with difficulties in obtaining labor for cemetery work made it necessary to postpone and finally abandon much work which had been planned on our streets. Extremely wet conditions made ditching and shouldering impossible and town crews were needed to maintain the cemetery in presentable condition for Memorial Day.

The loss of Harriet Williams from the office staff in mid-June has been keenly felt and created extra difficulties in as much as many routine matters were not well known by other staff members.

Problems connected with the construction and testing of the Treatment Plant have made considerable extra work for your administration. Several questions in connection with this project remain to be resolved. On the positive side, two projects authorized by the town were completed without serious difficulty.

Sewerage was extended to lots on the east end of Fluker Street by installation of 280 feet of eight inch transite pipe and two manholes connecting to the main line on Thatcher Street. The appropriation for this item was \$1700.00 of which \$1372.71 was spent. Underground drainage for disposal of surface water was installed on Gleason Street to correct a troublesome flooding problem. The project consisted of installing two catch basins and approximately 100 feet of coated metal drainage piping. An appropriation of \$3000.00 was provided for this purpose of which \$1243.20 was spent. Use of town crews, change of design which eliminated one catch basin and 100 feet of pipe and excellent weather and underground conditions made this substantial reduction in cost possible.

Little was done to improve the condition of our sidewalks. Weather, the pressure of other work and lack of definite program conspired to make this area rather ineffective. A new section was constructed on the south side of Main Street extending the walk as far as Gilchrest Street.

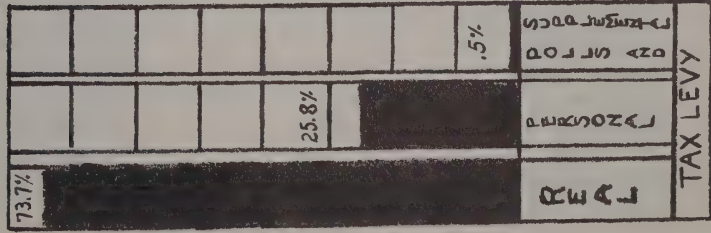

Dexter Street extension was improved with funds appropriated for that purpose and tarred from the surface treatment account.

Statements on the operation of other departments of your to government prepared by the Chiefs of these departments will be found in the body of the report.

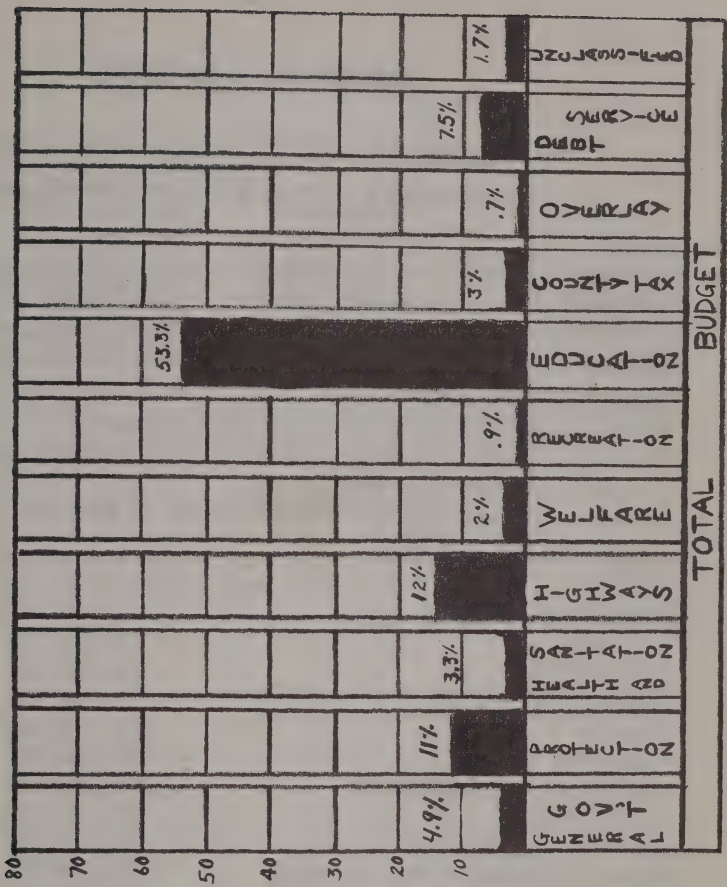

Suggestions made in last year's comments have been given much thought and study. Although no definite plans have been developed in any of the activities, it is hoped that another season will see progress in industrial development and regional planning as well as in improvement of physical facilities.

Notice To Veterans Desiring Exemptions

No exemptions on polls and estates shall be allowed in favor of any person who is not a legal resident of the State; and provided that any male or female veteran, or blind person, who desires to secure exemption shall, on or before the first day of April, notify in writing the assessors of the cities, towns and plantations in which he or she resides, and furnish proof of entitlement. Such notification once made need not be repeated in subsequent years.

Chapter 92, Section 6, Revised Statutes 1954.

All male residents over the age of 70 years desiring exemption from poll tax, should notify the Assessors, prior to April 1, 1968.

PARK COMMISSION REPORT

Weather conditions this past summer prevented much of the work which was planned for the park maintenance project. However, some fill was placed and some of the more rough areas were dozed off and smoothed. Some work was also done to repair and improve recreation facilities and equipment at the ball diamonds and basketball courts.

The area usually flooded for a skating pond was mowed to prevent the tall grass from fouling the ice. If this facility is to continue some work is necessary on the dam as it is leaking.

SUMMER RECREATION PROGRAM:

The 1968 summer program was directed and carried out by the same people as the 1967 program, Miss Marie Hall and Mr. Donald Palmer. The program was conducted at the Thomaston Grammar School with utilization of all facilities, starting on June 24 and was completed August 6, 1968. Attendance was good and the program appeared to be satisfactory.

Respectfully submitted,

RUSSELL KELLEY, Chm.

REPORT OF POLICE CHIEF

Americans are becoming concerned and alarmed at the steady increase in crime today. Good law enforcement depends on the cooperation of all its citizens. The failure to become involved has contributed at least in part to the present and increasing crime rate in our Nation and community today, but this trend can be reversed with a united effort of the entire community.

I am happy to report that there were no fatal accidents on our highway and streets, however, 56 accidents resulted in property damage. This department recovered 4 stolen cars, value of which was \$4,100.00, plus numerous other items that were valued at \$394.00.

I wish to thank the Newspapers, WRKD, State Police, Sheriff's Department, Rockland Police Department and the Thomaston Fire Department for their help and assistance this past year.

Respectfully submitted,

HERBERT C. LAATZ, JR.
Chief of Police

REPORT OF CHIEF OF FIRE DEPT.

To the Town Manager and Board of Selectmen:

It is my pleasure to present to you the report of the Fire Department for the period ending December 31, 1968.

During the period from January 1, 1968 to December 31, 1968, the Department responded to a total of 60 calls. Classification of calls are as follows; Assistance to other Towns 8, Buildings 7, Chimneys 1, Oil Burners 6, Grass 6, Automobiles 7, Emergencies 2, Misc. 23. During this period there were no injuries sustained by the men nor was there any damage of consequence to equipment.

The front office and toilet room were painted this year. Also repairs were made to the roof flashing. Bunker Suits and helmets were added to our inventory. The new utility truck has been built and equipped. This unit is serving us well.

Our facilities were again used this year by outside organizations. We were hosts to the Knox County Mutual Aid Association in October. The Chief has been elected President of this organization for the year 1969. Your Deputy Chief has been selected to serve as the Deputy Chief of the Knox County Task Force. I'm sure that those involved will benefit by this Officer's knowledge of firefighting. It's an honor to me to have him serve in this capacity.

The Department participated in an auction and Firemen's Ball. It was voted by the Department to take from these proceeds \$100. and give it to the Dollars for Scholars Program.

I am recommending that \$2,000.00 be raised for the Tank Truck Reserve Fund.

In concluding this report, I wish to express my sincere thanks to all those who aided the Fire Department this year.

Respectfully submitted,

GEORGE GRAFTON
Chief

REPORT OF PUBLIC HEALTH NURSE

Annual Report of Public Health Nursing Services in Thomaston in the Year 1968

Your public health nurse, a member of the staff of the Division of Public Health Nursing, submits her report of nursing services given to individuals, families and community groups in Thomaston during the year 1968. Referrals for these services were from individuals, families, physicians, school personnel, health committee members and various other sources. The types of health problem varied; the services provided, therefore, varied in accordance to the need for them. They included nursing care of the sick and handicapped patients, health supervision and, in some instances, consultations. The following table shows the kind of services given individuals by type of case and age group:

Type of Case	Number of Visits by Age Group					Total Visits
	0-11 Months	1-4 Years	5-19 Years	20-64 Years	65- Years	
Communicable Disease			28	6	3	37
Health Problem (Not Elsewhere Classified)		1	1	16	7	25
Accidental Injury				21		21
Ear Condition			17			17
Health Promotion	2	3	3	3		11
Crippling Condition	2		2	1		5
Maternity			1	4		5
Eye Condition			2			2
Cardiac Condition			2			2
Multiple Sclerosis				2		2
Mental Health			1			1
Nutritional Problem				1		1
Totals	4	4	57	54	10	129

Your nurse assisted patients and families to carry out the regime of care prescribed by their physician.

Your nurse planned child health conferences for the town with children from the towns of Cushing, St. George, South Thomaston and Owls Head also attending. There were nine child health conferences held. Infants and pre-school age children not under the

supervision of a private physician were invited to attend. Each child was given a physical examination and necessary immunizations by Emery B. Howard, Jr., M.D. The nurse discussed the child's health with the parents.

Your nurse gave consultation to school personnel, regarding individual students. She coordinated the following activities: physical examinations for children in sub-primary, first, fourth and seventh grade and special class, who had not had an examination within the year, and all other students who were recommended by the school personnel; the Head Start Program; and immunization clinics.

A special tuberculin skin testing program was held in the school system in Thomaston during 1968, because a larger than usual number of tuberculin reactors were found in the fall school tuberculin testing program of grades one, seven and twelve. Students in all grades in the Thomaston School system were offered tuberculin tests as well as all school personnel in February. A total of 503 students and 23 school personnel were tested at this time. This is over and above the children that were tested in September. Again a number of reactors were found, and your nurse planned for a clinic for testing the associates of these reactors, which were held in Thomaston. One hundred eighty-nine people were tested at this time, with 33 of them receiving x-rays. All school reactors to the tuberculin test were admitted to the Knox County Chest Clinic for medical evaluation and were placed on preventative medication for a period of time. All adults who had questionable x-rays were referred to their private physician and a few admitted to Knox County Chest Clinic for preventative medication also. The tuberculin testing program was conducted by Alta Ashley, M.D., District Health Officer.

School physical examinations and immunizations were given by Mustafa Onat, M.D. The Head Start medical program was carried out by Harry Naumer, M.D.

All immunizations given in the various programs are summarized as follows:

Type of Immunization	Number of Children Immunized
Smallpox	93
Polio (Oral Trivalent)	45

THOMASTON PUBLIC LIBRARY

Regular meetings of the Library Trustees are held quarterly for the discussion of library affairs and the transaction of such business as may properly come before this group. Special meetings may also be called when necessary.

The following is the financial report from Feb. 1, 1968 to Jan. 31, 1969:

Public Library Operations 1968 - <u>General Funds</u>			
Balance on hand Feb. 1, 1968			4,588.67
General Operating Income			7,806.41
Total Available			12,395.08
Operating Expense			
Rent		2,080.00	
Salaries			
Librarian	2,000.04		
Assistant	1,400.04		
Helpers	322.16		
Janitor	607.00		
		4,329.24	
Electricity		346.52	
Supplies		197.79	
P.O. Box & Safe Deposit Box Rent		21.50	
Total Operating Cost			6,975.05
Balance on hand Jan. 31, 1969			5,420.03

Book Fund

Balance on hand Feb. 1, 1968			5,195.38
Book Fund Income			4,875.53
Total available			10,070.91
Book Fund Expense			
Books, Periodicals and Newspapers		3,782.06	
Binding and rebinding		42.00	
Book Covers, Labels, Etc.		116.00	
Balance on hand Jan. 31, 1969			6,130.85

It was voted, this year, to subscribe to the large print edition of the Reader's Digest for the benefit of those who have trouble reading the regular size print. Other visual aids and large print books are available through the Maine State Library. If you are interested in these, please come in and discuss it with our librarian.

We are always most appreciative of the attractive floral arrangements provided throughout the year by the Thomaston Garden Club. These, together with the interesting and appropriate window displays arranged by members of the library staff, add a great deal.

It should not go without saying that a competent and interested staff makes a library; without them, it would be just a storage place for books.

We urge the citizens of Thomaston to get acquainted with their excellent library, and to make use of it often.

Respectfully submitted,

MARGARET M. STONE, Chm.
Secretary pro tem

LIBRARIAN'S REPORT

I herewith submit the report of the Thomaston Public Library for the year ending January 31, 1969.

Number of books added to the Library:

By purchase	837
By gift	85
	922

Number of catalogued volumes 11692

Volumes circulated Feb. 1, 1968

to Jan. 31, 1968 25347

Average daily circulation 126

New cards issued 132

Total number of active borrowers 1226

February 15. I attended a Workshop meeting at the Camden Public Library. Plans for National Library Week were discussed.

March 9. Girl Scout handbooks were presented to the library by the Girl Scout troops as follows:

Senior G. S. troop no. 591, Cadette G. S. troop no. 698,
Junior G. S. troop no. 575, and Brownie G. S. troops nos.
576 and 620.

April 11. Brownie Girl Scout troop no. 576 with their leaders, Mrs. Ruth Grafton and Mrs. Maureen Johnson, visited the library for a Story Hour.

April 21-27. National Library Week. 110 phonograph records were exhibited for circulation. On Saturday, the 27th, movies borrowed from the Maine State Library were shown to 80 school children by Mr. Nathan King.

June 6-7. Sub-primary classes with their teacher, Mrs. Priscilla Crockett, visited the library for instructions in borrowing books from a library. Stories were read to them, also.

June 11-12. Mrs. Thelma Everett and I attended the 75th annual meeting of the Maine Library Association at Bar Harbor. The theme of the meeting was total library service. The object of the Association is to develop and increase the usefulness of libraries in Maine, and to foster a spirit of cooperation among librarians.

October 2. Mrs. Everett and I were guests at a luncheon and Library meeting at the Georges Valley High School. We heard very interesting speakers from the model school library in Waterville.

November 17-23. National Children's Book Week. New books for the children were exhibited and circulated. On Saturday, the 23rd, movies were shown to 100 school children. The movies were borrowed from the Maine State Library and shown by Mr. Nathan King, who is always so willing to bring a projector and show the movies for us.

Reading Certificates were awarded to 50 students at the end of our Vacation Reading program in August.

We enjoyed having several classes from the Grammar School visit the library each week. Although they now have their own library, with Mrs. Ruby Morrison as librarian, we hope they will continue finding this library useful to them.

Having a telephone in the library this year has been a real asset.

Mrs. Everett has kept the windows appropriately decorated for the various holidays and seasons. Mrs. Louise Philbrook has worked one afternoon a week and during the librarians' vacations. Miss Marion Devine, Neighborhood Youth Corps, started working a few hours a week in October.

One of the many books given to the library this year is the Andrew Wyeth book of paintings, a gift from Miss Pauline Bill and Mrs. Madge Fairfax.

The beautiful floral arrangements that made the library look so cheerful all year were donated by members of the Garden Club and other friends of the library. The artistic decorations for the Christmas season were done by Mrs. Wilson B. Carter. The Christmas wreathes were provided by the Garden Club.

At this time I would like to express my sincere appreciation and thanks to the many people who helped make this year so successful, with special thanks going to the Trustees and Book Committee.

Respectfully submitted,

INA C. KEIZER
Librarian

REPORT OF TREE WARDEN

The following is a report of the work done on the town shade trees for 1968.

87 elms were pruned

4 elms and 1 maple were removed

All trees on the Mall were fed

All town elms were sprayed once during the summer.

All elms worked on were examined for Dutch elm disease and one case was found. That was an elm on Booker Street, which was removed.

More cases of this disease are being found in Maine each year and it seems to be coming closer, the latest new outbreak being as near as Warren.

So far, the elms in Thomaston are quite free of Dutch elm disease, as compared to many towns and cities throughout the state.

Perseverance in this program should be maintained.

Respectfully submitted,

HARRY A. GOODRIDGE

STATE OF MAINE

State Department of Audit

Augusta

March 13, 1969

Mr. Bowdoin L. Grafton, Chairman
Board of Selectmen
P. O. Box 178
Thomaston, Maine 04861

Dear Mr. Grafton:

This will acknowledge your request for the annual audit of the financial records of the Town of Thomaston for the 1968 year.

With limited personnel, and the numerous requests at this particular period of the year, we regret that we are unable to complete the audit and reporting thereon, in time to be printed in your town report for the annual meeting.

If you desire you may print this letter in the annual report so that the taxpayers of Thomaston will understand the reason for the delay.

Very truly yours,

MICHAEL A. NAPOLITANO
State Auditor

TOWN WARRANT

State of Maine

To: HERBERT C. LAATZ, JR., a Constable of the Town of Thomaston, in the County of Knox, GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the town of Thomaston in said County, qualified to vote in town affairs, to meet at the Fire Station in said town on Monday the 31st day of March, A.D. 1969, at ten o'clock (10:00) in the forenoon, Eastern Standard time, then and there to act upon articles numbered 1 and 2;

And to notify and warn said voters to meet at Watts Hall in Watts Block in said town, on Monday the thirty-first day of March A.D. 1969, as aforesaid at eight o'clock (8:00) in the afternoon, then and there to act on articles numbered 3 through 52, all of said articles being set out below; to wit:

Article 1: To choose a moderator to preside at said meeting.

Article 2: To elect all necessary town officers by secret ballot.

The Polls for voting on Article 2 will be open at ten-fifteen (10:15) o'clock in the forenoon and will close at 7:00 o'clock in the afternoon. Consideration of article 3 through 52 will begin at 8:00 P. M.

Article 3: To see if the town will vote to accept the report of the municipal officers as published.

Article 4: To see what sum, if any, the town will vote to raise and appropriate for salaries of town officers: Town Manager salary \$7500.00, Expenses, \$500.00, Secretaries, \$7540.00, Town Clerk, \$100.00, Selectmen \$550.00, Health Officer, \$50.00.

Recommended \$16,990.00

Article 5: To see what sum, if any, the town will vote to raise and appropriate for town expenses, including printing, town report, elections, general office equipment, audit, office rent, contingent expense and legal fees.

Recommended \$5,750.00

Article 6: To see what sum, if any, the town will vote to raise and appropriate for POLICE PROTECTION of persons and property, (salaries \$10,670.00, Departmental Expense and Cruiser operation, 1630.00).
